School or College  School of Architecture and Urban Planning (SARUP)
Major  Architecture

Application Information

- Submit a UW-System Application online or mail to the Office of Undergraduate Admissions, P.O. Box 413, Milwaukee, WI 53201
  - Priority Application Deadline for Fall: April 1st
  - Priority Application Deadline for Spring: November 1st
- Submit all appropriate transcripts to the Office of Undergraduate Admissions, P.O. Box 749, Milwaukee, WI 53201
  - Include Official High School transcripts and/or GED/HSED score report
  - Include all post-secondary transcripts

Articulation Agreement: Program to Program Transfer Conditions from Architectural Technician at MATC to Architectural Studies at UWM

The articulation agreement affords those students transferring from the Architectural Technician Program at MATC to the UWM SARUP to be given full credit for architectural technician courses taken. In addition, students will be granted credit accordingly for the UWM courses specified below. A maximum of 72 credits can be transferred from MATC to UWM.

- To transfer, the student must meet General Education Requirements and Level I requirements of SARUP:
  - Students must complete the equivalent of English 102 and the equivalent of Math 105 and Math 117 with a grade C or better
  - Students must satisfactorily complete a college-level physics course equivalent to Physics 100, 107, 120 or higher
  - Students must earn a minimum grade point average of 2.50 on at least 24 credits of transferable MATC coursework
- Completion of SARUP Level I requirements does not guarantee admission to the Level 2 program of study, which also requires a minimum grade point average of 2.75 in both the overall college record and required Level I architecture courses. Students must also pass a portfolio review. If you are granted Level 2 acceptance, ARCH 200 and ARCH 201 will be waived for you.
- Course equivalencies above are only accepted for transfer students in the Architecture program and are subject to change in the event that the curricula of MATC or UWM undergoes revision.
- The agreement may not apply to students who completed coursework at SARUP prior to enrolling at MATC.
### MATC to UWM: Architecture Course Equivalencies

In addition to coursework in Architecture, all degree seeking students of UWM must also complete General Education Requirements. Work with your MATC Transfer Specialist to select courses that satisfy the GER while you are receiving your Associate Degree.

¹ 614-178 is worth for 4 credits at MATC. The course is transferred to UWM as a 3 credit ARCH 300+ elective.

² 614-113 and 614-114 are each worth 2 credits at MATC. The courses must be taken together, and are transferred to UWM as the 3 credit ARCH 382.
