MESSAGE FROM THE CHAIR

Welcome to the world of UWM Dance!

Here you’ll find top-ranked professionals engaged in each student’s individual goals, needs and aspirations. Our faculty commitment to each student’s uniqueness is displayed in the pluralistic nature of our programs’ structures. Our BA in Dance, BFA in Contemporary Performance & Choreography, and MFA in Dance degree programs are designed to prepare our students for a multitude of careers in the field of dance. In addition, we offer two BFA in Inter-Arts Tracks - Dual Discipline and Interdisciplinary Arts & Technology, and a Minor in Somatics.

Training UWM dance artists is one of the most professionally skilled and diverse faculty in any school that I have ever come across. Prepare to be impressed! In addition to the remarkable faculty, the Terpsichorean People (our student organization, named after the Greek muse of dance), promotes the activities of the Department and advocate for resources from student government. Their activities enhance the student experience by providing support for production activities, travel opportunities, and guest artist fees. In addition, student representatives sit on the Black and Gold Committee, meeting regularly with the Dean and faculty to determine the future of the Peck School of the Arts.

This year, the Department of Dance celebrates its 53rd year of existence and continues to honor the work of our faculty, students, alumni and all who have helped to elevate this Department to the level of excellence it sustains today. In December, our undergraduate students will present their daring capstone works in New Dancemakers: Reshaping Perceptions. In February, the Department will feature works by dance faculty and New Work Award recipient Dan Schuchart in Winterdances 2017. In late April, we will produce Springdances 2017, featuring works by the dance faculty and guest artists at Inova. In July 2017, our graduate program will feature theses and new works by nationally-recognized MFA students in our Dancemakers 2017.

The 2016-2017 academic year brings us artists from across the United States. The Department will continue to partner with the Oni Dance, Daniel Burkholder/The PlayGround, Danceworks Performance Company, Milwaukee Ballet, and Wild Space Dance Company, as well as our company-in-residence Ko-Thi Dance Company.

From coast to coast, the achievements of our alumni continue to leave lasting fingerprints of the work we develop at UWM Dance. From Pilobolus in the east to Bobbevy in Portland, Oregon, and teaching positions in many academic institutions across the United States, our former students – now mature working professionals – are the best evidence of our commitment to living an artistic life.

What will be your legacy? It starts here, it starts now – let’s begin!

Darci Wutz
Chair, UWM Department of Dance

UWM Department of Dance Mission Statement

The Department of Dance at UWM is committed to the development of skillful and vibrant dance artists and educators in their pursuit of a comprehensive education built upon diverse dance practices, research and community engagement. Our department supports a thriving local and regional presence, while it opens avenues and opportunities for national and global perspectives. We offer undergraduate and graduate programs that emphasize artistic individuality and the development of professional skills required for successful careers in dance performance, choreography and education. Our innovative curriculum integrates multiple dance disciplines and somatic practices, creating a learning environment that prioritizes a balance of body and mind knowledge with informed, creative expression.

We offer an eclectic yet dynamic and encompassing curriculum, with specialized degree programs that include MFA in Dance, BFA in Dance (Contemporary Performance & Choreography), BFA in Inter-Arts: Dual Discipline Track, BA in Dance, and a Somatics Minor. Our training environment consists of full-time faculty, lecturers and guest artists who reflect strong beliefs in multiple points of view, a passionate commitment to individual development and dedication to serving the versatile interests of our students. Renowned guest artists contribute to the dance department’s curriculum each semester by providing students direct experience with current and diverse global practices in the field. These programs ensure that we offer our students directed, relevant training as the foundation for successful and sustainable careers in dance and related fields.

The creative research of both the faculty and students reflects our commitment to investigate the historical and cultural relevance of contemporary and traditional world dance forms. These pursuits ensure that we examine and support the vibrancy of cultural traditions while generating new knowledge. Intertwining creativity, scholarship and interdisciplinary dialogue, our program is dedicated to the exploration and development of somatic inquiry, technology integration, critical thought and original choreography.

ADMISSIONS

The Dance Program offers two undergraduate degree programs which lead to a bachelor's degree in dance: the Bachelor of Fine Arts (BFA) in Dance (Contemporary Performance & Choreography), and the Bachelor of Arts (BA) in Dance. Also available is a Minor in Somatics.

