   Master’s Degrees .....................................................................26

Baccalaureate Degree Candidates ..................................................33

Note:
Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document, and does not constitute that those whose names appear have completed degree requirements.
Welcome to the 104th Commencement ceremony at the University of Wisconsin-Milwaukee.

As the region’s largest university and the educator of more Wisconsin residents than any other university, UWM has a great appreciation for the intellectual effort and personal commitment put forward by the students who are graduating today.

At the bachelor’s degree level, many students are graduating after four years of study. There are, however, far more students graduating after five, six or even more years of learning. They have found ways to balance their studies with additional factors like caring for their family, working part time or full time, serving in the military or transferring from another university. Likewise for those earning master’s and doctoral degrees, it has not always been a direct path to gaining that additional degree.

The faculty and staff of the University of Wisconsin-Milwaukee congratulate all graduating students, regardless of the time involved. An academic degree brings newfound opportunities and benefits to both the recipient and the wider community. We celebrate our students’ accomplishments today, and because of them we look forward to a brighter tomorrow.

Sincerely,

Michael R. Lovell
Interim Chancellor
THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.
A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

1885 Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
1892 University of Wisconsin offers day and evening classes in Milwaukee
1909 With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
1920 The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
1927 Normal school becomes Milwaukee State Teachers College with 4-year degree
1928 UW Extension opens Milwaukee Center downtown
1951 Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
1956 WSC & UW Milwaukee Extension merge to form UWM
1961 The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
1963 UWM offers first PhD degree, in mathematics
1964 UWM buys Milwaukee-Downer College buildings, expands campus
1965 UWM purchases the 6.3-acre Milwaukee University School campus
1970 Three residence towers, collectively called Sandburg Halls, open for student housing
1988 UW System designates eight Centers of Excellence at UWM
1995 Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
2000 UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
2001 Governor announces honors academy at UWM
2002 Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
2005 Men’s basketball team advances to Sweet 16 in NCAA Tournament.
2006 $100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men’s and women’s basketball teams both advance to NCAA Tournament.
2008 Campaign for UWM is completed more than a year early with $125 million pledged to the university.

By the start of the 20th century, the school had expanded to offer programs in the liberal arts and science as well as education. By the ’30’s, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 84 undergraduate programs, 49 masters and 32 doctoral degrees.
The medallion worn by the Interim Chancellor in today’s ceremony was commissioned by the UW-Milwaukee Alumni Association. The medallion is a representation of UWM’s seal, based on a rendering by alumnus John Thiel of Thiel Design. The neck ribbons are in university colors: black and gold.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:
- BLUE VIOLET—Architecture
- WHITE—Art
- BROWN—Art/Dance/Drama
- BEIGE—Business Administration
- LIGHT BLUE—Education
- ORANGE—Engineering/Computer Science
- PEACOCK—Human Resources and Labor Relations
- LEMON—Library & Information Science
- PINK—Music
- APRICOT—Nursing
- GOLD—Science
- CITRON—Social Work/Criminal Justice

Honors: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

Marshals wear the gold cap and gown. They are responsible for leading the degree candidates in the processional marches and for keeping order throughout the ceremony.
UNIVERSITY OFFICIALS

BOARD OF REGENTS OF THE UNIVERSITY OF WISCONSIN SYSTEM
CHARLES PRUITT
President

THE UNIVERSITY OF WISCONSIN SYSTEM
KEVIN P. REILLY
President

UWM ALUMNI ASSOCIATION SPECIAL LIFE ACHIEVEMENT AWARD

Degrees listed earned from the University of Wisconsin-Milwaukee

FREDERICK L. HEMKE
Louis and Elsie Snydacker Eckstein Professor of Music, Bienen School of Music
Charles Deering McCormick Professor of Teaching Excellence
Northwestern University, Illinois
B.S. Music Education, 1958

Professor Hemke has the distinction of being one of the world’s greatest classical saxophone virtuosos! He is recognized as the leading authority on the instrument, its literature and teachings. It is because of Professor Hemke’s work that the saxophone has gained recognition as a legitimate classical instrument rather than an instrument known only for playing jazz.

