Education Specialist Degrees ............................................................. 21
Master’s Degrees ............................................................................. 22
Baccalaureate Degree Candidates .................................................. 29

**Note:**
Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document, and does not constitute that those whose names appear have completed degree requirements.
We live in difficult economic times. Most of us have not before seen double-digit unemployment rates, declining home values and increasing reliance on social services agencies and nonprofit agencies.

In recent months, though, we have seen positive perspectives about the economy and the future. Fortunately, some of this news applies directly to the University of Wisconsin–Milwaukee graduates that we gather to celebrate and congratulate today. The National Association of Colleges and Employers says employers plan to hire 5.3 percent more new college graduates in 2009-2010 than they did in 2008-2009.

Standing ready to help our graduates find those jobs is UWM’s Career Development Center, www.cdc.uwm.edu – a resource that I hope our graduates will use in the years ahead. The center provides insights on the job market and how to examine and explore opportunities that exist, prepare and promote oneself, and find the right employer or appropriate university (for those considering graduate or professional school).

But those ideas are for the days ahead. Today, we must pause to celebrate the degrees that have been earned by thousands of UWM students and thank everyone who has supported our students along the way.

To all family and friends with us today, I thank you for attending our ceremony.

To all of our graduates, I offer on behalf of the UWM faculty and staff our congratulations and best wishes. There is a world of opportunity out there that needs the insights and intelligence gained here at the University of Wisconsin–Milwaukee. I know you will use that knowledge well.

Sincerely,

Carlos E. Santiago
Chancellor
THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.
A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

1885 Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
1892 University of Wisconsin offers day and evening classes in Milwaukee
1909 With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
1920 The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
1927 Normal school becomes Milwaukee State Teachers College with 4-year degree
1928 UW Extension opens Milwaukee Center downtown
1951 Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
1956 WSC & UW Milwaukee Extension merge to form UWM
1961 The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
1963 UWM offers first PhD degree, in mathematics
1964 UWM buys Milwaukee-Downer College buildings, expands campus
1965 UWM purchases the 6.3-acre Milwaukee University School campus
1970 Three residence towers, collectively called Sandburg Halls, open for student housing
1988 UW System designates eight Centers of Excellence at UWM
1995 Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
2000 UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
2001 Governor announces honors academy at UWM
2002 Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
2005 Men’s basketball team advances to Sweet 16 in NCAA Tournament.
2006 $100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men’s and women’s basketball teams both advance to NCAA Tournament.
2008 Campaign for UWM is completed more than a year early with $125 million pledged to the university.

By the start of the 20th century, the school had expanded to offer programs in the liberal arts and science as well as education. By the ’30’s, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 84 undergraduate programs, 49 masters and 29 doctoral degrees.
CHANCELLOR’S MEDALLION

The medallion worn by the Chancellor in today’s ceremony was commissioned by the UW–Milwaukee Alumni Association. The medallion is a representation of UWM’s seal, based on a rendering by alumnus John Thiel of Thiel Design. The neck ribbons are in university colors: black and gold.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

- BLUE VIOLET—Architecture
- WHITE—Art
- BROWN—Art/Dance/Drama
- BEIGE—Business Administration
- LIGHT BLUE—Education
- ORANGE—Engineering/Computer Science
- PEACOCK—Human Resources and Labor Relations
- LEMON—Library & Information Science
- PINK—Music
- APRICOT—Nursing
- GOLD—Science
- CITRON—Social Work/Criminal Justice

Honors: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

Marshals wear the gold cap and gown. They are responsible for leading the degree candidates in the processional marches and for keeping order throughout the ceremony.
UNIVERSITY OFFICIALS

BOARD OF REGENTS OF THE UNIVERSITY OF WISCONSIN SYSTEM
CHARLES PRUITT
President

THE UNIVERSITY OF WISCONSIN SYSTEM
KEVIN P. REILLY
President

THE UNIVERSITY OF WISCONSIN–MILWAUKEE CHANCELLOR’S EXECUTIVE STAFF

DAVID H. GILBERT
Senior Advisor to the Chancellor; President-UWM Foundation

JAMES W. HILL
Interim Vice Chancellor-Student Affairs

THOMAS P. LULJAK
Vice Chancellor-University Relations and Communications

JOAN M. PRINCE
Vice Chancellor-Partnerships & Innovation

COLIN G. SCANES
Vice Chancellor-Research and Economic Development

TRUDY R. TURNER
Secretary of the University
ACADEMIC DEANS COUNCIL

ROBERT GREENSTREET
    Dean, School of Architecture & Urban Planning

WADE HOBGOOD
    Dean, Peck School of the Arts

TIMOTHY L. SMUNT
    Dean, Sheldon B. Lubar School of Business

PATRICIA M. ARREDONDO
    Interim Dean, School of Continuing Education

ALFONZO THURMAN
    Dean, School of Education

MICHAEL R. LOVELL
    Dean, College of Engineering & Applied Science

MARK T. HARRIS
    Acting Dean, School of Freshwater Sciences

COLIN G. SCANES
    Dean, Graduate School

CHUKUKA S. ENWEMEKA
    Dean, College of Health Sciences

HOPE A. OLSON
    Acting Dean, School of Information Studies

G. RICHARD MEADOWS
    Dean, College of Letters & Science

SALLY P. LUNDEEN
    Dean, College of Nursing

STEPHEN L. PERCY
    Acting Dean, School of Public Health

STAN STOJKOVIC
    Dean, Helen Bader School of Social Welfare
BLACK AND GOLD COMMENCEMENT Ceremonies Speaker

RICHARD A. MEEUSEN
Chairman of the Board, President and Chief Executive Officer
Badger Meter Inc.

