What are we up to?
Welcome to our first issue of "On the Boards". It is printed to provide you with updates on our current projects and the interesting roles we are taking in improving neighborhoods.

What is CDS?
Community Design Solutions (CDS) is a 501(c)(3) non-profit, non-sectarian organization, with paid staff and a volunteer board, that provides innovative solutions to complex problems through research, demonstration, and education. We work in a wide variety of professions, helping those who serve communities in designing better places in which to live, work, and play in southeast Wisconsin and beyond. Our efforts are focused on the creation of vibrant, sustainable and equitable environments.

Oconomowoc Waterfront Plan
City of Oconomowoc: Waterfront Plan
CDS is working with the City of Oconomowoc to create a new Waterfront Plan. The goal is to develop a Waterfront Plan that will ensure the maintenance of essential services in the downtown area while encouraging the use of Waterfront Park.

Turkey Creek Housing
Ferryman Village: West Neighbors
CDS is working with the City of Oconomowoc to develop Turkey Creek Housing at Ferryman Village. The goal is to create a new housing development that will include multi-family housing and affordable housing.

Riverworks 2nd and Keefe
Riverworks partnered with the True Love Project to create the Riverworks 2nd and Keefe development. The goal is to create a new housing development that will include multi-family housing and affordable housing.

Did you know...
According to the U.S. Environmental Protection Agency, one mile driven = 1 lb of CO2 created.

City of Oconomowoc: Waterfront Plan

Masonic Temple
Missionary Baptist Church
The Downtown Waterfront plan enhances the lakefront and downtown connection. Our goal is to enhance the existing church and redevelop the Masonic Temple. Located in Milwaukee’s downtown Village Green to incorporate multi-use spaces for all residents to enjoy.
