The Youth-Oriented Substance Abuse and Trauma (YOSAT) Counseling Program
Department of Social Work, University of Wisconsin-Milwaukee

MSW Student Application Form

The Youth-Oriented Substance Abuse and Trauma (YOSAT) Counseling Program exposes MSW students at UW-Milwaukee to specialized training in both substance abuse and trauma counseling for youth while also providing students with a $10,000 fellowship.

Students accepted in the YOSAT Counseling Program will complete coursework for both the Substance Abuse Counseling education program and the Trauma-Informed Care Graduate Certificate, an additional 9 academic credits above and beyond the MSW graduate requirement. **We advise that students apply for YOSAT the semester before they are to start taking their advanced standing coursework.**

First name: __________________________ Last name: __________________________

Phone: __________________________ Email: __________________________

Are you currently in field? Yes ___  No ___

If yes, which placement (circle one) 721  722  821  822

Please indicate the semester in which you anticipate starting 821 (Spring/Fall/Summer & Year; ex. Spring 2016)
