Daily Public Parking Fees

All prices quoted include sales tax:

- Meter parking is enforced Monday through Saturday
- Sciences, Engelmann, Chapman, Heat Plant, Cunningham
  (posted public hours only) $0.85/hour
- Annual Motorcycle Parking Permit $70.00
- Spaces reserved for the disabled $0.50/hour

Structures:
- Pavillion $0.85/hour
- EMS (enforced 7 a.m.-8 p.m. Mon-Sat) $0.85/hour
- Sandburg (enforced 24 hrs. Mon-Sat) $0.85/hour
- Union and Business School Garage Cashier Operated
  (posted public hours only) (enforced six days a week)
  $1.25 for 1 hour $7.50 for 6 hours
  $2.50 for 2 hours $8.25 for 7 hours
  $3.75 for 3 hours $10.00 for 8 hours
  $5.00 for 4 hours $11.25 for 9 hours
  $6.25 for 5 hours $12.00 for over 9 hours

Note: Anyone who does not have enough money to pay their parking charge when leaving a cashiered garage will be assessed an additional $4.00 service fee to exit without full payment.
Visitors / Students

Several university parking lots are available to the public, students, and visitors, with no permit required. However, payment of a parking fee is necessary. Most of these areas are controlled by paystations (centralized meters). These areas include garages: EMS, Sandburg, and Pavilion; and surface lots: Sciences, the Northwest Quadrant, and Cunningham lots (see map for exact locations). The Union and Lubar garages are cashiered. See UPark for off-campus parking alternatives.

DEPARTMENT VISITOR PARKING POLICY

1. Only deans, division heads, directors, department chairpersons, or their designated representatives are allowed to request special visitor parking reservations. Special visitor permits cannot be provided to anyone who is employed by the University. Student Association recognized student organizations may request reservations through the Student Activities Office.

2. Establish a PK number with the Parking and Transit for parking services. Available Permit:
   - A. For part day:
     1. (A) Mornings - 7:00 a.m.-1:30 p.m.
     2. (P) Afternoons - 11:30 a.m.-5:30 p.m.
     3. (E) Evenings - 4:00 p.m.-8:00 p.m.
   - B. For an entire day
     1. 7:00 a.m.-8:00 p.m.
     2. Any combination of two periods. Example: 10 a.m. - 2 p.m. will be charged for an entire day.

   Studnt organizations with proper authorization from the Student Activities Office must pay by cash or check.

3. Request a reservation(s) at least 48 hours in advance by fax (414-229-2933) or in writing. Information that we will need at the time a reservation(s) is made include:
   - A. Date, location and time of reservation(s).
   - B. PK number, name and phone number of a department contact person.

Parking and Transit will then issue a permit for a specific parking area. A permit and a map with parking instructions for the guest will be available for pick-up at the Parking Office.

Restrictions include:
   - 1. A limit of 2 reservations per department in outdoor lots on any given day. Reservations will be made on a first-come, first-served basis.
   - 2. A maximum of 26 spaces in outdoor lots may be reserved campus-wide for any given day.
   - 3. Special visitor parking spaces may not be reserved for regular UWM employees or students.
   - 4. Parking arrangements may be made for the Union and Business garages. A special Value Pass will be issued to the guests. The 2-reservation limit does not apply.

Unreserved accommodations for visitor parking may also be made for the Union Garage on a space-available basis with a “K” permit at any 30-minute meter sold at the all-day special visitor rate. Parking and Transit will then bill accrued charges to the departmental blanket account.

Fees / Payments

PAYROLL DEDUCTION/REFUNDS

1. Faculty/staff programs may be purchased through a payroll deduction contract. If a deduction is missing for any reason, the party is still held liable for the entire amount of the contract, unless advance arrangements have been made with the Parking and Transit Office or the permit has been properly cancelled. Patrons must deposit a minimum of $50.00 on their in-car meter card, payable by cash/check and VISA/MasterCard. A minimum deposit of $100.00 is required for payroll deduction increments of $50.00 up to $200.00 maximum.

2. Using a permit that is fraudulent or fraudulently-obtained, or using a gate card to let someone in or out of a controlled area, will subject the user to all penalties: towing, fines, and criminal citations.

3. There is a $75.00 service charge for switching permits or cancelling and renewing permits more than once in a 21-consecutive-day period. There is a $5.00 administrative charge for cancellations which require special handling.

DISPLAY

1. The permit or meter must be properly displayed and clearly visible. Please carefully follow the instructions given with the permit or meter. A person who forgets to display the permit or meter, or displays it inappropriately, is responsible for tickets issued to the vehicle. For people with permits, a maximum of 3 tickets may be dismissed annually. For people with in-car meters, a maximum of 3 tickets annually may be appealed and be reduced to $10.00 if paid within 10 days. After 10 days all penalties are enforced.

