Greetings!
We invite you to join or renew your membership in the Map Society of Wisconsin for 2015-2016. Our membership year runs from September 1 to August 31 of the following year, and we have some great programs already scheduled: **September 20, 2015** – Wisconsin author Melanie McCalmont, speaking about the AGS Library’s 1893 relief model of Palestine and other 19th century 3D maps, and **November 8, 2015** – AGS Library Curator Marcy Bidney, who will talk about celestial mapping. With exact date TBD, we will also have **Prof. Matthew Edney**, Director, History of Cartography Project at UW-Madison, speaking about the History of Cartography Project with emphasis on the recently published Vol. 6, “Cartography in the 20th Century.” Additional programs are being planned!

Your membership dues not only enable us to offer a variety of programs by interesting speakers, but also provide support to the AGS Library for new acquisitions and for needed conservation treatment of rare materials. Our meetings also give you a chance to meet and socialize with fellow map enthusiasts. All Map Society events are open to the public, so we encourage you to bring interested friends along.

We appreciate your support--your membership is what makes the Map Society of Wisconsin possible!
