**Note:**
Because of printing deadlines, it is possible that the list of degree candidates as presented in this program may not be entirely accurate. This program is not an official university document, and does not constitute that those whose names appear have completed degree requirements.
Welcome to the 114th University of Wisconsin-Milwaukee Commencement.

This is the day to recognize our graduating students’ academic effort and remarkable personal commitment. As you look around, you can appreciate our need for the size of the UWM Panther Arena. Gathered together, we look every bit like the university that enrolls more Wisconsin residents than any other.

As we celebrate our graduates, we can also look to these outstanding individuals with a great sense of hope. For some, the work and impact of a university is viewed as complete when students conclude their studies. This is not the case at UWM. Our students, alumni, faculty and staff are engaged in lifelong research, discovery and collaboration with area businesses, industries, community and non-profit organizations, and other educational institutions. These partnerships lead to – and create – more jobs throughout the region for our students after they graduate. You’ve set the bar higher for new levels of cooperation, innovation and entrepreneurship. An academic degree brings newfound opportunities and benefits to both the recipient and the wider community.

On behalf of the UWM faculty and staff, I congratulate all of today’s graduating students. They are the first members of our Class of 2016. When combined with those who will follow them in December, the Class of 2016 is an impressive 5,000+ students.

To all of our guests here to witness today’s event, I thank you for supporting your adult child, relative, spouse, partner, or friend. And to all our graduates, I offer my best wishes in all of your endeavors. Please keep us apprised of your many successes.

Best regards and congratulations,

Mark A. Mone
Chancellor
The Story of the UWM Seal

Official ceremonial activities and actions of the University of Wisconsin–Milwaukee nearly always make use of the UWM seal. It can be found on all significant university documents. The key elements of the UWM corporate seal are the university’s logo in the center and the years above the word “Milwaukee.”

The logo was redesigned in 1999 to more distinctly represent the university. Distinguishing elements of the redesigned logo include the different typefaces used for the letters “UW” and “M,” which reflect the diversity inherent at UW-Milwaukee, and the overlapping of the “W” and the “M” to show the connection between the University of Wisconsin System and Milwaukee’s university. The two wavy banners below the letters “UWM” show movement and suggest a continuum of education throughout one’s life. The banners also represent waves and emphasize how Milwaukee and the campus are located near water. The nimbus, appearing behind the logo, symbolizes educational enlightenment.

The three years noted in the corporate seal are 1849, 1885 and 1956.

1849 represents the era that higher education began in this state. Wisconsin became the 30th state in the union on May 29, 1848. Less than two months later, on July 26, the University of Wisconsin was established under provisions in the new state constitution. One of the initial steps to prepare students for university was enrolling young people in preparatory classes. On February 5, 1849, 17 boys arrived for preparatory classes in space borrowed from the Madison Female Academy. This date is referred to in Wisconsin education as Founders Day. Then, in autumn 1850, the first University of Wisconsin freshman class assembled in Madison for first-year instruction as part of a four-year college curriculum.

1885 denotes the beginnings of public higher education in Milwaukee at the Milwaukee State Normal School. The Wisconsin legislature in 1880 approved expanding higher education by establishing nine normal schools around the state. The first students in Milwaukee were admitted in 1885. In the beginning, curriculum was limited to a two-year teacher-training program. As its educational mission evolved, the school’s name changed. It became the Milwaukee State Teachers College in 1927 and the Wisconsin State College, Milwaukee, in 1951.

1956 signals the beginning of the modern era of public higher education in Milwaukee. During the late 1940s and early 1950s, many proposals to expand higher education offerings in Milwaukee were considered. The successful proposal approved in 1955 combined the previously mentioned Wisconsin State College, Milwaukee, and the Milwaukee office of the University Extension Center, an auxiliary of the University of Wisconsin in Madison. The new university was considered a part of the University of Wisconsin and classes at the new University of Wisconsin–Milwaukee began in the fall of 1956.
A QUICK HISTORY OF UWM

The name has changed—several times—but the roots of the University of Wisconsin-Milwaukee go back to 1885 when Wisconsin established the Milwaukee Normal School, a two-year teacher’s college.

