Who we are

The Osher Lifelong Learning Institute at the University of Wisconsin-Milwaukee is a membership organization where older adults, 50 and over, satisfy their curiosity by learning together in a unique, highly social environment. Becoming a member means joining over 1600 enthusiastic peers in enjoying stimulating conversation and challenging learning without tests or grades.

The Institute is a program of the UWM School of Continuing Education. It is 1 of 120 institutes around the United States, at universities from Maine to Hawaii. Although most members are retired, you do not have to be a retiree to join. Nor do you need to be a UWM graduate or otherwise associated with a university to join. People from all educational backgrounds are welcome! The only requirements are a desire to learn and a willingness to participate.

Benefits

Membership in the Osher Lifelong Learning Institute provides a number of exclusive benefits. An annual membership fee entitles members to over 400 educational programs annually, members-only travel, weekly reminder emails, access to the Golda Meir Library and the opportunity to make new friends with common interests.

What we offer

Short Courses are two- to five-week sessions and **Osher Talks** are one-time offerings: both focus on various topics such as the arts, literature, ethics, law, politics, religion, history and health care. Programs are taught by UWM faculty, Osher members and other noted experts and professionals in the community.

Special Interest Groups meet regularly for self-guided study. They are offered in such fields as languages (French, Italian, German and Spanish), history, books and current events.

Go Explore programs are day-long or half-day excursions to some of the most interesting places in Milwaukee, Wisconsin and Chicago.

Educational Travel and Tours, that combine the perfect blend of educational, leisure and social activities, take members to remarkable locations around the world.

Social Activities include the Holiday Gala, Spring Luncheon, Instructor Meet and Greet and complimentary coffee in the Osher social room.

Weekly Reminder Emails about upcoming Osher events and other opportunities at UWM and in the community.

UWM Library Privileges offer an outstanding community resource. Osher members may apply for a complimentary Gold Meir Library card.

Meet New Friends who share the love of learning and keep in touch through class discussions, shared experiences and other networking opportunities.
