Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may
not be entirely accurate. This program is not an official university document, and does not constitute that those
whose names appear have completed degree requirements.
Welcome to the 106th University of Wisconsin-Milwaukee Commencement. This is the day to recognize the academic effort and personal commitment put forward by our students who are graduating today. As you look around, you can appreciate our need to use an arena this size. We all look every bit like the university that enrolls more Wisconsin residents than any other.

As you may know, I became the eighth chancellor of this university a little more than a year ago. While I had been part of several previous university commencement ceremonies here and elsewhere, I have been genuinely touched by what I experienced as chancellor during UWM Commencements.

From the stage, you hear something big and you see something small. What you hear are the ovations unleashed for individual students. Some sound like an entire U.S. Cellular Arena section is cheering for one person. What you see up close are the tears. They streak the cheeks of graduating students caught up in the joy of the moment. I would be very surprised if I didn’t hear and see the same emotional responses today.

On behalf of the UWM faculty and staff, I congratulate all of today’s graduating students. They are the first members of our Class of 2012. When combined with those who will follow in December, the Class of 2012 will total well over 5,000 students. An academic degree brings newfound opportunities and benefits to both the recipient and the wider community. I know all of us gathered here celebrate our students’ accomplishments today, and, because of their achievements, we look forward to a brighter tomorrow.

Best,

Michael R. Lovell
Chancellor
THE STORY OF THE UWM SEAL

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.
A Quick History of UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

1885 Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
1892 University of Wisconsin offers day and evening classes in Milwaukee
1909 With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
1920 The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
1927 Normal school becomes Milwaukee State Teachers College with 4-year degree
1928 UW Extension opens Milwaukee Center downtown
1951 Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
1956 WSC & UW Milwaukee Extension merge to form UWM
1961 The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
1963 UWM offers first PhD degree, in mathematics
1964 UWM buys Milwaukee-Downer College buildings, expands campus
1965 UWM purchases the 6.3-acre Milwaukee University School campus
1970 Three residence towers, collectively called Sandburg Halls, open for student housing
1988 UW System designates eight Centers of Excellence at UWM
1995 Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
2000 UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
2001 Governor announces honors academy at UWM
2002 Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
2005 Men's basketball team advances to Sweet 16 in NCAA Tournament.
2006 $100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men's and women's basketball teams both advance to NCAA Tournament.
2008 Campaign for UWM is completed more than a year early with $125 million pledged to the university.
2010 The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 square feet of space; and about 900 parking spaces.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the ’30’s, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.
The medallion for Chancellor Lovell was created by a team of Peck School of the Arts faculty and students. The front is a map of the East Side campus, the mechanical back opens to reveal the chancellor’s name, and the chain is made up of panther claw-inspired links.

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

_Styles and colors_ had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

_The academic hood_ is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

- **BLUE VIOLET**—Architecture
- **WHITE**—Art
- **BROWN**—Art/Dance/Drama
- **BEIGE**—Business Administration
- **LIGHT BLUE**—Education
- **ORANGE**—Engineering/Computer Science
- **PEACOCK**—Human Resources & Labor Relations
- **LEMON**—Library & Information Science
- **PINK**—Music
- **APRICOT**—Nursing
- **GOLD**—Science
- **CITRON**—Social Work/Criminal Justice

_Honors_: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

Marshals wear the gold cap and gown. They are responsible for leading the degree candidates in the processional marches and for keeping order throughout the ceremony.

Degrees listed earned from the University of Wisconsin-Milwaukee

MARY T. KELLNER, BSE Elementary Education ’68 from the University of Wisconsin-Madison; MS Educational Psychology ’78 from the University of Wisconsin-Milwaukee; EdD Leadership for the Advancement of Learning and Service ’07 from Cardinal Stritch University

Community Volunteer

Mary, and her husband Ted, have made significant contributions to bettering education, especially for urban youth, and health care in the city of Milwaukee.

Mary has over 20 years of counseling experience with adults and children. Her strengths are in relationship building and problem solving. She likes the challenge of creating projects that fill specific needs in the community. She also has extensive volunteer experience in not-for-profits and schools. A few of her major accomplishments include:

• Established and organized the Books for Kids program at the Next Door Foundation. Books for Kids has put hundreds of thousands of books in the hands of inner city Milwaukee Children.

• Implemented a Student Assistance Program at Homestead High School to help in prevention, early identification and intervention with students involved with drugs and alcohol.

• Was instrumental to the fundraising and development efforts of the Health Education Center of Wisconsin, Inc. This not-for-profit organization is dedicated to fostering healthy lifestyles for people of all ages, especially school aged children.

• Developed a Human Relations Program at Donges Bay Elementary School. She recruited volunteers and developed curriculum to present to each classroom. This program proved the need for, and resulted in, the hiring of counselors.

• Chair of Prevention Education Project of the Junior League of Milwaukee, in collaboration with Milwaukee Public Schools, the Milwaukee Council on Alcoholism, and Family Service. Skits were presented to children on human relations, acceptance, and getting along.