Some important dates:

1885  Milwaukee Normal School opens to train teachers in downtown Milwaukee at 18th & Wells
1892  University of Wisconsin offers day and evening classes in Milwaukee
1909  With the completion of a new Milwaukee Normal School building (today’s Mitchell Hall) the campus moves to its present location
1920  The University of Wisconsin Extension Division, formed in 1907, takes over responsibility for UW instruction in Milwaukee
1927  Normal school becomes Milwaukee State Teachers College with 4-year degree
1928  UW Extension opens Milwaukee Center downtown
1951  Milwaukee State Teachers College becomes Wisconsin State College with liberal arts degrees
1961  The 8.6-acre Milwaukee-Downer Seminary site, including 3 buildings, is purchased
1963  UWM offers first PhD degree, in mathematics
1964  UWM buys Milwaukee-Downer College buildings, expands campus
1965  UWM purchases the 6.3-acre Milwaukee University School campus
1970  Three residence towers, collectively called Sandburg Halls, open for student housing
1988  UW System designates eight Centers of Excellence at UWM
1995  Division of Outreach and Continuing Education Extension (now the School of Continuing Education) moves to new offices in the downtown Plankinton Building
2000  UWM awards diploma to 125,000th graduate; UWM named among top 102 public doctoral research universities in nation
2001  Governor announces honors academy at UWM
2002  Helene Zelazo Center for the Performing Arts opens. Fourth tower added to Sandburg Residence Halls.
2005  Men’s basketball team advances to Sweet 16 in NCAA Tournament.
2006  $100-million Campaign for UWM announced. Pavilion athletics complex and Kenilworth Square mixed-use student housing facility open. Men’s and women’s basketball teams both advance to NCAA Tournament.
2008  Campaign for UWM is completed more than a year early with $125 million pledged to the university.
2010  The School of Freshwater Sciences and Zilber School of Public Health become the first new academic schools established at UWM since the 1960s. UWM acquires the former Columbia Hospital campus: 11 acres; seven buildings with more than 800,000 gross square feet of space; and about 900 parking spaces.

By the turn of the century, the school had expanded to offer programs in the liberal arts and science as well as education. By the ’30’s, the school, now called Milwaukee State Teachers College, was a national leader in innovative teacher education, with 1,500 students. A student from the 1916-17 academic year, Golda Meir, became prime minister of Israel from 1969-1974.

After World War II, the College was authorized to award four-year bachelor degrees and in 1951 became Wisconsin State College, Milwaukee. Five years later it combined with the Milwaukee Extension Center, which had been the local outreach program of the University of Wisconsin in Milwaukee. Together, the two institutions became the University of Wisconsin-Milwaukee, with its focus on academic research, teaching and community service.

Since its founding, UWM has expanded its programs so that today its 14 schools and colleges offer 94 undergraduate programs, 53 masters and 32 doctoral degrees.
CHANCELLOR’S MEDALLION

The medallion for Chancellor Mark Mone was designed and fabricated by Frankie Flood, Associate Professor of Art and Design, after talking with Chancellor Mone about his vision for UWM’s future. With water from Lake Michigan in its center chamber – and spheres representing how student knowledge grows at UW-Milwaukee – the Chancellor’s Medallion is full of symbolism specific to UWM.

THE MEANING OF ACADEMIC REGALIA

Academic gowns were worn as early as the 12th century. Their primary purpose then was to protect the wearer against the elements. When accepted styles of dress began to change in the 16th century, those in the legal and medical professions as well as scholars in the universities retained the traditional dress of gowns and hoods. The origin of the cap is unclear.

Styles and colors had no particular meaning until 1895 when an “Intercollegiate Code” established design and color criteria. The bachelor’s gown has long, pointed sleeves and is designed to be worn closed. The master’s gown has an oblong sleeve open at the wrist; the rear part of its oblong shape is square cut, the front part has an arc cut away. The gown may be worn open or closed. The doctor’s gown has velvet down the front with three bars of the same velvet across the sleeves. It may be worn open or closed.

