**Note:**
Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document, and does not constitute that those whose names appear have completed degree requirements.
Welcome to the 113th University of Wisconsin-Milwaukee Commencement.

This is the day to recognize our graduating students’ academic effort and significant personal commitment. As you look around, you can appreciate our need for the size of the UWM Panther Arena. Gathered together, we look every bit like the university that enrolls more Wisconsin residents than any other.

As we celebrate our graduates, we can also look to these remarkable individuals with a great sense of hope. For some, the work and impact of a university is viewed as complete when students conclude their studies. This is not the case at UWM. Our students, alumni, faculty and staff are engaged in lifelong discovery and collaboration with area businesses, industries, community and non-profit organizations, and other educational institutions. These partnerships lead to – and create – more jobs throughout the region for our students after they graduate. You’ve set the bar higher for new levels of cooperation, innovation and entrepreneurship. An academic degree brings newfound opportunities and benefits to both the recipient and the wider community.

On behalf of the UWM faculty and staff, I congratulate all of today’s graduating students. They are the final members of our Class of 2015. When combined with those who preceded them in May, the Class of 2015 is well over 5,000 students.

To all of our guests here to witness today’s event, I thank you for supporting your adult child, relative, spouse, partner, or friend. And to all our graduates, I offer my best wishes in all of your endeavors. Please keep us apprised of your many successes.

Best regards and congratulations,

Mark A. Mone
Chancellor
The Story of the UWM Seal

Official ceremonially activities and actions of the University of Wisconsin-Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for prep classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin-Milwaukee began in the fall of 1956.
The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

1885  Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
1892  University of Wisconsin offers day and evening classes in Milwaukee
1909  With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
1920  The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
1927  Normal school becomes Milwaukee State Teachers College with 4-year degree
1928  UW Extension opens Milwaukee Center downtown
1951  Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
1956  WSC & UW Milwaukee Extension merge to form UWM
1961  The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
1963  UWM offers first PhD degree, in mathematics
1964  UWM buys Milwaukee-Downer College buildings, expands campus
1965  UWM purchases the 6.3-acre Milwaukee University School campus
1970  Three residence towers, collectively called Sandburg Halls, open for student housing
1988  UW System designates eight Centers of Excellence at UWM
1995  Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
2000  UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
2001  Governor announces honors academy at UWM
2002  Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
2005  Men’s basketball team advances to Sweet 16 in NCAA Tournament.
2006  $100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men’s and women’s basketball teams both advance to NCAA Tournament.
2008  Campaign for UWM is completed more than a year early with $125 million pledged to the university.
2010  The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the ’30’s, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.
**CHANCELLOR’S MEDALLION**

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM’s future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor’s Medallion is full of symbolism specific to UWM.

**THE MEANING OF ACADEMIC REGALIA**

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

**Styles and colors** had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

**The academic hood** is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

- BLUE VIOLET — Architecture
- WHITE — Art
- BROWN — Art/Dance/Drama
- BEIGE — Business Administration
- LIGHT BLUE — Education
- ORANGE — Engineering/Computer Science
- PEACOCK — Human Resources & Labor Relations
- LEMON — Library & Information Science
- PINK — Music
- APRICOT — Nursing
- GOLD — Science
- CITRON — Social Work/Criminal Justice

**Honors:** The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

   President of The Harley-Davidson Foundation

CONFERRAL OF ACADEMIC DEGREES
   Mark A. Mone, Chancellor
   University of Wisconsin-Milwaukee

RECESSIONAL
   Audience please remain seated during Recessional
TONIT M. CALAWAY
Vice President, Human Resources of Harley-Davidson, Inc.
President of The Harley-Davidson Foundation

TONIT M. CALAWAY has been with Harley-Davidson for nearly 17 years and was promoted to her current position in 2010. She reports to the CEO and works with the Human Resources Committee of the company’s Board of Directors. Calaway is responsible for supervising approximately 200 human resources employees worldwide and guiding company-wide leadership development, compensation and benefits, labor relations and diversity.

Calaway joined Harley-Davidson in 1998 as an attorney. As Associate General Counsel-Motor Company Operations, she handled a variety of contract and securities matters for the company. She was promoted to Assistant General Counsel/Chief Compliance Counsel and Assistant Secretary, where she was head of the company’s Compliance Department and lead securities counsel responsible for preparing the company’s notice of annual meeting and proxy statement and certain sections of the annual report, as well as certain filings with the U.S. Securities and Exchange Commission. Calaway also has been a member of the company’s Disclosure and Sarbanes-Oxley Steering Committee.

Calaway was named to Savoy magazine’s list of Top Influential African-American Women in Corporate America for 2013 and was named a Woman of Influence by the Milwaukee Business Journal in 2014.

Calaway serves on the Operating Board of Froedtert Health and on its Leadership Development and Compensation Committee. She also serves on three nonprofit boards – the Boys and Girls Clubs of Greater Milwaukee, the Black Arts Think Tank and Milwaukee College Prep. As President of The Harley-Davidson Foundation, she also represents the company on the Greater Milwaukee Committee, which coordinates the region’s economic development efforts.

Calaway’s expertise is in talent management, labor, employment and securities and related management issues. In 2010-11, Calaway led the team that negotiated several labor contracts critical to maintaining the competitiveness of Harley-Davidson’s manufacturing operations. She currently oversees the company’s U.S. and global workforce, which includes extensive foreign and domestic travel.

She is passionate about improving the training and capabilities of American workers and expanding these efforts globally.

Calaway is a graduate of the University of Wisconsin-Milwaukee and the University of Chicago Law School. Prior to Harley-Davidson, Calaway worked for two large Milwaukee law firms, Davis & Kuelthau, S.C. and Godfrey & Kahn, S.C. She is lifelong resident of Milwaukee where she lives with her two children and husband, David Swanson, an attorney and Milwaukee County Circuit Court judge.
DOCTORAL DEGREES

GRADUATE SCHOOL
Marija Gajdardziska-Josifovska
Dean of the Graduate School

*Indicates August 2015 Graduate

DOCTOR OF PHILOSOPHY

ANTHROPOLOGY

*Anika Y Jones
Major Professor: Erica Bornstein

Katy J Mollerud
“The Cambria Connection: Identifying Ceramic Production and Community Interaction in Late Prehistoric Minnesota, A.D. 1050 – 1300”
Major Professor: John Richards
