 Milwaukee Area Technical College to UW-Milwaukee Transfer Guide

School or College: College Health Sciences
Major: Medical Laboratory Science

Application Information

- Submit a UW-System Application online or mail to the Office of Undergraduate Admissions, P.O. Box 413, Milwaukee, WI 53201
  - Priority Application Deadline for Fall: July 1st
  - Priority Application Deadline for Spring: December 1st

- Submit all appropriate transcripts to the Office of Undergraduate Admissions, P.O. Box 749, Milwaukee, WI 53201
  - Include Official High School transcripts and/or GED/HSED score report
  - Include all post-secondary transcripts

Articulation Agreement: Program to Program Transfer Conditions from Medical Lab Technician at MATC to Medical Lab Science at UWM

Students who have or will receive an Associate Degree as a Medical Laboratory Technician from MATC in March 2014 or later are eligible to transfer as a junior into the UWM Medical Lab Science Program. Review the following with a MATC Transfer Specialist:

- The student must earn their MATC Associate Degree within 5 years of acceptance at UWM
- If the student began undergraduate work in fall 2013 or later, they must complete the Part B Competency Requirements of the General Education Requirements (KIN 270 satisfies Quantitative Literacy Part B; ENG 207 satisfies Oral/Written Communication)
- The student has passed the ASCP-BOC MLT examination
- Transfer equivalencies below are only accepted for transfer students in the Medical Lab Science program
- Transfer equivalencies below are subject to change in the event that the curricula of MATC or UWM undergoes revision

- UWM Medical Lab Science program requirements BIO SCI 203 and BIO SCI 383 will be waived as part of the Agreement
- Students can transfer a maximum of 72 credits, including College Parallel credits, from MATC to UWM (excluding credits gained by examination) with a maximum transfer of 11 General Studies course credits and 19 Technical Studies course credits
- Students who wish to transfer must also complete the UWM General Education Requirements
- All current MATC-to-UWM transfer equivalencies are posted in the UWM Transfer Equivalency Database at ted.uwm.edu

### Challenge Exams

Students may have acquired course competencies through job training or other prior learning. Challenge exams provide program faculty a means to assess and document such learning. A total of 14 credits may be granted for the following UWM courses:

- BMS 427: Clinical Immunology (3 credits)
- BMS 431: Clinical Chemistry (3 credits)
- BMS 530: Blood Bank (3 credits)
- BMS 534: Medical Microbiology (3 credits)
- BMS 537: Medical Parasitology & Mycology (2 credits)
