
Guest: M. Krauski, College of Engineering

Minutes

1. Announcements and updates
   a. Mark updated the group on current budget information.
   b. The SFS Planning and Governance Committee will work with faculty, staff and the SFS APCC to prepare the annual School Planning document as requested by the Provost’s office.

2. The February 7, 2011 Faculty Meeting minutes were unanimously approved.

3. The relationship between SFS and the Water Council was discussed.

4. Organizational discussion continued from the last meeting. A motion to use Great Lakes WATER Institute as the name of the facility was made by S. McLellan, seconded by R. Goetz and unanimously approved.
