**2** You must place money on your Gold Account in advance of the service being rendered. Payments may be made in person at PantherCard Services. Additional prepaid units may be purchased at any time during the year. Gold Account balances remain open as long as the card owner remains a member of the University community. Please include your name and 11 digit PantherCard I.D. number on the check.

Please submit this completed contract with your check payable to:

UWM PantherCard Services (Union 161)

**3** The PantherCard must be presented to the participating unit cashier. Each time the card owner makes a purchase, the cashier will deduct the amount of the purchase from the card by placing it in the register and recording the amount. Your balance can be checked at the time of purchase at any register or at anytime at the website: [get.cbord.com/uwmilwaukee](http://get.cbord.com/uwmilwaukee).

The PantherCard is nontransferable. Only the rightful owner pictured on the card would be eligible to use the card. Cashiers who are presented with a card by someone other than the owner will confiscate the card and refuse use to the person who presented the card.

The card owner should report a lost card on the website: [get.cbord.com/uwmilwaukee](http://get.cbord.com/uwmilwaukee).