Admission Requirements for the Dance BFA and BA and the Inter-Arts Dual Discipline

Please see arts.uwm.edu/admission for information on admission starting spring 2017.

UWM priority application deadline is March 1.

Transfer students must complete a minimum of half of the required dance credits while in residence at UWM in order to graduate. The exact total is available upon admission to the program. Transcript evaluation by a dance advisor is required before placement into dance major courses.

Admission Requirements for the Somatics Minor

Students must meet general university admission requirements to be admitted to any of the undergraduate curricula as a freshman or transfer student. Prior to completing 6-8 credits of the Somatics Minor coursework, students must apply for and be accepted into the minor. Application consists of: a) online application at arts.uwm.edu/dance click on Somatics Minor and b) submission of unofficial UWM transcript via email to somatic-minor@uwm.edu. No more than 6-8 credits (2-3 courses) will be applied toward the minor until after a student has been admitted and a Dance Faculty Advisor has been assigned.
UNDERGRADUATE PROGRAM INFORMATION

The Bachelor of Fine Arts (BFA) in Dance (Contemporary Performance & Choreography) prepares students to perform and create original dance choreography for theatrical productions. Dance BFA students complete a rigorous technical and creative curriculum designed to develop the student's individual artistic voice. Contemporary Track majors additionally study body/mind sciences, dance pedagogy, historical and cultural contexts for dance and the interactive collaboration skills necessary to bring dance to the theatre with a high degree of excellence.

The Bachelor of Arts (BA) in Dance prepares students to teach participatory movement traditions in community settings, and to lead community groups in creating and performing their own dances and movement rituals. Community-based service-learning experiences provide many opportunities to realize these goals. Many Dance BA students pursue a double major at UWM; the service-learning component provides an opportunity to integrate the content of the two areas of study.

The Minor in Somatics prepares students to undertake further study in an array of artistic, teaching/learning, and health/wellness disciplines. Students will study a wide range of somatic practices, including Laban Movement Analysis, Bartenieff Fundamentals, Alexander Technique, Pilates Method, Ideokinesis, Body-Mind Centering, Authentic Movement, Iyengar Yoga and Martial Arts.

The BFA in Inter-Arts is designed to nurture and develop a mature interdisciplinary/multidisciplinary artist, critic, or scholar. Each track leading to the Inter-Arts BFA degree – Dual-Discipline and Interactive Arts and Technology – lays a strong developmental foundation coupled with advanced project creation. In the Dual-Discipline Track in Dance (alongside the Art&Design, Film, Music or Theatre department’s 36 credits), students study multiple levels of dance technique and composition to prepare them for a variety of projects after they graduate.

Students in both the BFA and BA dance degree programs must complete the following Dance Foundations Curriculum in their freshman year:

Continuation Requirements (for BA, BFA, IADD majors)

Each undergraduate dance major's coursework will be reviewed at the end of his/her sophomore year to determine continuance in the major, as part of the Mid-Program Portfolio Review. Students must maintain a minimum grade point average of 3.0 in the dance major.

All students are expected to demonstrate a strong commitment to their health and overall conditioning in order to fulfill the department's academic requirements. Each student's ability to undertake the demands of the dance program, including his/her overall physical ability to perform in classes, auditions, rehearsals, and/or performances, will be a factor in the following: grading at the end of each semester; the audition/rehearsal/performance process for departmental productions and outreach events; the Mid-Program Portfolio Review assessment; determining "probation" status; and potentially removing a student from the program.
Dance BA and BFA students are required to have a laptop computer (or comparable tablet meeting minimum specifications) by the beginning of their sophomore year, but are strongly encouraged to have one when they enter the program. The hardware and software must meet or exceed the current departmental requirements, as stated on the website (arts.uwm.edu/laptop). Website also includes information on using financial aid to fund this expense.

**Continuation Requirements (Somatics Minor)**

Students are required to submit a one-page paper each time they complete a class in the Minor, reflecting on how the class fits within the broader context of somatic integration. The paper should be submitted via email to the Director of the program at somatic-minor@uwm.edu. If the paper is not emailed within a week of the end of the term, that course may not count towards Minor requirements.

Students must maintain a 2.75 GPA overall to remain in the Somatics Minor.

All students are expected to demonstrate a strong commitment to their health and overall conditioning in order to fulfill the department’s academic requirements for the Somatics Minor.

