Field Internships in Plymouth, England

- Two summer internships (graduate & undergraduate) are available in Plymouth, England.
- Internships are 6 – 8 weeks and are equivalent to one semester of field.
- Students earn 3 – 5 credits.
- Focus is on substance use and mental health.
Field Internships in Linz, Austria

- One summer internship (graduate or undergraduate) is available in Linz, Austria.
- Internships are 6 – 8 weeks and are equivalent to one semester of field.
- Students earn 3 – 5 credits.
- Focus is on working with international immigrant families or individuals.
We will plan to place a student in Ghana for a one semester internship in the summer of 2015. This could change depending on advice of the Centers for Disease Control in relation to the Ebola virus.
