UNIVERSITY OF WISCONSIN-MILWAUKEE
DEPARTMENT OF BIOLOGICAL SCIENCES
2017 SCHOLARSHIP APPLICATION FORM

This application and all supporting material must be submitted by 12:00 NOON, FRIDAY, FEBRUARY 17, 2017 to the Department of Biological Sciences Main Office, Lapham Hall S181, biosci@uwm.edu.

You may apply for more than one award. Check all of the awards you are interested in. Please note that your application materials will be considered for other departmental awards for which you are eligible. Consult the attached sheet for descriptions of the awards and qualifications. Previous award recipients are eligible to apply.

To apply for an award:

1. Submit a brief statement (1 page, maximum) with this form that describes your goals, your outside activities, and your financial status. Your statement should also indicate if you will be a registered student at UWM during the next academic year. For the Ivy Balsam, discuss your contributions to conservation.

2. Graduate students should submit a curriculum vitae (1 page, maximum), which should include a description of your research publications and conference presentations.

3. Arrange to have one of your professors write a letter of recommendation for you. Have the letter sent to the Department of Biological Sciences Awards Committee. A letter of recommendation is not required for the graduate Ruth I. Walker Grant-in-Aid Award or the Clifford H. Mortimer Award.

4. Provide a copy of your transcript with your scholarship application submission.

Classification and Year: ______________________  Cumulative GPA: _________________________

Expected month/year of graduation: ____________  Major: ________________________________

Professor I have asked to write a letter of recommendation on my behalf: _________________________

I already have tuition scholarship support for the 2017-2018 academic year.  Yes    No

If yes, circle:   Fall Semester   Spring Semester

*Note: Tuition scholarships cannot be used for any other purpose and will not be awarded to students with concurrent tuition support from other scholarships.
The Department of Biological Sciences invites applications for scholarships in Biological and Environmental Sciences

DEADLINE: Completed forms and letters of support must be returned to the Department of Biological Sciences no later than 12:00 NOON, FRIDAY, FEBRUARY 17, 2017 for consideration.

The Awards Ceremony will be held in conjunction with the Biological Sciences Research Symposium on Friday, April 21, 2017 from 1:00pm-3:00pm, with refreshments starting at 1:00pm. Awardees are encouraged to invite relatives and friends to the ceremony.

***Please note that if you do receive an award, you are required to attend the Awards Ceremony***

Ruth I. Walker Awards:
- Tuition scholarships to continuing undergraduates majoring in Biological Sciences or Environmental Sciences. Two (2) scholarships for one (1) semester of resident undergraduate tuition.
- Awards to graduating seniors majoring in Biological Sciences or Environmental Sciences based on overall scholarship and/or an independent study project(s). Two (2) $500.00 awards to graduating seniors.
- Grants-in-Aid for undergraduates to pursue their academic or research activities. Two (2) $500.00 undergraduate study Grants-in-Aid Awards.
- Grants-in-Aid for graduate students to pursue their academic or research activities. Five (5) $1500.00 graduate study Grants-in-Aid Awards

Hutto-Erdman Conservation Scholarship:
- This award is given to undergraduates (Jr. standing or above) in Conservation or Environmental Studies. One (1) $500.00 scholarship will be awarded.

Raymond E. Hatcher Memorial Scholarship:
- Undergraduate (Jr. standing or above) and graduate students conducting research in Botany are eligible. One (1) $500.00 scholarship will be awarded.

Ivy Balsam-Milwaukee Audubon Society Award:
- Undergraduate (Sr. standing or above) and graduate students majoring in Biological Sciences or Environmental Studies. One (1) $345.00 scholarship will be awarded.

James D. Anthony Memorial Scholarship:
- Undergraduate (Jr. standing or above) and graduate students in Biological Sciences. Two (2) $500.00 scholarships will be awarded.

Clifford H. Mortimer Award:
- Graduate students in Limnology or related sciences are eligible for this award. Six (6) $1500.00 scholarships will be awarded.

Joseph G. Baier Memorial Scholarship:
- Undergraduate (Jr. standing or above) and graduate students studying in Biological Sciences with preference given to students actively engaged in thesis research in Immunology and Systematics. Two (2) $500.00 scholarships will be awarded.

James J. Magnino, M.D. Scholarship:
- Undergraduate (Jr. standing or above) and graduate students in Biological Sciences. Minimum GPA = 3.25. One (1) $500.00 scholarship will be awarded.
Louise Neitge Mather Scholarship:
- Awarded to a female graduate student, unless no female candidates are otherwise qualified, who is a Wisconsin resident as demonstrated by having graduated from a high school in the state of Wisconsin, is in need of financial assistance to continue studies at UWM, is a returning graduate student in good standing and is actively engaged in coursework or research and making progress toward degree completion.
  One (1) - $1200.00 scholarship will be awarded.

Robert Costello Botany Scholarship:
- Undergraduate students (Jr. standing or above) conducting research in Botany are eligible.
  One (1) scholarship for one (1) semester of resident undergraduate tuition.