**MFA DEGREE INFORMATION**  
The Department of Dance offers a low-residency graduate program leading to the Master of Fine Arts in Dance. The program follows an intense hybrid schedule (part online and part on campus) that includes two 7-week retreat-like summers on an urban campus. The MFA consists of 60 credits with an emphasis on contemporary choreography and performance, focusing on the candidate’s independent creative research. The program prepares future university dance professors and provides secondary school educators with the means to expand their theoretical and choreographic skills, while increasing their earning potential in academic institutions and K-12 public and private schools.

For further information on the MFA in Dance Program, please consult the MFA Student Handbook available on the web (arts.uwm.edu/dance, click on MFA).

**DEPARTMENT OF DANCE ALUMNI**  
Through the years, UWM has developed a strong partnership with its alumni. This relationship consists in supporting not only local companies, which in its majority are directed or composed by UWM alumni, but also the Milwaukee Public Schools. All alumni are welcome to our daily technique classes (reduced price voucher via the PSOA Box Office) and invited to guest lectures and other events. Regular emails, Facebook groups and the UWM Alumni Association maintain our active relationship with alumni and communicate all dance events and alumni privileges.

**PECK SCHOOL OF THE ARTS STUDENT ORGANIZATION**  
**Black and Gold Committee**  
Started in the fall of 2002, the Black and Gold Committee strives to improve the campus environment (both physical and educational) for the students in the Peck School of the Arts. Dance student representatives meet regularly with Peck School of the Arts administration to make sure that student voices are heard. Accomplishments include the first PSOA Graduation held in May of 2006, updating student lounges and creating additional interdisciplinary events and performance opportunities across the school. Committee members are actively involved in the deliberations for Differential Tuition allocations each year.
DEPARTMENTAL INFORMATION AND POLICIES

All students are expected to understand and abide by the policies below as well as work at 100% concentration and consistency. These policies are in keeping with the serious study of any art and are crucial to your work and success in the program.

HEALTH
All students are expected to demonstrate a strong commitment to their health and overall conditioning in order to fulfill the department’s academic requirements. Each student’s ability to undertake the demands of the dance program, including his/her overall physical ability to perform in classes, auditions, rehearsals, and/or performances will be a factor in the following: grading at the end of each semester; the audition/rehearsal/performance process for departmental productions and outreach events; the Mid-Program Portfolio Review assessment; determining ‘probation’ status; and potentially removing a student from the program.

Selection of Health Resources available to Dance Majors
• ATI Athletic Trainers (in partnership with Department of Athletics and Sports Medicine): atipt.com
• Nutritionists at Norris Health Center
• Performance & Injury Center: http://uwm.edu/healthsciences/research/centers/performance-injury-center/

STUDIO and CLASS ETIQUETTE
• Departures from class prior to the instructor’s dismissal will not be tolerated.
• You may be excused from the class due to an emergency by speaking to the instructor first.
• Please inform the instructor of all injuries, special needs, and personal considerations prior to each class.
• Injured or ill students are expected to attend class if possible. A written critique of another student participating in class is mandatory and must be submitted at the end of that class.
• Respect for the technique being taught and basic common courtesies will be extended to the instructor, and all fellow students. Professional dance etiquette is demanded at all times.
• No children or guests are allowed in class unless first approved by the instructor.
• Lockers are available (reserve via the PSOA Box Office, $7 for fall/UWinterf, $7 for spring/summer). There are locker rooms in the Commuter Facilities located in rooms 340 for the women and 372 for men, for changing purposes.
• The study of dance requires the instructor to sometimes physically manipulate the body of the student in order to effectively apply corrections to aid in instruction, if you have a concern with this, please speak with the instructor.

CLASS PLACEMENT and LEVEL ADVANCEMENTS and INDEPENDENT STUDY
Students must participate in a placement class for all ballet and modern classes at the beginning of each semester.

The primary teacher for each class recommends class level advancements. Advancement to a higher level is determined at the end of the term.

Any technique course taken under Dance 699, Independent Study, does not count toward degree requirements.

