Revitalizing Milwaukee

There's a good chance the next big idea also will come from UWM...

UWM is significantly contributing to Wisconsin's economy, and I want that trend to continue. I look forward to working with the Board of Regents, the University of Wisconsin System and my colleagues in the Legislature to help UW-Milwaukee build on the success of our state investments to date.

UWM research helps Wisconsin thrive

By Alberta Darling

As the Board of Regents of the University of Wisconsin System meets at the UW-Milwaukee campus this week, it is important to recognize UWM's status as a "Research 1" university. Earlier this year, UWM was designated as one of only 115 "Research 1" doctoral universities in the country by the prestigious Carnegie...
Revitalizing Milwaukee

"Among revitalizing areas in Milwaukee linked to our research universities are Walker's Point, on Milwaukee's South Side, home to the new Global Water Center which houses water research facilities from UWM and Marquette University. The center is generating an excitement around research similar to what Silicon Valley produced in past decades."