Richard A. Meeusen graduated from the University of Wisconsin-Whitewater in 1976 with a BBA in accounting. He immediately joined the audit division of the Milwaukee office of Arthur Andersen & Co. He received his CPA certificate in 1978. In 1988, he became vice president of finance and treasurer of Zenith Sintered Products, Inc., a powder metal parts manufacturer located in Germantown. Mr. Meeusen received his MBA from the Kellogg Graduate School of Management at Northwestern University in 1995. He joined Badger Meter, Inc., in 1995 as vice president-finance and chief financial officer. In April 2002 he was elected president and chief executive officer and was elected chairman in April 2004.

Mr. Meeusen is currently a director of Menasha Corporation, a consumer packaging company. He is a past director of Waukesha Foundry, Town Bank and State Financial Services Corporation.

In his volunteer activities, Mr. Meeusen serves on the boards of Goodwill Industries of Southeastern Wisconsin, Inc., the Greater Milwaukee Committee, the Milwaukee County Council Boy Scouts of America, the Milwaukee Public Museum, The Nature Conservancy and the United Performing Arts Fund. He also serves as co-chair of the Milwaukee 7 Water Council which seeks to align this region’s freshwater research community (including UWM) and water-related industries (including Badger Meter) to create a worldwide hub for water research, economic development and education.

With regard to professional associations, Mr. Meeusen is a director of the Wisconsin Manufacturers and Commerce and the Metropolitan Milwaukee Association of Commerce. Mr. Meeusen also serves on the advisory boards for the Business Schools at both the University of Wisconsin–Whitewater and the University of Wisconsin–Milwaukee.

Rich and his wife, Maribeth, live in Pewaukee, Wisconsin. They have two grown children, Matthew and Julie.

RECESSIONAL
    Audience please remain seated during Recessional
HONORARY DEGREE RECIPIENT

BRUCE T. BLOCK
Attorney, Reinhart Boerner Van Deuren S.C.
Founding Chair, UWM Real Estate Foundation

Honorary Doctor of Architecture

Escorted by: Dean Bob Greenstreet
School of Architecture and Urban Planning

BRUCE T. BLOCK has been a practicing lawyer at one of Milwaukee’s major law firms, Reinhart Boerner Van Deuren S.C., since 1979, and is a top real estate attorney. He holds a bachelor of arts degree in history from the University of Wisconsin-Madison and graduated from Boston University School of Law with a doctor of jurisprudence, magna cum laude. Block carries the highest peer review rating in Martindale-Hubbell’s directory for legal liability and ethical standards.

Block played a vital role in ensuring that some of Milwaukee’s most complex developments were successfully completed. Through his legal expertise, he has helped create the physical environment of Milwaukee and improved the real estate development climate in the city. Some of his recent projects include the redevelopment of the award-winning Bayshore Town Center in Glendale, the development of UWM’s RiverView Residence Hall and the downtown Riverwalk system in Milwaukee. Well-known in the business community, Block is considered a knowledgeable and practical lawyer with the ability and relationships to overcome obstacles in real estate development.

As President of the Wisconsin Preservation Fund, Block works to support the historic preservation of Milwaukee’s landmark buildings. He has also extended support to UWM’s School of Architecture and Urban Planning (SARUP), where he initiated four scholarships as well as created the Urban Edge Award. This award is offered to an international urban designer who is brought to UWM to work with SARUP students. As Founding Chair of the UWM Real Estate Foundation, Block used his professional expertise and creativity to move forward RiverView (and another university housing project, Cambridge Commons, which will open this fall) without any state funds. His efforts have helped create a residential university setting for nearly 1,200 more UWM students—an environment that may not have been provided otherwise.
UWM Alumni Association Distinguished Alumnus Awards

Degrees listed were earned from the University of Wisconsin–Milwaukee

GEOFFREY. HURTADO
Senior Vice President, Irgens Development Partners, LLC
Milwaukee, Wisconsin
MBA, 1988; Master of Urban Planning, 1976;
BS Architectural Studies, 1974

MARLENE M. LUGG
Immunization Coordinator/Project Manager II, Kaiser Permanente
Panorama City, California
Adjunct Professor, West Coast University
Los Angeles, California
BS Letters & Science, 1960

PATRICK E. MCBRIDE
Professor of Medicine & Family Medicine;
Associate Dean for Students;
Co-Director, Preventive Cardiology;
University of Wisconsin School of Medicine and Public Health
Madison, Wisconsin
BA Zoology, 1976

JAN SERR
Artist
Milwaukee, Wisconsin
MFA Art, 1968; BFA Art, 1966
DOCTORAL DEGREES

GRADUATE SCHOOL
Colin Scanes
Vice Chancellor for Research and Economic Development and Dean of the Graduate School