NO ABSENCE POLICY
The Department of Dance has a No Absence Policy. Dance instruction is delivered in-class and students must be present to understand course information. For any absence beyond those permitted by campus policy (religious, military, jury duty, etc), a student may (outside of the
class meeting time) submit written documentation for consideration by the instructor. All absence penalties are determined by the individual instructor. Any modifications to the No Absence Policy are at the instructor’s discretion.

COURSE REQUIREMENTS POLICY
All course requirements must be fulfilled in order to pass the course. This includes all class projects, written assignments or essays, written or movement exams, or any other assignments noted on the course syllabus.

WRITTEN WORK
Your written work often tells us as much about your progress as your physical and creative work. Your grade for almost any coursework in the curriculum is always partly based on your written accomplishments for that class. Sample assignments include self-reflective work, performance critiques, technical analysis, and artistic profiles. We expect thorough preparation of all assignments and a final product that is well-crafted and professionally presented. Succeeding in any area of our curriculum requires advanced writing abilities. For mentoring on any written project (at any step in the process), we recommend that you contact the Writing Center (uwm.edu/writingcenter) or the Panther Academic Support Services (uwm.edu/pass).

The majority of UWM Dance courses require MLA (Modern Language Association) style, which specifies the guidelines for formatting and English language usage in writing. It also provides writers with a system for referencing their sources through parenthetical citation in their essays and Works Cited pages. Please reference the MLA Handbook (7th or 8th edition) as necessary, or Purdue University’s Online Writing Lab website at http://owl.english.purdue.edu (click on MLA).

DANCE INCOMPLETE POLICY (9/2/16)
An incomplete is appropriate only when the following conditions are present:
• You have done satisfactory work on a substantial fraction of the course requirements prior to grading time, and provide the instructor with evidence of potential success in completing the remaining work.
• Extraordinary circumstances not related to class performance, such as illness or family emergency, have prevented you from finishing the course requirements on time.
An Incomplete will not be given to enable you to do additional work to improve a grade. It is your responsibility to initiate a request for an Incomplete. If approved, the instructor will indicate the conditions for the removal of the Incomplete, including the dates for submitting all remaining work (which must be no longer than 10 months from the end of the semester of the assigned Incomplete). The instructor is responsible for changing the Incomplete to the new letter grade within 12 months of the end of the term. The instructor may deny a request for an Incomplete and assign a letter grade based on the work completed to that point.

EVALUATIONS and End-of-Term Conferences
Evaluations are done twice a semester. Midterm evaluations are done one-on-one with the student and their primary instructor for the course. End-of-Term Conferences are done at the end of the semester with the student and the entire faculty. Freshmen, juniors and December graduates are required to attend the December conferences; sophomores, seniors and May graduates are required to attend the May conferences (additional students may be called when situations warrant). Students also meet with individual academic and departmental advisors for further personal and curricular advisement. Failure to attend a midterm evaluation, end-of-term conference and/or dance advising sessions will cause a full grade reduction in a single Dance course to be applied.
CHANGING DEGREES OR ADVISORS WITHIN DANCE PROGRAM

All BA or BFA students wanting to switch to a different Dance degree program or to switch Dance Faculty advisor must follow this procedure:

1. Pick up form from the envelope on the Mitchell 254/256 bulletin board and fill it out.
2. Schedule a meeting with your current Dance Advisor and bring the completed form to the meeting (if the first two steps are reversed or happen simultaneously, that’s fine).
3. Following the meeting, the current Dance Advisor will discuss this degree change with the Dance Faculty, and the faculty will vote to either approve or deny the request.
4. The Dance Department Chair will notify the student and PSOA Student Services Office of the results of the vote (approved or denied) via email. If the request has been approved, that email will also include the name of the new Dance Advisor.

MID-PROGRAM PORTFOLIO REVIEW (updated 9/2/16)

The Mid-Program Portfolio Review (MPPR) will take place at the end of the second/sophomore year during the spring semester, and will serve as a gateway review for continuance in the Dance Program. The MPPR will consist of an essay, solo performance or research presentation or video submission, technique class(es), and an enrollment progress check (subject to change). Afterwards, each student will meet with the dance faculty to review progress in the program. A 3.0 GPA in the program is required to continue in the major.

The specific guidelines for MPPR students in spring 2017 will be sent via email.

