JOURNALISM, ADVERTISING, AND MEDIA STUDIES

Evaluations must be brought in as a set each semester. All evaluations you wish to have scanned and reported as a group must be dropped off at the same time. Evaluations for the same semester that are dropped off at a later date, may not be included in the overall group statistics.

1. Drop off evaluations at the front desk in the Testing Center, Mellencamp B28 along with a completed Evaluation Processing Form providing the requested information.
2. Each envelope should be clearly labeled with the instructor's name and course number on the outside of the envelope.
3. JAMS custom forms(#273748) must be used. The forms must be filled in with the required information using a #2 pencil. The information must be filled in accurately to produce accurate results. Sheets should all face the same direction with no creases.
4. Statistical reports are placed on Pantherfile for access.

Please plan on allowing three weeks for the processing of all evaluations. If the required / agreed upon format is not followed, the evals will be returned for correction. If there are minor discrepancies the process may take longer than the three-week turn around time. If you are planning to change the format of your department evaluations, for example adding or deleting questions, you must contact Lisa Fugina in the Testing Center at x6388 the semester prior to implementation.

Thank you for your cooperation.
