**Trainer:** Luke Waldo

**Target Audience:** home visitors and other family support professionals

**Description:**
This session is a follow up to the Healthy Moms, Happy Babies training session and will further expand your knowledge and apply the information learned in that session. Participants will learn more in-depth skills and strategies for safety planning with families in which potential risk is present. This session will also focus on the role of the home visitor and how to assess the situation for ongoing safety of both the family and visitor.

**Prerequisites:**
Participants must complete “Domestic Violence: Healthy Moms; Happy Babies” prior to registering