Professor Hemke currently serves as the Louis and Elsie Snydacker Eckstein Professor of Music at the Northwestern University’s School of Music, one of the most prestigious music schools in the United States. He has spent over 30 years at Northwestern University. Professor Hemke has served as Visiting Professor at many of the leading conservatories in Europe and has dozens of solo and chamber music recordings to his credit. He has performed regularly with the Chicago Symphony Orchestra (CSO) and has recorded nearly all of the major orchestral works involving saxophone. In addition to his work with the CSO, Professor Hemke has performed with the St. Louis Symphony, the Tokyo Metropolitan Symphony Orchestra, the New Zealand Philharmonic, and Stockholm Philharmonic, as well as university and chamber ensembles throughout the world.

As a teacher, Professor Hemke’s students hold faculty positions at universities and conservatories around the country including the Julliard School of Music, Indiana State University, the University of Illinois, and the University of Florida, to name a few. International recording artists David Sanborn and Anders Lundegard are former students of Professor Hemke.

Professor Hemke is also a consultant for Rico International, a well-known company that produces reeds for the saxophone. The “Hemke Signature Series” reeds, a line of reeds Professor Hemke designed, are extremely popular among leading saxophonists in the profession. He is also an artist-clinician for The Selmer Company based in Paris, France, one of the leading manufacturers of the saxophone.

Professor Hemke has an incredible sense of loyalty to his friends and to his alma mater. UWM is prominently listed on his vita, biographical material, and Website. He constantly makes people aware of his academic background and training, and spreads the word about UWM world-wide.
UWM ALUMNI ASSOCIATION ALUMNI CITIZENSHIP AWARD

Degrees listed earned from the University of Wisconsin-Milwaukee

BRIAN BEAR
Assistant Clinical Professor, Department of Obstetrics and Gynecology
Medical College of Wisconsin
B.S. Medical Science, 1980

For over 20 years, Professor Bear has provided exceptional care and treatment to women and their families. The key word though, is “care.” In an age where doctors’ appointments can feel like an assembly line process to the patient, Professor Bear’s style and approach remains personalized, thoughtful and unhurried. His patients speak highly of his knowledge and skill as well as his ability to explain medical conditions in clear language, explore options collaboratively with the patient, and work as a true “family partner.”

He has earned well-deserved respect from his peers in the medical profession. He was named a “Top Doc” by Milwaukee Magazine in 1996, 2000, 2004, and 2008, an honor bestowed by fellow physicians. In 1999, his reputation went national when he was named one of America’s Top Docs in Ob/Gyn.

Professor Bear distinguishes himself further through his work outside of his practice to benefit women’s health and has influenced and comforted untold numbers of community members through his educational presentations and volunteer work with groups such as ABCD (After Breast Cancer Diagnosis).

For the past five years, Professor Bear has dedicated a significant amount of time and energy to Global Medical Brigade trips to Honduras. This program develops sustainable health initiatives and provides medical services in areas of the world with limited access to healthcare. Each year, Professor Bear, along with student volunteers and other healthcare professionals, travels to Honduras to set up and operate mobile medical clinics that treat thousands of patients and provide workshops on health issues for the community. Professor Bear goes beyond his medical duties there to take the time to mentor the student volunteers, many of whom aspire to become doctors, and to serve as a leader to the entire group.

Dr. Toby Peters, Associate Senior Vice President at Marquette University, wrote in his letter of recommendation, “My association with Dr. Bear began when he and his wife Laurel joined me on a mission trip to the rural villages of Honduras in January 2005...Dr. Bear has been instrumental in the success of our brigades...He has served as a valuable medical advisor for the preparation of our trips but most importantly he has served the people of Honduras with great care and compassion...The trip we experienced this past May is indicative of his commitment and character. We had four 16 hour days in a row. We would rise at 6 a.m. have breakfast, pack our medicine, travel through rough terrain for two plus hours, treat between six-hundred to one-thousand people, travel back, gather as a group, have dinner, and then pack for the next day. I do not recall an occasion that Brian was not fully engaged with the group in the preparation and execution of our brigades. Again, he did so with great care, compassion and humility....Brian Bear is a great doctor, humanitarian, mentor and friend.”
GEORGE R. BLUMENTHAL
Chancellor and Professor of Astrophysics
University of California, Santa Cruz