2. Permits and in-car meters are the property of the University and may be recalled and/or confiscated at any time.

3. Permits and in-car meters are not transferable to unauthorized users.

FEES

1. Regular and DA Faculty/Staff permit ................................................. $900.00/year

2. UPark on campus parking with the shuttle doesn’t operate .................. $279.00/year

3. UPark spring recess and summer only ............................................. $240.00

4. UPark summer only Pavilion/FS spaces ......................................... $225.00

5. UPark UWinteriM outdoor only public spaces ................................ $20.00

6. UPark Pavilion .................................................................................. $200.00/year

7. 3rd-shift permit .................................................................................. $50.00/year

8. Campus-wide (except Union) ............................................................. $1,800.00/year

9. Indoor reserved (valid only in assigned area) ...................................... $1,450.00/year

10. Emeritus permit ................................................................................. $100.00/year

7. In-car meter (increments of $50.00 max $200.00)
   - A. Administrative charge .............................................................. $30.00
   - B. Deposit ....................................................................................... $35.00
   - C. Zone 1 - No longer valid on campus
     Zone 2 - 30 minute meters only ................................................... $.50/hour
     Zone 4 - All numbered spaces ..................................................... $.70/hour

8. Resident permit, Sandburg ............................................................... $550.00/semester

9. Student DA permit .............................................................................. $100.00/semester

10. Motorcycles ...................................................................................... $70.00/year

11. Student DA permit .............................................................................. $100.00/semester

12. Resident permit, Sandburg ............................................................... $550.00/semester

13. Visitor DA permit .............................................................................. $50.00/semester
IN-CAR METER

Faculty and staff who request parking on campus can also purchase the in-car meter. This option gives the parker flexible options because the parker using the meter pays only for the time parked on campus.

There is a $30 non-refundable and $35 refundable charge for the meter. The meter can be recharged in increments of $50 and up to $200.

The in-car meter is valid in staff and public spaces (numbered spaces). It is not valid in the Union and Business School garages or in reserved unnumbered spaces.

Parking is deducted from the meter at $0.70/hour for Zone 4 (all campus numbered spaces).

On Saturdays, at long-term spaces only, the meter must be displayed but does not need to be turned on. In-Car Meters are not valid in Sandburg Garage after 8:00 p.m.

FACULTY/STAFF RESERVED PERMIT

This permit is valid in one of the four on-campus parking garages: Sandburg, Pavilion, EMS, and Lubar Business School. The permit is valid only in the parking garage designated on the permit (expect on weekends when the reserved permits are valid in the long-term Public spaces). A campus-wide permit may be used in any log (except the Union) for $1,800 annually. Space is guaranteed at all times. Any misuse of a reserved permit or a gate card (letting someone into or out of a facility for any reason, parking more than one car, transferring the permit to someone else without notifying the Parking Office, or using an inappropriately obtained permit or gate card) will subject the user to described fines and forfeitures.

There is an option to purchase a Reserved Permit for two years. The second year may be subject to a rate increase, if applicable.

FACULTY/STAFF THIRD-SHIFT PERMIT

Workers on the third shift may park overnight in faculty/staff lots and any public parking area excluding the Business School and Union garages, if their vehicle is registered and displays a third-shift permit. These permits are valid between 9 PM and 8 AM. No meter fee is required after 9 PM for vehicles displaying a third-shift permit. Third-shift permit are not valid at short-term meters (30 minutes or less).

EMERITUS STATUS

These permits are issued on a semesterly basis only. There is a charge of $50.00 per semester for the Fall and Spring semesters for anyone on pay status with the University. Proof of emeritus status is required to get the permit. These permits are non-transferable. The rules governing this permit are the same as those for a regular permit.

REPLACEMENT PERMITS

If a permit is lost, stolen, or damaged the Parking Office must be notified immediately. For a replacement to be issued a statement must be signed by the permit holder or the damaged permit must be returned. A replacement is issued at no extra charge. If an in-car meter is lost, no free replacement is issued. The person is responsible for paying all replacement costs.

UPARK Shuttle Bus System

The Satellite UPARK System was developed to address the parking needs of commuting students, faculty, and staff. On-campus parking is extremely limited, and long-term parking on the largely residential streets surrounding UWM is scarce.

Free, unlimited-time parking is provided at the UPARK Satellite lot daily, Monday through Friday, during regular class and exam days of the Fall and Spring semesters. Free shuttle bus service provides transporta- tion between the UPARK and the UWM campus, with valid student ID. UPARK aides on duty at each lot are available to assist you. No parking 2 a.m.-5 a.m. or weekends in the UPARK lot without a UWM permit.

Because the UPARK shuttle buses stop at 7 locations around cam- pus and are accessible, the UPARK shuttle system is more convenient than parking on campus.

Shuttle buses are scheduled to start operating at about 5:30 a.m. and continue operating until about 10:00 p.m., except on Fridays when they stop at 8:30 p.m. during the Fall and Spring semesters. The Capitol/Humboldt shuttle does not operate during the summer, spring break, or UWinterim.

