If you wish to bring your dependents with you while you engage in studies at UWM, you must be able to provide proof of additional funding in the amounts of: $3,500 for a spouse, $2,500 for the first child, and $2,000 for each additional child. This proof must be in the form of an attested letter or statement from your or your sponsor’s bank showing adequate funds available for one year. This letter or statement must reflect funds in a savings, CD or money market account. We do not accept proof of funding in the forms of assets or checking accounts. If the proof of funding that you have submitted for yourself is adequate to cover the minimum estimated expenses for your dependents, you do not have to submit additional proof of funding.