The academic hood is the visual representation of the academic degree. The level of the degree is indicated by the length of the hood and the width of its velvet edging, with the doctoral hood being the largest. The color of the lining of the hood denotes the school conferring the degree, the color of the velvet binding denotes the field of study. The color denoting the University of Wisconsin-Milwaukee is gold, dark blue is the color denoting philosophy; therefore, all recipients of the Doctor of Philosophy degree (Ph.D.) at UWM wear hoods lined with gold and trimmed in dark blue velvet.

Other trim colors that you may observe among the masters candidates and the faculty are:

- BLUE VIOLET—Architecture
- WHITE—Art
- BROWN—Art/Dance/Drama
- BEIGE—Business Administration
- LIGHT BLUE—Education
- ORANGE—Engineering/Computer Science
- PEACOCK—Human Resources and Labor Relations
- LEMON—Library & Information Science
- PINK—Music
- APRICOT—Nursing
- SALMON—Public Health
- GOLD—Science
- CITRON—Social Work/Criminal Justice

Honors: The gold cord, worn by some of the bachelor’s degree candidates, identifies those students who have been awarded Commencement Honors for high academic achievement throughout their career at UWM. An asterisk (*) is directly after the names of bachelor’s degree candidates awarded Commencement Honors in this program.

The pewter-colored stole recognizes undergraduate students receiving the Honor’s Degree. This special diploma is awarded in recognition of outstanding academic achievement to students who have completed the requirements of the University Honors College and achieved an overall grade point average of 3.5 or above.

The red, white, and blue cord is being worn by our veterans and military service members.

The black and gold stole worn by some undergraduate students, identifies our McNair Scholars, our future leaders who come from first generation and diverse backgrounds. These students have completed a selective and rigorous research program that prepares them to enter graduate school.

DORAN “DANNI” GENDELMAN
Founder, InterPlan Office Products, Inc.

Honorary Doctor of Great Lakes Education

Escorted by: Senior Director and Associate Dean of Research J. Val Klump
School of Freshwater Sciences

DORAN (DANNI) GENDLEMAN was born in Menomonie, Wisconsin, and is a graduate of the University of Wisconsin, Madison with majors in Theatre, French and Merchandising. After marriage, she did graduate work in design at Marquette University, and did Masters studies at the University of Wisconsin, Milwaukee in Theatre, Philosophy and World Affairs. Additionally, thirty years were spent in theatre directing, acting and teaching.

Danni founded InterPlan Office Products Inc. in 1970. InterPlan, a Herman Miller dealer, became one of the most successful contract design and furnishings firms in Wisconsin, with offices in downtown Milwaukee and Appleton. InterPlan’s focus was primarily design and furnishings of the workplace, concentrating on offices and healthcare facilities.

InterPlan was one of the largest ‘Women Owned Business Enterprises’ in the state of Wisconsin, and nationally in the top 500.

For many decades, Danni has been a fresh water ambassador and educator. Her love of fresh water, nature, dogs, skiing, horseback riding, sailing, swimming, and hiking, lead to Danni founding Great Lakes Future (GLF) in 1992. GLF, a nonprofit organization, was dedicated to the development of a fresh water environmental education center on the downtown Milwaukee shore of Lake Michigan.

Danni became known as the “Grand Dame of Fresh Water”. Years later, creating great synergy of purpose, GLF merged with Wisconsin Lake Schooner Education Association with the goal of establishing a shared facility on Milwaukee’s Municipal Pier. Without her passion for fresh water education and research, the exceptional Great Lakes Future exhibit at Pier Wisconsin would not exist today.

Danni’s community involvement spans many decades and includes service on the boards of Theatre X, Renaissance Theatre, Discovery World, and Urban Ecology Center. She was also a co-chair of the Downtown Milwaukee Rotary Club’s Environment Committee. Recently, Danni was one of the key visionaries who helped develop the Milwaukee Rotary Centennial Arboretum, an urban oasis that combines Riverside Park and Milwaukee River frontage with reclaimed post-industrial land into a public green space, natural habitat, and outdoor classroom.