SCHOLARSHIPS

The Dance Department distributes around $15-20,000 in scholarships and awards to undergraduate students each year, ranging from $400-2000 per year (amount split over fall/spring semesters, summer available upon request). Students may be awarded multiple awards over their time in the Dance Program.

arts.uwm.edu/dance/scholarships

1. **Incoming Student Award**: no application required; award is faculty-nominated based on the student’s entrance audition for admission to the program. Scholarships may not be available after the UWM priority application deadline (March 1). Award may be for one year only, or for up to four years, as long as the student continues to meet the stated requirements.

2. **Dance Undergraduate Student Scholarship**: application required, and students must have completed at least one semester of the Dance Program. Demonstrated excellence in the Dance Major is the main criteria.

3. **Ed Burgess Legacy Scholarship**: no application required; award is faculty-nominated for a student who embodies and demonstrates the highest qualities of commitment and professional dedication to the art of dance, and has an established record of excellence in all aspects of the program. Award is for one year only, and student must have completed at least 2 semesters in the Dance Program, and be attending full-time during the award semesters.

To be eligible for any Dance Scholarship, students must meet the following criteria:

- Full-time enrollment (6 or more Dance credits each semester)
- Dance GPA of 3.5 or above
- Adherence to departmental curricular requirements

Students who do not meet these criteria for all semesters of their award may forfeit all or part of their scholarship.

STUDIO ATTIRE

- For Modern/Ballet/Jazz/Tap – Class clothing must be form-fitting in solid colors only, and cover the full torso and leg to the knee. Undergarment support required as appropriate (dance belts for men/bras for women). Footwear requirements as appropriate (ballet slippers, tap or jazz shoes, etc). Failure to adhere to the dress code may affect your course grade.
• For Hip Hop, Salsa/Merengue, Ballroom, Swing, Capoeira, Tai Chi, etc – No street shoes are allowed. To keep our studios clean, a separate, clean pair of shoes used only for class is required. (lockers are available for reserve via the PSOA Box Office, $7 for fall/UWinterIM, $7 for spring/summer.) Failure to adhere to the dress code may affect your course grade.

• No hats or cumbersome jewelry while taking class, and long hair must be kept out of the face. Proper hygiene is expected at all times.

CALL BOARDS
All student information is posted on bulletin boards outside Mitchell 254 and 256, in the student lounge. Make a habit to check it regularly. Information is also documented via UWM email.

RESIDENCIES
Special workshops and guest artist residencies are scheduled throughout the academic year. These events are intended to provide students with opportunities to train with established artists. Included in these residencies are performances, technique and repertory classes which provide opportunities to learn excerpts from both renowned and experimental choreographers’ works. Please see the bulletin board in the Mit 254/256 Lounge for this year’s guest artists’ biographies.

STUDIO SPACE GUIDELINES (revised 9/1/16)
To keep UWM Dance studios and all equipment contained therein in working condition, please follow these rules:
1. Eating, drinking, smoking and chewing gum are NOT permitted in the dance studios. Water in sealed containers is permitted.
2. Street shoes and/or rain/winter boots are not permitted on dance studio floors. Footwear should be removed prior to entering the studio, and placed on the floor mats or in shoe cubbies provided for that purpose. If your class, rehearsal or event requires dance shoes of any kind, they must not be the ones worn into the building (keep a separate pair of shoes just for class or rehearsal – see #9).
3. When you are in the studio, you are responsible for all of the material stored in it. All damaged or stolen materials will be prosecuted to the extent allowable by law.
4. If you are using the departmental sound systems, please keep them at a reasonable volume level (you must lower volume level if requested), and turn the system off when you are done (use the appropriately marked switches to not confuse the next person). If you do not know how to use the system, please ask for assistance in the Dance Office.
5. The studios must be neated at the end of each class, rehearsal or event. Return mirror curtains to their ‘open’ position. Do not leave chairs, blankets/mats, clothing items, set pieces, water bottles, or anything else scattered around that will get in the way of the next person to use the space.
6. At the end of your scheduled time, please turn off the lights (saving energy & money), close the windows and ASSURE THE DOORS ARE CLOSED TIGHT and LOCKED (including the west lobby and east lounge doors for Mitchell 254/256).
7. For safety reasons, always bring your belongings into the studio with you and work with the doors closed, especially during late hours and weekends.
8. Scheduled users are encouraged to have their hand scanned at the Box Office on the first floor of the Zelazo Center to ensure access to studios in the evenings and on weekends.
9. Lockers are available for check out from Peck School of the Arts Box Office (Zelazo 144, located at 2419 E Kenwood Blvd). There are Commuter Facilities available, located in Mitchell 340 for women and Mitchell 372 for men, for changing/showering purposes.
Rehearsal Reservations
Dance majors are permitted to reserve a limited number of hours in dance studios each week (new guidelines will be posted on the Mitchell 254/256 bulletin boards when available).

