What are we up to?
Welcome to the third issue of "On the Boards" from CDS! In this issue we are featuring projects from the last few months, new developments in our office, and a look at our next steps.

What is CDS?
Conservation Design Collaborative (CDS) is a small but mighty studio that provides various services to clients throughout the state of Wisconsin. Our services include conservation design and planning, digital design and graphic services, and project management.

On the Boards

Adaptive Reuse
Riverworks Development Corporation has been a long-time client of CDS. In 2009, we completed a preliminary design and presentation for the Safeway Building at the corner of Townsend and Holton. The building was being converted to mixed-use.

Conservation Design
Client: Tall Pines Conservancy
The Tall Pines Conservancy was interested in redeveloping a portion of their property for a new Nature Discovery Center. The project involved the design and construction of the center, as well as the development of nature trails.

UWM Accessibility
Client: University of Wisconsin - Milwaukee
The University of Wisconsin - Milwaukee was interested in improving accessibility on their campus. We worked on a project to improve ramps and general accessibility on campus.

KK River Bike Trail Opening
Client: 16th St. Community Health Center
The KK River Bike Trail was opened in 2014. We worked with the 16th St. Community Health Center to design and construct the trail.

Mounted Police Patrol
Client: City of Milwaukee Police Department
CDS worked with the City of Milwaukee Police Department to improve the design and construction of their new station.

Home Improvement Workshops
Client: Local Neighborhood Associations
The City of Milwaukee was interested in improving home improvement workshops for local residents. We worked on a project to design and construct the workshops.

From the Vaults...Safety Building

CDS has been designing and delivering projects for the city of Milwaukee for many years. We are proud to be a part of their community and committed to providing the best possible services.

Conservation Design Collaborative
CDS has been providing design services to clients throughout the state of Wisconsin. We are committed to providing excellent services and ensuring that our clients' needs are met.

Upcoming Events

Photoshop.  The skills they learned during this project will be used in future design and presentation work.

Client: CDS Staff: Kristy Stelter, Frank Zimmerman, Neel Chapagain
The CDS staff participated in a graphics workshop to learn new skills in Photoshop. This workshop was funded by the city of Milwaukee.