Through the Kelben Foundation, the Kellner’s family foundation, they have endowed the Kellner Professorship in Early Childhood Education at UWM’s School of Education. As part of the “I Have a Dream” project, they are sponsoring scholarships for all students in the Clarke Street School first grade class of 2008 who graduate from high school ready to enroll in college. The Kellners are co-leading a $9 million campaign to enable Milwaukee College Preparatory Academy to expand to 1,500 students by 2015. Milwaukee College Prep is a very high performing school chartered by UWM. Through the Kelben Foundation, Mary and her husband have provided scholarships to many higher education students.
UWM ALUMNI ASSOCIATION ALUMNI CITIZENSHIP AWARD

Degrees listed earned from the University of Wisconsin-Milwaukee

DENNIS R. McBRIDE, BA Journalism ’76 from the University of Wisconsin-Milwaukee; Master of Public Affairs ’80 from Princeton University; JD ’80 from New York University School of Law

Senior Trial Attorney, U.S. Equal Employment Opportunity Commission, Milwaukee Area Office, and Alderman, 4th District, City of Wauwatosa, Wisconsin

Dennis is a model citizen, dedicated to UWM and Milwaukee County. He works every day to make life in Milwaukee County better for everyone. He is passionate about UWM and its importance for the future of Southeastern Wisconsin.

For more than 20 years, Dennis has been a Senior Trial Attorney, and for six years a Supervisory Trial Attorney, litigating employment discrimination cases throughout the Upper Midwest. In April 2008, he was elected 4th District Alderman of the City of Wauwatosa, devoting hundreds of hours to make the community better for all citizens. Dennis has been a member of the board of directors of the Friends of Hoyt Park & Pool, Inc. (FOHPP) and helped to negotiate FOHPP’s 55-year lease with Milwaukee County, which made it possible for the Friends to build a new pool to replace the closed pool which the County could not afford to do.

Dennis has been a major force in historic preservation activities. He served as co-chair of the Wauwatosa High School Memorial Project, an award-winning effort which restored the historic Art Deco lobby and Works Project Administration murals at Wauwatosa East High School, and created a museum of artifacts for that school, which dates back to 1871. He also served on the Wauwatosa Historical Society’s Little Red Store Preservation Committee, which restored the City’s oldest commercial building, built in 1854. Since becoming an Alderman, he has served as Common Council liaison to the City’s Historic Preservation Commission, being a leading advocate for the creation of the Wauwatosa Avenue Historic District, which is being considered for inclusion on the National Registry of Historic Places.

As a Wauwatosa Alderman, Dennis has been a leading advocate for the creation and development of UWM’s Innovation Park. He supports UWM sports through attendance at UWM games and Hall of Fame awards banquets.

In addition, Dennis frequently speaks on topics of law, race relations, and Irish and Irish-American history and culture throughout the Midwest.
WILL ALLEN
Founder and CEO
Growing Power, Inc.

Honorary Doctor of Agriculture

Escorted by: Dean David Garman, School of Freshwater Sciences

WILL ALLEN, son of a sharecropper, former professional basketball player, ex-corporate sales leader, and longtime farmer, has become recognized as among the preeminent thinkers of our time on agriculture and food policy. The founder and CEO of Growing Power Inc., a farm and community food center in Milwaukee, Wisconsin, Allen is widely considered the leading authority in the expanding field of urban agriculture. At Growing Power and in community food projects across the nation and around the world, Allen promotes the belief that all people, regardless of their economic circumstances, should have access to fresh, safe, affordable and nutritious foods at all times. Using methods he has developed over a lifetime, Allen trains community members to become community farmers, assuring them a secure source of good food without regard to political or economic forces. In 2008 Mr. Allen received the prestigious MacArthur "Genius grant" for his efforts to promote urban sustainable food systems. Later, in 2010 Mr. Allen joined First Lady Michelle Obama as she launched the White House’s “Let’s Move” campaign to address issues affecting American youth and the risk of obesity and later that year was also recognized as one of TIME magazine’s 100 Most Influential People in the World. Since then, Mr. Allen has received numerous awards and recognitions, including the James Beard Foundation Leadership Award in 2011 and the NCAA Theodore Roosevelt Award in 2012, which is the highest award the National Collegiate Athletic Association can bestow on a former collegiate athlete.

Growing Power was started in Milwaukee, Wis., in 1993 by Mr. Allen who has long worked to produce and deliver healthy food to low-income communities. It is a national nonprofit organization and land trust supporting people from diverse backgrounds, and the environments in which they live, by helping to provide equal access to healthy, high-quality, safe and affordable food for people in all communities. Growing Power implements this mission by providing hands-on training, on-the-ground demonstration, outreach and technical assistance through the development of Community Food Systems that help people grow, process, market and distribute food in a sustainable manner.

