School of Freshwater Sciences  
December 9, 2011, 10-11:30 am  
SFS Classroom

MINUTES

1. Announcements
   - Campus Holiday party is Dec 13th
   - Retreat planning: Dec 19th afternoon

2. The Minutes of Nov. 11, 2011 faculty meeting were unanimously approved.

3. Tim Grundl made a motion to approve the authorization document for the genomic center provided there are sufficient resources to implement the center. In addition, the research committee will present a financial plan for the center at a faculty meeting in the spring semester. The motion was seconded by John Janssen and unanimously approved.