In the 1960’s, Danni marched with civil rights leader Father James Groppi, supporting his concern for the lives and rights of African-Americans. In the early 1970’s, when Native Americans took over the vacated Coast Guard station on Lincoln Memorial Drive in Milwaukee, Danni often brought them food in support of their calling attention to the fact that Native Americans were deprived benefits that the government was giving other minority groups. In the 1980’s, Danni founded the nonprofit, Summer Street Studio, a cross-disciplinary arts program held during the summer for teenagers.

Married to her best friend, Shel Gendelman, for 63 years, they share three wonderful adult children and four extraordinary grandchildren, all living in the Milwaukee area.
SCOTT B. NOEGEL
Professor, Musician, Artist and Filmmaker
University of Washington, Seattle

Honorary Doctor of Letters
Escorted by: Dean Rodney Swain, College of Letters and Science

SCOTT NOEGEL was born in rural Rugby Junction, Wisconsin. Until he was six he was raised in the home built by his great grandparents, immigrants from Bavaria. He received his elementary and high school education in Port Washington. After receiving scholarships in the arts, he enrolled at the University of Wisconsin-Milwaukee intending to major in drawing, painting, and film. But he soon found his calling elsewhere, and instead, he obtained BA degrees from UW in Hebrew Studies, Medieval History, and Modern European Intellectual History in 1989. He then received his MA and PhD degrees in ancient Near Eastern languages and cultures from Cornell University (1991, 1994). Currently, Scott is Professor of Biblical and Ancient Near Eastern Studies in the Department of Near Eastern Languages and Civilization at the University of Washington in Seattle, a department for which he also served as chair 2006-2015. In addition to English, he knows eleven languages, some ancient, others modern.

To date he has given more than one hundred public and scholarly lectures. He has authored, co-authored, and edited ten books and more than seventy articles on diverse topics related to the ancient world. Though active in his academic career, he never ceased his involvement in the arts. Since the 1980s he has been active as a musician in a number of art band projects, and as a filmmaker and visual artist. He also has worked as an arts organizer creating music and film collectives. He has served on the Mayor’s Arts Task Force in Seattle and has held two terms on the Seattle Arts Commission. He has received a number of grants for his digital and film work and has been a nominee for the Rockefeller Foundation National Film/Video Fellowship as well as National Endowment for the Arts. In 2002, Scott Noegel was awarded the City of Seattle Distinguished Citizen Medal for service in the arts.

Gold Ceremony Commencement Speaker

José Vásquez
President, St. Anthony Catholic School
Milwaukee, WI

José Vásquez has approximately 40 years of management experience in the private sector, county government, and education, both at the technical college and university level. He has worked for Waukesha County Technical College, the University of Wisconsin-Extension, Milwaukee County Government, Neighborhood House, St. Joseph Academy, and La Casa de Esperanza among others. He has managed organizations at all stages of development, from small to large and new to well-established. The variety of services provided by these organizations have been from early childhood and elementary education, technical college and university education, community-based organizations, medical services, elderly serving organizations and others.

José has served on the board of directors for organizations such as Milwaukee Area Technical College, St. Francis de Sales Catholic Seminary, and Red Cross of Greater Milwaukee. He also served on the University of Wisconsin System Board Of Regents, and on the Wisconsin Technical College System Board of Directors. One of his longest board services has been for the United Community Center Board of Directors in Milwaukee. He has held all leadership positions typical of nonprofit board directors.

At present, José is the president of St. Anthony School in Milwaukee. This school is the largest parish-affiliated Catholic school in the United States. St. Anthony School serves over 2,000 students from nursery school through high school. The school is divided into five campuses on the south side of Milwaukee.

Vásquez holds a bachelor’s degree (1968) in sociology from St. Mary’s University in San Antonio, Texas and a master’s degree (1975) in educational rehabilitation counseling from UW-Milwaukee. He is also a professionally trained consultant specializing in serving nonprofit board directors and executive directors.
