PARTICIPATE IN A RESEARCH STUDY

Volunteers are needed to participate in a study about women’s history of being prostituted/sex trafficked. The purposes of this study are to: 1) understand the experiences of women who have histories of prostitution/sex trafficking; and 2) understand how to help and support women with these histories.

The study requires you to participate in an interview lasting 1 – 2 hours each. The interview will cover demographics, family history, trauma history, experiences with sex trafficking/prostitution, and mental health screening, post-traumatic growth, coping mechanisms, service needs, and healing. You will receive $25 for participating.

Volunteers must be:

- A woman
- 18 years or older
- Have a history of being prostituted/sex trafficked
- English-Speaking
- Voluntarily agree to participate

If you are interested in sharing more about your experiences and/or history of prostitution, please contact Joan Blakey at 773-972-7703 or email her at blakey@uwm.edu.