In order to reserve studio time, you must visit the PSOA Faculty & Staff Services Office in Art 203, where a PSOA Student Assistant will enter a tentative reservation for your desired rehearsal day/time(s). Recurring weekly times are preferred. That tentative reservation will then be approved or denied by PSOA Performing Arts Programs Staff. If it's approved, you will receive an email with the appropriate keybox code. That keybox code is only for your use – it should not be shared with anyone else.

Misuse of studios or failing to follow the Studio Space Guidelines (above) will result in immediate changing of the keybox code(s) and your ability to reserve/use the Dance Studios.

Hand Scan System
All Peck School of the Arts buildings are equipped with a hand scan door unlocking system, that permits studio use during evening hours and weekends, when the buildings may not be officially open. This allows for complete security without the hassle of keys or security passes or building guards. The hand scan system takes an image of the top of your right hand (no fingerprints!). That image, coupled with a PIN number, is what will get you into the building.

To get yourself into the hand scan system, you'll need to stop by the Peck School of the Arts Box Office, located at 2419 E Kenwood Blvd (enter from the south side of the building off the parking lot). Please identify yourself as a Dance Major, and they will walk you through the setup process. During the fall/spring semester, regular hours are Monday thru Friday, 11am-5pm.

PERFORMANCE OPPORTUNITIES AND POLICIES
Performance Attendance Policy: (created 8/26/13)
All Dance majors are required to attend all UWM Dance performances during the academic year, and encouraged to attend all UWM Dance showings and other UWM Performing Arts shows.

Performance Participation Criteria
The faculty has determined the following criteria for Dance major participation in UWM Department of Dance choreography:

GENERAL GUIDELINES (updated 9/2/16)
❖ All eligible dance majors are required to audition for every dance performance opportunity. No dance major will be cast who has not attended the audition or supplementary audition activities. Any Dance major on probation is excluded from auditioning and casting by faculty, guest artist and student choreographers. The faculty reserves the right to review opportunities for all dancers on a case-by-case basis.
❖ All Dance major performers must be students in good standing (3.0 minimum in the major) to participate in any concert.
❖ All rehearsals, production showings and technical rehearsals are mandatory and are announced as soon as the schedule is determined. You must be available for the full production week(s) and additional scheduled rehearsals.
❖ Any dancer cast in faculty or guest artist choreography must be enrolled in at least 3 UWM Department of Dance technique classes per week during the rehearsal semester. (i.e. enrollment and participation in MWF Modern, M-F Ballet, TR Tap plus 1 day of Ballet, MW African plus 1 day of Modern, etc)
❖ Dance BFA students are encouraged to complete production requirements (Dance 209, 309) before being cast in their first faculty/guest artist concert.
❖ Choreographers may modify their casting choices at any time.
To protect your education investment, dance-related activities (teaching, performing, choreographing, etc) outside of UWM Dance must be requested prior to agreeing to pursue the activity via the Outside Activity Request Form. These forms are located on the Mitchell 254/256 bulletin board, and should be submitted to Darci Wutz’s mailbox in the Faculty & Staff Services Office, Art 203, for approval by the Dance Faculty. Approval/denial will be sent via email. Penalties for late or non-notification could include impact participation in current faculty, guest artist and/or student casting; result in grade reduction; and/or permission to audition in a future semester.

All General Guidelines are subject to faculty review.

