Make the LEAP with us!

Please join us on February 29, 2016 – leap day, of course – to share the impact the AACU’s Liberal Education & America’s Promise (LEAP) Initiative has had on UW-Whitewater and campuses across the UW System.

LEAP promotes skills and knowledge to help students of all backgrounds succeed in meaningful careers and prepare for citizenship in an increasingly diverse and globally connected society.

UW-Whitewater invites you to celebrate and share your LEAP successes — and glean the best strategies from your UW colleagues.

2016 LEAP Day highlights:

- Keynote speaker Carol Geary Schneider, president, AAC&U
- Concurrent sessions showcasing LEAP work at UW System campuses
- Poster session - proposals welcomed

What impact has LEAP had on your campus?

We welcome your proposals for sharing LEAP work from your campus.
