Digital Camera Policies

- I agree to pay the overdue fine of **$5.00/hour per part**, if I fail to return the Digital Camera or its accessories to the Media and Reserve Library’s desk on time. Fines accrue every hour regardless of the hours the Media and Reserve Library is open.

- I understand that while this Digital Camera is in my possession, I am responsible for it at all times. I WILL NOT LOAN THE DIGITAL CAMERA TO ANYONE ELSE. I will NOT leave the Digital Camera unattended. Digital Cameras MUST be returned ONLY to the Media and Reserve Library.

- I will immediately report any loss or damage of the Digital Camera or its accessories to the Media and Reserve Library. I agree to pay all costs associated with damage to, loss of, or theft of the Digital Camera and its accessories (up to the **$600.00** replacement and processing fee) while it is checked out to me. I will return the equipment clean and free of foreign substances or risk being charged an equipment cleaning fee.

- Library Digital Cameras are for educational and research purposes, and I will abide by the Student Code of Conduct and all other applicable UWM policies. The Digital Cameras may not be used for illegal activities including, but not limited to: disruption of other users/services/equipment and harassment.

- I agree that the Library is not responsible for any loss of or damage to, camera files during the Digital Camera loan period. **ALL RECORDINGS MUST DOWNLOADED prior to the return of the camera. ***Memory is erased upon return.**

- All Digital Cameras must be returned ONE hour (60 minutes) before the Media and Reserve Library closes.

- I will not leave the Digital Camera on the Media and Reserve Library desk unless a staff member is present. I will wait for Library staff as they fulfill obligations to inventory component, test Digital Camera operations, and provide me with a receipt if requested.

- Borrowers should be proficient in the use of the hardware/software they plan to access. Library staff does not provide assistance in the use of either hardware or software.

- I acknowledge that all equipment has been examined by library staff prior to checkout and that only complete and functioning equipment and accessories will be circulated to me. I will perform an inspection myself before leaving with any borrowed equipment, to ensure that everything is functioning properly.

The UWM Libraries are pleased to make Canon Vixia HD Digital Cameras available for use by current UWM students, faculty and staff with their current, valid UWM ID. The Digital Camera is equipped with still photo and camcorder capability. The Digital Camera comes with a carrying case, AC Power Supply, USB cable and HDMI cable.

**Getting Started**

- Open the LCD panel on the left side of the camera. Press on/off button if the camera does not power on automatically.
- Open the lens cover by moving the lens cover switch located above the strap by the lens. **Make sure to close the lens cover before returning the camera to the bag to avoid damage.**
- The LCD panel is a touch screen – please handle with care.

**ZOOM**

- Use the zoom lever on top of the camera to Zoom In (Tight shot) or Zoom Out (Wide shot) or the zoom buttons on the bottom of the LCD screen.

**PHOTOS**

- Tap [Photo] on the LCD screen to take a photo.

**BATTERY AND AC POWER**

- The camera battery should last approximately 2 hours. Some activities will deplete the battery more quickly. When the battery is running low, a warning message will appear.
- To charge the battery, turn the camera off and plug the power supply in to the side of the camera under the strap.

**UPLOADING**

- AC power supply **MUST BE PLUGGED IN** first before uploading video/photos.
- Connect the camcorder to the computer using the supplied USB cable.
- Press the Play Button (located on the side facing the LCD panel – bottom square button beneath the ON/OFF button)
