SCHOLARSHIPS provide additional financial support for eligible students. Through the generosity and vision of friends, alumni and faculty, the Helen Bader School of Social Welfare has established scholarships through the UWM Foundation for the benefit of its students. These scholarships are in addition to those available through UWM’s Financial Aid Office and the Graduate School.

Use the scholarship application available on our web page linked to Scholarship Opportunities at uwm.edu/socialwelfare/academics/scholarships.

FOR MORE INFORMATION about UWM scholarships, call the UWM Financial Aid Office at 414-229-4541 or email finaid@uwm.edu.
Eligibility requirements for each scholarship and the criteria used in making the awards are indicated. Start your application today.
