MATC Human Services Associate (A.A.S.) to UWM Bachelor of Science (Social Work)

RATIONALE: MATC offers a two-year degree that focuses on preparing students for employment in schools, social service, or community corrections agencies specializing in providing assistance to individuals and/or groups of individuals. The University of Wisconsin-Milwaukee's baccalaureate degree program in social work seeks to enhance students' understanding of the role of social work in society and the ways in which social forces shape the quality of service provided by the social service system. A bachelor's degree has become necessary for social workers to function in that capacity and be certified by the State of Wisconsin.

Many Milwaukee area students interested in careers in social work begin at MATC in order to move quickly into human service jobs, but later discover that they are interested in pursuing a bachelor's degree. This articulation agreement formally recognizes the transfer of credits from the MATC Human Services associate degree program and outlines an efficient path to baccalaureate degree completion at UWM.

I. MATC Human Service courses will transfer to the social work program at UWM as follows:

²3 credits prior to Fall 2012; 2 credits beginning Fall 2012

³Course discontinued effective Fall 2012

II. Transfer of additional MATC General Education Courses

Some additional UWM degree requirements may be satisfied by MATC General Education courses at the 200 level. The summary table which follows includes some of the options available to students who wish to complete the maximum number of transferrable courses at MATC prior to transfer. See the UW Transfer Information System (www.uwsa.edu/tis) for additional detail about how MATC college-parallel courses transfer to UWM.

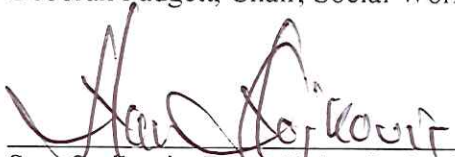

III. Additional Conditions:

1. Acceptance into the UWM program is based upon academic and non-academic criteria determined by the Helen Bader School of Social Welfare.
2. The UWM baccalaureate candidate must meet UWM's General Education and Cultural Diversity Requirements, and the Helen Bader School of Social Welfare's degree requirements.
3. Program-to-Program transfer courses/credits are accepted only for the degree specified in this agreement. A change of major invalidates these courses/credits for transfer unless they are approved within some other Program-to-Program Articulation Agreement for a different major at UWM.
4. Course equivalencies used in this articulation agreement are subject to change in the event that the course curriculum of the Human Services Associate Program undergoes revision.
5. Human Services courses must be posted on official transcript in order for students to receive credits from the agreement.
6. The maximum number of credits that can be transferred from MATC to UWM is 72.
7. Social Work majors must meet University of Wisconsin-Milwaukee requirements for admission, including a 2.0 cumulative grade point average on transferable credits. Admission to UWM does NOT guarantee admission to the Social Work program in the UWM Helen Bader School of Social Welfare.
8. This articulation agreement is effective for courses taken as of September 1, 2005 or later. Courses completed prior to that date would transfer according to prior transfer equivalencies.

APPROVALS:

Deborah Padgett, Chair, Social Work Department, UWM

Stan Stojkovic, Dean, Helen Bader School of Social Welfare, UWM

Carl Morency, Associate Dean, Liberal Arts and Science, MATC

Wilma Bonaparte, Interim Dean, Liberal Arts and Science, MATC

EFFECTIVE DATE: This agreement is effective as of the date of signing and covers courses completed during the Fall 2005 semester and thereafter.