**FACULTY/GUEST CHOREOGRAPHY** (updated 9/2/16)

- Dance majors may be in up to three pieces during each semester of rehearsal, with no more than 2 student works in a semester.
- Students are not permitted to audition until 2nd semester of their first year. For example: Fall 2016 admits would be eligible to participate in the April 2017 audition for the Winterdances 2018 concert.
- Guest artist auditions may be limited to selected students only.
- Rehearsals for faculty choreography are part of Repertoire and Ensemble courses (490). If enrolled for under 18 credits, students must register under the choreographer’s lab number for a minimum of 1 credit and be available for all scheduled rehearsals.
- No grades will be assigned in PAWS until after the performances have been completed. Exceptions may be considered for graduating seniors.
- No dancer may participate in more than two dances in the faculty concerts. Exceptions to this will be determined by faculty agreement.
- Students are not permitted to upload any faculty or guest choreography online without explicit permission from the choreographer or the department.
- The Monday after *Winterdances* closes, performers are excused from any Dance technique class prior to 1pm, but not dance academic classes.

**STUDENT CHOREOGRAPHY** (updated 10/13/14, also New Dancemakers policies below)

- No dancer may be involved as a choreographer or performer in more than two dances for New Dancemakers concerts. In addition, choreographers are encouraged not to dance in their own choreography.
- Anyone cast in student choreography must be enrolled in a minimum of 2 Department of Dance technique classes per week during the rehearsal semester.
- Dancers participating in New Dancemakers showings and performances should register for Repertory/Student Choreographer (491) for a minimum of 1 credit (if enrolled for less than 18 credits). As with faculty choreography, dancers are required to attend all scheduled rehearsals, and absences must be excused ahead of time.

**NEW DANCEMAKERS** (updated 5/16/11)

- Eligible choreographers must have completed or be currently enrolled in Composition 2 (including BA students). Senior Project students are given priority in program determination, but an adjudication process will determine final program inclusion and order.
- All choreographers must be enrolled in at least 3 UWM Department of Dance technique classes per week during the rehearsal semester (minimum of 1 credit).
- All choreographers and their dancers and collaborators must adhere to the New Dancemakers showing and production guidelines as outlined by the New Dancemakers Artistic Director.

**INTERNSHIPS** (9/2/16)

Dance majors are eligible and encouraged to apply for internships with area dance companies and organizations during their senior year in performance, choreography/research, administration, marketing, teaching or production. If a performance aspect is part of an internship, that will be included in the Winterdances or Springdances auditions in November or
April. Students will receive notice of application for internships electronically. Concert casting determination will take precedence over internship applications if a student wants to be considered for both. Internship placement by area dance companies is approved via faculty vote, and an effort is made to place as many interns as possible.

**STUDY ABROAD IN DANCE**
The Dance Department traveled with its first study abroad trip in June of 2008 to Brazil to study the Bumba-Meu-Boi festival with faculty member Simone Ferro and another contingent went in summer 2010 and 2015. Future trips to Brazil are in the planning process. Faculty can also assist (making introductions, translating, etc) if students are interested in traveling abroad independently for varying lengths of time – previous student destinations have included Australia, Austria, Germany, Portugal, and Spain. For further information on all UWM Study Abroad opportunities, visit the Center for International Education website at http://www.uwm.edu/Dept/CIE/studyabroad/.

While not considered study abroad, the Disney College Program is also a possibility for distance study in the Dance Department. http://cp.disneycareers.com/en/default/

**AMERICAN COLLEGE DANCE ASSOCIATION**
The American College Dance Association exists to support and affirm the role of dance in higher education primarily through the sponsorship of regional college/university dance festivals. UWM Dance is an active member in the association and we have been recognized very positively in our appearances at regional and national festivals. Each year, we commit some portion of our budget toward faculty and student participation in the North-Central regional conference. Students also have the option of self-funding their attendance at the conference.

**COMMUNITY PARTICIPATION**
Milwaukee dance community members and UWM Dance alumni are permitted to participate in dance technique classes when space is available. In order to attend, the instructor must grant permission (in advance as some classes or specific days may not be available), and a voucher must be purchased for each day (for insurance/liability purposes). Class schedule can be found at schedule.uwm.edu. Local professionals pay $11, and alumni and current dance majors pay $6 per class voucher. (Current dance majors must pay during summer only if not enrolled or cast in Dancemakers). Please mention your status at the PSOA Box Office prior to purchasing your voucher. The Box Office is located off the parking lot of the Zelazo Center, 2419 E. Kenwood Blvd (or at arts.uwm.edu/tickets).

**LAPTOP GUIDELINES** (for Undergraduate Dance Majors only)
Policy per the Undergraduate Catalog: Dance BA and BFA students are required to have a laptop computer (or comparable tablet) in their sophomore year. The hardware and software must meet or exceed the current departmental requirements. Students are strongly encouraged to have laptops when they enter the program.

