About Friedens:

Friedens is a network of food pantries building ladders of peace throughout Milwaukee. We believe a dependable supply of food is a means of bringing hope and dignity to our community.

Friedens runs four pantries, but our mission runs quite deep and is reflected in everything we do. Providing food is simply our way of being a stable presence in the community. That means our mission includes helping end hunger insecurity, but we also reach out to the homeless, support local and sustainable food, assist community members in getting work experience, and offer hospitality, books and clothes to community members. For us, food is just the beginning in our effort to build ladders of peace.