HONORARY DEGREE RECIPIENT

STEPHEN H. MARCUS
Chairman
The Marcus Corporation

Honorary Doctor of Business and Urban Development

Escorted by: Dean Robert C. Greenstreet, School of Architecture & Urban Planning
Dean Timothy Smunt, Sheldon B. Lubar School of Business

STEPHEN H. MARCUS is chairman of The Marcus Corporation, a Milwaukee-based company that is a leader in lodging and entertainment. The Marcus Corporation has two divisions, Marcus Theatres and Marcus Hotels and Resorts. The company’s common stock is listed on the New York Stock Exchange. Marcus joined the company in 1962. He served as president from 1980 to January 2008 and as chief executive officer from 1988 to January 2009. He was elected chairman of the board in 1991.

Marcus’ strong leadership in The Marcus Corporation and his extensive involvement with community organizations have contributed to the growth and development of the City of Milwaukee. As he built a strong presence in the business world, Marcus also focused on the restoration and expansion of properties in the downtown cities of Milwaukee, Kansas and Oklahoma, ultimately increasing the economic vitality of those regions.

Marcus has made a significant impact on the lodging and entertainment industries. The company’s movie theater division owns or manages 678 theaters at 56 locations in eight states, the sixth largest theater group in the country. Its lodging division owns and manages 18 hotels, resorts and other properties in nine states. However, his contributions extend beyond the corporate environment. Marcus currently serves as director of the Greater Milwaukee Committee, the Metropolitan Milwaukee Association of Commerce and the Wisconsin Center District Board, positions that demonstrate his dedication to the wider community through his civic involvement.

Marcus was recognized as the 2004 Wisconsin Business Leader of the Year for his attention to the greater good and his influential role in the community. In 1993, he joined UWM’s Architecture & Urban Planning Design Council, which brought business and community leaders together to discuss key issues in development, design and construction in southeastern Wisconsin. Marcus’ lifelong interest in architecture is further evidenced by his joint effort with the School to create the Marcus Prize, a highly-coveted architecture award second only in prestige to the Pritzker Prize. In founding the Marcus Prize, he has drawn international attention to the UWM Architecture program, while providing UWM students the opportunity to work with some of the world’s most talented architects.

Steve Marcus was born in Minneapolis, Minnesota. He received a BBA degree in accounting from the University of Wisconsin-Madison in 1957 and a J.D. degree from the University of Michigan Law School in 1960. He resides in Milwaukee, Wisconsin, with his wife, Janice. Marcus has three sons and nine grandchildren.

HONORARY DEGREE RECIPIENT

JACQUELYN FREDERICK
President & CEO
BloodCenter of Wisconsin, Inc.

Honorary Doctor of Business and Public Health

Escorted by: Dean Timothy Smunt, Sheldon B. Lubar School of Business

JACQUELYN FREDERICK became the fourth President and CEO of BloodCenter of Wisconsin on December 1, 2001. She is the first woman to hold that position in the organization’s over 60-year history. Ms. Fredrick leads an internationally respected transfusion medicine organization that is the sole supplier of blood and blood products to 56 Wisconsin hospitals, provides diagnostic laboratory services to hospitals nationwide and transfusion and hematology-related medical services. In February 2010, BloodCenter of Wisconsin became the first and only blood center in the United State to operate both a tissue bank and organ procurement organization. In addition, its Blood Research Institute is among the world’s premier blood research organizations.

As BloodCenter President and CEO, Ms. Fredrick returns to an organization where she began her career in blood banking in 1981. During this time, Ms. Fredrick was a member of the BloodCenter senior management team serving as Vice President of Laboratory Services, and later as Vice President for Blood Services and Laboratory Services, a position she held until 1993 when she joined the National American Red Cross.

At the National American Red Cross, Ms. Fredrick last served as Senior Vice President of Biomedical Services and Chief Operating Officer of the ARC Donor Enterprise Unit. Prior to that she served as Interim Executive Vice President for Biomedical Services and as Chief Operating Officer for Blood Services. She had management oversight for $2 billion in revenue, 15,000 employees and service to 3,000 hospitals. Ms. Fredrick oversaw field operations supporting the collection of 6 million volunteer blood donations and distribution of 18 million blood products. She was responsible for establishing a new organizational unit, the National Testing Laboratories, to focus on testing blood products for half of the nation’s blood supply.

Ms. Fredrick currently serves as President of the AABB, an international professional organization for transfusion medicine and cellular therapies. She also serves on the boards for the Marshfield Clinic National Advisory Council, Alverno College, Junior Achievement of Wisconsin, and is Vice Chair of the Milwaukee Regional Medical Center Board. She is Chair of the UWM Research Foundation Board and serves on the UWM Foundation Board, the UWM Dean’s School of Health Sciences Advisory Board and the UWM Dean’s Business School Advisory Board. She is also a member of the Rotary Club of Milwaukee, Professional Dimensions and the Greater Milwaukee Committee.