STUDENT VIDEO PORTFOLIO REQUEST PROCEDURES
In order for students to get copies of any work they created or danced in as part of their time in UWM Dance Department, the following procedure must be followed.

1. Create list of desired works, including titles, choreographers, and performance or showing details. For instance, “Though the World...” choreographed by Ed Burgess on Winterdances in February 2009 OR “mypieceitle” choreographed by Jane Doe on Composition 1 Showing in December 2013. That list, as well as intended editing software, should be submitted via email to kpremeau@uwm.edu.

2. Choreographer Approval: Office staff will cross-check student request list with the database of choreographer permissions. Not all footage is permitted for student use, and some choreographers limit what students may do with the footage if it is available. Any limitations will be communicated to the students.

3. Office staff collects the appropriate footage, and converts it if necessary. This is a first-come, first-served process.

4. Scheduled Distribution: Student schedules a time to stop into the Dance Media Archives to retrieve the footage. At scheduled time, student brings flash drive, external hard drive or computer (must be Apple-compatible) and files are transferred. Alternate transfer methods used as necessary.

ACADEMIC HONESTY POLICY

The Board of Regents, Administrators, Faculty, Academic Staff and Students of the University of Wisconsin System believe that academic honesty and integrity are fundamental to the mission of higher education and of the UW System. The university has a responsibility to promote academic honesty and integrity and to develop procedures to deal effectively with the instance of academic dishonesty. Students who violate these standards will be confronted and must accept the consequences of their actions.
**GRIEVANCES: Department Mediator and Student Mediators**
The training of dance is highly disciplined and requires commitment on physical, intellectual and emotional levels for both students and faculty. As the UWM student population continues to become more culturally diverse, the Department of Dance has expanded its curriculum to include increasing diversity, different cultural genres, base training and pedagogy. This will itself require a deeper sensitivity and openness to various approaches to movement and the creative process from both our students and our faculty. There might be times when it will be necessary for a student to communicate outside of their instructor and/or assigned advisor regarding any multiplicity of issues within their stay in the department. It is hoped that many of these issues may not need to go as far as the Chairperson and can be resolved.

The Department Mediator will work with students, faculty and the Department Chair in creating a dialogue to address concerns, and create an atmosphere where communication can be fluid. Most importantly, the role of this position will be to reach resolution within the Department. If an internal resolution cannot be reached, then the Peck School of the Arts grievance policy will be followed.

Additionally, student mediators will be elected each year to serve as another method for resolving any issues that may occur.

**RESOLUTION PROCEDURE**
- **Step 1:** Student and/or Faculty must have first tried to meet to discuss issue at hand and seek resolution with the instructor.
- **Step 2:** If Step 1 does not resolve the issue then an appointment must be made with the Department Mediator. For this step, the party must set an appointment with the mediator, and provide a written document detailing the conflict and needed result. After which a form will be completed by the Mediator and placed into a confidential file by the Mediator. This file will be kept in the Mediator’s office and will not be placed into the individual’s personal files.
- **Step 3:** The Mediator will meet with the other party to gain insight of the other side of the issue.
- **Step 4:** If deemed necessary the Mediator will then meet with both parties to gain and understanding of the issues at hand and attempt clear resolution.
- **Step 5:** If resolution cannot be reached the Mediator will inform the Department Chair for resolution.

Dance is a calling that one hears throughout life. It takes a lifetime, then, to attend to all of the ways one can express oneself through this art form.

Our program seeks to bring forward the specific ways in which dance speaks to each of our students. We respect the individuality of each of our students while informing them of the standards of craftsmanship pertinent to their areas of study and interest.

Collectively, the interest of our Faculty is wide-ranging, and profoundly knowledgeable in a variety of skills. The example the Faculty sets for themselves, each other, and the students is one of self-discipline, diversity, versatility and continued personal development. This results in a hard working environment that speaks to the varied dance interests of each student while providing positive role modeling at the same time.

The Faculty is committed to our students seeking and finding their personal voice as interpreters, choreographers, and teachers.

Opportunity favors the prepared mind. That is what we do. We prepare our students to meet the demands of the opportunities that exist in the vast landscape that is the professional dance world.
