Escape to Hawaii with a UWM Manfred Olson Planetarium Special Event

MILWAUKEE (Feb. 25, 2017) – Escape to the beaches, rainforests, and volcanoes of Hawaii for spring break with our special event, Lei Under the Stars: A Hawaiian Escape. Explore the rich culture and geography of the islands through music, tropical flowers, multimedia, indoor stargazing, and non-alcoholic drinks all for only $4. The show will be held in the UWM Planetarium from 7:00 to 8:00 p.m. on March 15, 16 and 17, 2017.

Those interested in the event can obtain additional information about parking and directions at the UWM Planetarium’s website, planetarium.uwm.edu. Please note the UWM planetarium is wheelchair accessible and that these shows are not suggested for children under the age of four. The planetarium is open to the public.

About the UWM Planetarium

The UWM Manfred Olson Planetarium is located on 1900 East Kenwood Boulevard in the Physics building on the corner of Kenwood Boulevard and Cramer Street. As a Center for astronomy education and appreciation with over 10,000 visitors annually, a variety of programs are available for the general public including AstroBreak and Friday Night Shows, as well as stargazing on select evenings throughout the year. School and private group visits are also available. Please see our website for details on all our programs.