Honorary Doctor of Astrophysics and in Leadership in Higher Education

Escorted by: Interim Dean Rodney Swain
College of Letters and Science

GEORGE R. BLUMENTHAL
George R. Blumenthal is UC Santa Cruz's 10th chancellor. He joined the campus in 1972 as a professor of astronomy and astrophysics. He was named chancellor on September 19, 2007 after serving as acting chancellor for 14 months (July 14, 2006-September 18, 2007). His appointment followed many years as a distinguished professor, researcher, and campus leader; he held several key leadership roles in the University of California system as well.

In the Monterey Bay Area, Chancellor Blumenthal co-chairs the Monterey Bay Educational Consortium. He is chairman of the California Association for Research in Astronomy’s W. M. Keck Observatory on the summit of Mauna Kea, Hawaii, and he is a member of the California Council on Science and Technology. He is also a member of the board of directors of BASIC, the Bay Area Science and Technology Consortium, and serves on the UC president's Board on Science and Innovation, representing QB3, the California Institute for Quantitative Biosciences.

In Silicon Valley, Chancellor Blumenthal is chairman of University Associates – Silicon Valley LLC, chair of the Silicon Valley Higher Education Roundtable, and a board member of the high-tech industry organizations Silicon Valley Leadership Group and Joint Venture Silicon Valley.

As a theoretical astrophysicist, Chancellor Blumenthal investigates the origin of structure in the universe, such as galaxies and clusters of galaxies, and the role that dark matter plays in the formation and evolution of this structure. He also studies related cosmological issues, such as the generation of density fluctuations during an early inflationary phase of the universe. He has studied gamma-ray bursts, accretion disks, and active galactic nuclei. He is a co-author of the astronomy text “21st Century Astronomy.”

He earned his bachelor of science at the University of Wisconsin-Milwaukee, and his Ph.D. in physics at the University of California, San Diego.

He is married to Kelly Weisberg, a professor of law at UC Hastings College of the Law in San Francisco. They have two children.

GALE E. KLAPPA
Chairman, President & CEO
Wisconsin Energy Corporation

Honorary Doctor of Commercial Science

Escorted by: Dean Timothy Smunt
Sheldon B. Lubar School of Business

GALE E. KLAPPA  Since May 2004, Gale Klappa has served as
chairman, president and chief executive officer of Milwaukee-based
Wisconsin Energy Corporation, one of the nation’s premier energy
companies. He also holds the same positions with Wisconsin Energy’s principal utility, We Energies.

Mr. Klappa joined Wisconsin Energy Corporation in April 2003 as president. He was elected to the
company’s board of directors in December 2003.

Prior to joining Wisconsin Energy, he served as executive vice president, chief financial officer and
treasurer of Southern Company in Atlanta, Ga. Previously in his career, Mr. Klappa was Southern
Company’s chief strategic officer, the North American group president of Southern Energy Inc. (now
Mirant) and president and CEO of South Western Electricity -- Southern Company’s electric distribution
utility in the United Kingdom. Before his assignment in the UK, he was senior vice president of
marketing for Georgia Power Company, a subsidiary of Southern Company.

Mr. Klappa is a 1972 graduate cum laude of the University of Wisconsin-Milwaukee, with a bachelor’s
degree in Mass Communications.

Mr. Klappa serves as a director of Nuclear Electric Insurance Limited, the Edison Electric Institute and
the Electric Power Research Institute. He is the immediate past chairman of the Metropolitan Milwaukee
Association of Commerce and a member of the board and the executive committee of the Greater
Milwaukee Committee. He is a member of the Advisory Council of the University of Wisconsin -
Milwaukee School of Business, a member of the board of directors of Badger Meter, Inc., Milwaukee,
and Joy Global Inc., Milwaukee, and a member of the board of trustees of the Medical College of
Wisconsin. From 2006 to 2010 he served on the board of directors of United Way of Greater Milwaukee.

