

Diagnostic Medical Sonography Professional Training: ECHOCARDIOGRAPHY/VASCULAR

University of Wisconsin Hospital & Clinics (Madison, WI)

Students accepted into the University of Wisconsin Hospital & Clinics Echocardiography program follow the two-year curriculum outlined below. Students enroll in these courses through the UWM enrollment appointment registration system (PAWS). Students enroll through PAWS each semester and select the lecture (LEC) and clinical education (FLD) sections identified "UW Hospital & Clinics". Unless a student is officially enrolled in the required professional training courses each semester through UWM, they will not be allowed in the hospital setting.

When registering for UW Hospital & Clinic courses use LEC 103 or FLD 903 (clinical education)
