APPLICATION INSTRUCTIONS

Global Scholars Program applicants are strongly encouraged to complete their application for admission by April 1 and their application for UWM Housing by April 30. Meeting these deadlines will increase the likelihood that you will receive housing in UWM’s residence halls.

Applying for Admission to UWM and to the Global Scholars Program:

1. Complete the Electronic Application (E-App) online (https://apply.wisconsin.edu/). Please follow the special instructions included on page 2 of this document.

2. Please scan and email all of the following documents at the same time to: globalscholars@uwm.edu.

   - Verification of Financial Support (see page 3, plus a bank statement).
   - Your most recent transcript from your home educational institution, including current enrollment.
   - A clear copy of your valid passport showing your photo and passport information.

3. If the sole language of instruction at your home institution is not English, request official TOEFL or IELTS test scores to be sent from the testing agency to UWM (school code 1473).

Applying for UWM Housing:

After you have been admitted to UWM and to the Global Scholars Program, you will receive an email message that will provide a web link to your MyHousing Portal. Please use this link to complete your emergency contact information, housing contract, and meal plan contract. Almost all UWM Housing options require you to share a room with a roommate. You will have the opportunity to identify preferences and special needs during the housing selection process.

We recommend that Global Scholars consider residing in one of UWM’s Living and Learning Communities (LLCs), such as the Local to Global: Where Cultures Connect LLC. Living and Learning Communities offer the opportunity to live and share learning experiences with students who share similar interests.