Jonathan M. Hanes
“Examining the Spring Phenology of a Northern Mixed Forest at Multiple Scales”
Major Professor: Mark D. Schwartz

Rama Prasada Mohapatra
“Monitoring and Modeling Urban Growth Using Remote Sensing and GIS Technologies”
Major Professor: Changshan Wu

Richard R. Shaker
“Sustainability, Landscapes, and Human Behavior: The Republic of Moldova Case Study”
Major Professor: Christopher A. De Sousa

Geri Weinstein-Breunig
“Exploring Multiple Perspectives of Urban Nature and Its Symbolism in Milwaukee, WI”
Major Professors: Christopher A. De Sousa and Nancy Frank

HISTORY

Raul Carlos Galvan
“19th Century Cuban Transnationals: Sugar, Revolution and Citizenship”
Major Professor: Aims McGuinness

Brian Arthur Kangas
“Tragedy, Myth and Memory – The ‘Lady Elgin’ and Irish-American Nationalism”
Major Professor: Aims McGuinness

MANAGEMENT SCIENCE

Melissa G. Bublitz
“Why Did I Eat That? Perspectives on Food Decision Making and Dietary Restraint”
Major Professor: Laura A. Peracchio

Zaifeng Fan
“International Corporate Governance and Equity Anomalies”
Major Professor: Lilian K. Ng

Hyeong Sop Shim
“Corporate Coinsurance and Mergers and Acquisitions”
Major Professor: Lilian K. Ng

Rebecca Leigh Wyland
“A School-Work Facilitation and Conflict Model from a Regulatory Focus Perspective: The Impact of School Involvement on Job Performance”
Major Professor: Mark Mone

MATHEMATICS

Loribeth M. Alvin
“A Study in Low Dimensional”
Major Professor: Karen Brucks

MEDICAL INFORMATICS

Mary Shimoyama
“Ontology Based System to Integrate Phenotype Data from Multiple Studies”
Major Professor: Timothy Patrick

NURSING

Eric A. Fenkl
Major Professor: Beth L. Rogers

Julia L. Larsen
“Concept Analysis of Spirituality”
Major Professor: Beth L. Rogers

Amy R. Morton-Miller
“Living with HIV: An Exploration of the Influences of Depression and Developmental Concerns on Women’s Adherence to HIV Treatment”
Major Professor: Patricia E. Stevens

David Vincent Picella
“Women’s Experiences of Premenstrual Syndrome”
Major Professor: Eugenie Hildebrandt
Carol Jean Sabel
“Exploring the Influence of Environmental Factors on Physical Education Activities: Perspectives of Middle-School Students”
Major Professor: Julia Snethen

Lisa F. Schiller
“Use of Preventive Care Services and Personal Protective Equipment Among a Cohort of Wisconsin Farmers”
Major Professor: Amy Coenen

Patricia Anne Senk
“A Nursing Domain Model: Prevention of Pressure Ulcers”
Major Professor: Amy Coenen

Kathryn Helen Uno
“The Experiences of Mainland Chinese Women Living with HIV”
Major Professor: Patricia E. Stevens

Nancee Wozney
“Childhood Obesity and the Relationship to Wellchild Visits”
Major Professor: Julia Snethen

PHYSICS

Rajan Arora
“Hyperspectral Spontaneous and Nonlinear Raman Imaging for Biomedical Applications”
Major Professor: Vladislav Yakovlev

Xing Huang
“Anomaly Puzzle, Curved-Spacetime Spinor Hamiltonian, and String Phenomenology”
Major Professors: Leonard Parker and Luis Anchordoqui

Zhichao Zheng
“Density-Wave Superconductors”
Major Professor: Daniel Agterberg

POLITICAL SCIENCE

Kimberly J. Rice
“Delegation, Deference and Doctrine: Reevaluating the Relationship between Federal Courts and Federal Administrative Agencies”
Major Professor: Sara Benesh

PSYCHOLOGY

Christine A. Conelea
“The Impact of a Stress Induction Task of Tic Frequencies in Youth with Tourette Syndrome”
Major Professor: Douglas Woods

Julia A. Detert
“Role of Calcium Binding Proteins in the Neuroprotection of Hippocampal CA1 Neurons”
Major Professor: James R. Moyer, Jr

