Join the campus-wide conversation on raising retention rates by attending the retention summit on March 31. This interactive experience will reveal Access 2 Success and Mapworks data, provide updates on the retention plan objectives, and create opportunities to contribute ideas to maximize the impact of retention initiatives.

After attending this program, participants will be able to:
· Understand and implement retention best practices
· Identify the impact of current retention efforts through analysis of data
· Share perspectives and expertise across divisions related to student success and retention
· Shape UWM’s future retention plan by identifying the most impactful strategies
