**Trainer:** Alison Sergio and Sarah Halstead

**Target Audience:** WI home visitors, parent educators & other family support professionals

**Participants will learn:**
- Become more aware of the effects of domestic violence on women, children, and families and how to have discussions with parents about this impact.
- Describe the role of the home visitor in assisting with safety planning and providing supported referrals to domestic violence programs.
- Identify strategies to integrate routine screening for domestic violence during home visits.
- Develop understanding and ease in using the resource tools available to support conversations around parenting and domestic violence.

**Core Competency Areas:**
5: Health and Safety