Jason Charles Levine
“Emotion Regulation Deficits and Three-Hour Ambulatory Cardiovascular Activity in Generalized Anxiety Disorder”
Major Professor: Raymond Fleming

Rachel C. Manos
“The Behavioral Activation for Depression Scale—Short Form: Development and Validation”
Major Professor: Jonathan Kanter

David M. Trejo
“Does Stimulant Medication for ADHD Enhance Learning? A Test Using the Incremental Repeated Acquisition of Responses Procedure with Adults Who Benefit from Medication”
Major Professor: John C. Moore
URBAN EDUCATION

Brian A. Altman
“Changes in Self-Assessed Work Performance Over Time as a Result of Workplace Bullying: An Analysis of Retrospective Perceptions”
Major Professor: Mesut Akdere

Bryan Michael Davis
“A Case Study of How White High School Administrators Make Meaning of Their Whiteness”
Major Professors: Thandeka Chapman and Gail Schneider

Hughes Bernoid George
“The Role of Race, Racism and Power in the Experiences and Perspectives of African American Males in the Context of Their Ascendence to the Superintendency”
Major Professor: Gail Schneider

Mateba Kenyatta Harris
“How Self-Responsible are African American Parents in the Education of Their Secondary Students with Disabilities?”
Major Professor: Festus E. Obiakor

Kelly K. Kohlmetz
“Comparison of Teaching Methods for a Developmental Algebra Course”
Major Professor: Henry Kepner, Jr.

URBAN STUDIES

Ozgur Avcı
Major Professors: Jennifer Jordan and Kent Redding

DOCTOR OF NURSING PRACTICE

Tara Lynn Beuscher
“Collaboration in an Outpatient Clinic Setting: Strengthening Care for Patients”
Major Professor: Susan Dean-Baar

James Albert Bockeloh
“Nursing Interventions for the Acute Care of Suicidal and Violent Psychiatric Patients in the Emergency Department: A Systematic Review”
Major Professor: Jane Leske

Jennie Lynn Christman
“An Assessment of a Smoking Cessation Intervention in an Outpatient Clinic Setting”
Major Professor: Mary Jo Baisch

Debra Bystrom Gordon
“Validation of the Revised American Pain Society Patient Outcome Questionnaire (APS-POQ-R)”
Major Professor: Kim Litwack

Wendy Halm
“Development of an Incision and Drainage Policy and Procedure for CA-MRSA Suspicious Wounds in the Retail Health Clinic Setting”
Major Professor: Ann Cook

Faith Junghahn
“Transitional Lifecycle Case Management for Injured Women Veterans Assigned to the AW2 Program”
Major Professors: Michelle Simpson and Julie Darmody

Mary Klatt
“Impulsivity as a Predictor in Veteran Suicide: An Integrative Literature Review”
Major Professor: Susan Fontana

Colleen Marie Totero
“Barriers and Facilitators to Healthcare Provider Compliance with the Centers for Disease Control and Prevention Recommendations for Influenza Vaccine: A Survey of HCP Knowledge and Perceptions”
Major Professor: Doris Schoneman

Lisa Mary Tuszka
“Incidence and Impact of Breast Cancer in Northeastern Wisconsin”
Major Professor: Sandra Millon-Underwood
DOCTOR OF PHYSICAL THERAPY

Rachel Kate Backhaut
   Major Advisor: Kathryn Zalewski

Christina Marie Balestreri
   Major Advisor: Ann Dietrich

Stephanie Marie Bickel
   Major Advisor: Carlynn Alt

Shana Glori Blackman
   Major Advisor: Carlynn Alt

Brian Michael Chapman
   Major Advisor: Carlynn Alt

Sarah Jane Duffy
   Major Advisor: Kathryn Zalewski

Heather Lyn Hoefakker
   Major Advisor: Ann Dietrich

Nathan Anthony Hornung
   Major Advisor: Wendy Huddleston

Jeffrey Daniel Konrad
   Major Advisor: Wendy Huddleston

William John Lyon
   Major Advisor: Kathryn Zalewski
