EnQuest is a one-week all girls introductory engineering summer camp that provides high school girls with a live-in college experience while working on a sustainable technology project. Campers will meet women engineers, learn engineering tools and their applications, take field trips and make new friends! Overnight supervision will be provided by female UW-Milwaukee engineering students who are excited to share the EnQuest experience.

APPLICATION & REGISTRATION form

Please complete this two-page form to apply to attend EnQuest Camp. A fee of $325 covers a portion of the camp costs. The additional costs for overnight accommodations in a shared double room, meals, entertainment, and workshop fees are paid for by the UW-Milwaukee College of Engineering and Applied Science and our sponsors.

A non-refundable registration deposit of $100 secures your spot in the camp and is due with your application. The remaining $225 fee is due along with required medical/permission forms at least two weeks prior to the camp start date.

Please mail a check (made payable to UWM) and your registration form to:

Chris Beimborn, EnQuest Coordinator
College of Engineering and Applied Science
University of Wisconsin-Milwaukee
PO Box 784
Milwaukee, WI 53201-0784

Deadline: The form and must be postmarked by June 1, 2017. You will receive an email confirmation upon receipt of your form.

Should your summer plans change so that you become unable to attend EnQuest, please notify UWM as early as possible - contact Chris Beimborn - chrisbe@uwm.edu, 414-788-0807
