**Trainer:** Staci Sontoski and Lana Neinde

**Target Audience:** Home visitors, family support professionals and other early childhood professionals.

**Description:**
This session will provide information on early childhood development with a focus on ages birth to three years with an emphasis on understanding the social emotional aspects of development and their impact on the developing child.

**Objectives:**
- Increase understanding of social emotional development in infants and toddlers
- Understand attachment in early childhood, and the implications for child development
- Explore concepts of temperament and goodness of fit
- Increase understanding of infant cues and early childhood regulation
