

Learning for Collective Impact

Paul Schmitz
Senior Advisor, Collective Impact Forum
@paulschmitz1

Activity One

Pair with someone you do not normally work with.

Identify 2 most powerful lessons/ insights and 1 challenge or concern you need to work on.

Activity Two

Share and record your insights, lessons, and challenges.

Identify 2 that you would like to discuss in your round.

Document any helpful ideas and insights.

Activity Three

Gather in groups based on issue areas.

- | | |
|-----------------------|--------------------------|
| Aging | Housing |
| Agriculture/Nutrition | K-12 Education (2) |
| Arts Education (2) | Natural Environment |
| Criminal Justice | Neighborhood Development |
| Employment | Racial Equity |
| Health Care (2) | Youth Development (2) |
| Higher Education | Funders |
| | Using Data |

Activity Three

Each person should bring one main recommendation to their team that will help it be more successful at Collective Impact

Make commitments about how you will work on members' recommendations

(Record recommendations and commitments)
