

MARIAN DRAKE BRESKVAR SCHOLARSHIP
University of Wisconsin-Milwaukee
2018-2019 Academic Year

The UWM Foundation is pleased to encourage current UW-Milwaukee students in their academic endeavors through the following scholarship. This scholarship is intended for students who are confirmed to have attained junior standing or above at the start of the 2018-2019 academic year, and is open to all majors. Funds are to be applied toward the cost of Wisconsin resident tuition for recipients who will continue full-time in an eligible UWM Bachelor's or Master's program. This scholarship *is not intended for PhD candidates*.

Number and Value: Two scholarships are available, valued at 50% of annual full-time tuition (regular tuition and segregated fees, excluding differential tuition charges, on-line course fees, tuition surcharges, and special course fees). Tuition rate schedules for 2018-19 will be available this summer.

Conditions for Renewal: Scholarships will be disbursed on a semester basis and are renewable for a maximum of two additional semesters (three semesters total, excluding Summer and UWinterIM) upon verification of continued full-time enrollment and a cumulative GPA of at least 3.00 in an undergraduate or Master's degree program.

***Eligibility Requirements:**

1. Must be enrolled full-time *at UWM* in the 2018 Spring term (12 undergraduate credits / 8 graduate credits).
2. Must have registered full-time for the 2018 fall term with junior, senior or Master's level standing no later than June 1, 2018. Current UWM sophomores who wish to apply should expect to attain junior status after all spring grades are posted. Master's students must enroll in 8 or more credits to be considered full-time.
3. Must have a minimum 3.00 cumulative GPA. (Spring semester grades will be reviewed to verify eligibility).
4. Must have demonstrated financial need. Completion of the 2018-2019 Free Application for Federal Student Aid (FAFSA) by this application's deadline date is recommended (with release to UW-Milwaukee's school code 003896). FAFSA results will be reviewed as a standard measure of financial need.
5. Must be a legal resident of Wisconsin (and must have Wisconsin resident status for tuition purposes).
6. Preference will be given to students who are currently employed and students who have worked in order to contribute toward the cost of their tuition and other educational expenses.
7. *Due to the highly competitive nature of this scholarship, preference may be given to students with a cumulative GPA of 3.70 or higher (if all other qualifications are equal). Undergraduates enrolled in a first Bachelor's program and graduate students who hold a Bachelor's degree from UWM may also be given preference. ***This application may be used to match well-qualified undergraduate students with other available scholarships administered by the Financial Aid Department for the 2018-19 academic year.***