Please pick up a timetable at the Parking and Transit Office or online at www.uwm.edu/parking
UPASS Bus Routes

In cooperation with the Milwaukee County Transit System, the University has developed a transit program (UPASS). In Milwaukee County, there are 6 bus routes and 3 express bus routes that take passengers directly to the University. For students who take at least one credit class on campus, the UPass is included with tuition. With the UPass a student can use any Milwaukee County bus FREE.

Buses servicing UWM:
- GreenLine Oakland/Kinnikinnic
- Rte. 21 North Ave.
- Rte. 22 Center St.
- Rte. 30 Maryland/Wisconsin Ave.
- Rte. 60 Burleigh St.
- RedLine Capitol Dr.
  - Each of these run approximately every 15 throughout the day.

Milwaukee County Transit Park & Ride express shuttle buses:
40U: Picks up at I-94 and College avenue
44U: Picks up at Haes Corners & State Fair Park
49U: Picks up at Brown Deer & Sherman
  - Each of these run on special schedules

Note: During the summer and break periods the 40U, 44U and 49U do not operate.

Please pick up a timetable from the Parking and Transit Office or online at www.uwm.edu/parking.

Bus schedules and routes are subject to change.

F/S Commuter Value Pass

There is a discounted Commuter Value Pass (bus pass) for all employees at the University. The pass is valid on every Milwaukee County bus for 3-month periods. The employee pays $100.50. The Parking and Transit Department pays the remaining balance.

Permit Types

FACULTY/STAFF ON-CAMPUS PARKING PERMITS

Applications for permits may be filed with the Parking and Transit Office, Union WG25. For the purpose of the regulations, this category is defined as full-time (40 hrs./wk) faculty and staff, and part-time (half-time or more) employees who are not enrolled for credit. Teaching assistants, graduate assistants and research assistants are not considered faculty or staff for parking purposes. Faculty/staff members holding unpaid citations can lose parking privileges and be ineligible for permit renewal. All permit types are non-transferable to unauthorized users.

Applicants may remit the entire fee with vehicle registration, or may arrange to have the fee charged as a payroll deduction, subject to restrictions of the Payroll Office. A person may purchase one and only one permit. The permit is transferable between cars. Anyone with unpaid parking fines may not be eligible for on-campus parking privileges.

FACULTY/STAFF REGULAR PERMIT

This permit is valid for parking in designated surface lots only (see map). This permit does not assure the holder of a parking space. When the convenient spaces are all taken, the permit holder should expect to look for space in a less convenient area designated for paid staff parking and walk to his/her destination. This permit does not represent permission to park in a public parking area without paying the parking fee. However, after 3 p.m. weekdays and on weekends, cars displaying valid faculty/staff paid permits may park at any regular meter, including those in the EMS, Pavilion and Sandburg garages, without paying the meter fee. Park in numbered spots only. This does not include short-term meters (one hour or less) at any time, the Union or Business parking garages, spaces reserved for authorized users or special use and special visitor parkers.

Any misuse of parking permits may result in fines and/or cancellation and/or refusal to reissue parking privileges.

There is an option to purchase a permit for two years. The second year may be subject to a rate increase, if applicable.
“K” PERMIT PARKING

Any service worker or contractor who needs parking space(s) as close as possible to their campus destination, for longer than a “visitor” 30-minute meter will allow, may purchase a special “K” permit. This “K” permit will allow a vehicle to be parked at a 30-minute meter beyond its posted time limit and without having to pay the meter fee. The “K” permit will also allow a vehicle to park in other convenient areas and spaces posted, “Vehicles Authorized by the UWM Parking Department Only.” Except for the Union and Business parking garages, the “K” permit will allow a vehicle to park in a parking space available for general public parking without having to pay any additional parking fee beyond the cost of the permit. “K” permits are available to eligible vendors, suppliers, and service and repair agents on the following basis:

One-Day Permits:
These permits cost $8.00 each and are issued in advance. Each permit is self-validating and allows parking all day on the date for which the permit is validated.

Consecutive-Day or Extended-Use Permits.
These permits are sold at the non-reserved rates of $8.00 per day, $120.00 per month, $1,200.00 per year and reserved rates of $13.00 per day, $130.00 per month, $1,200.00 per year. Each permit is validated at the time of purchase.

Only vendors, suppliers, service and repair agents who show proof that they have received an official contract or order for purchase, service or work are eligible to obtain “K” permits of any kind. The UWM Parking Department reserves the right to limit the quantity of permits issued to a vendor or contractor. “K” permits will not be sold to persons or firms in the process of soliciting business from UWM.

Parking Regulations

It is the responsibility of the motor vehicle operator to be aware of UWM parking regulations and to find legal parking space. Lack of legal space is not considered a valid excuse for parking illegally.

1. Parking in a restricted area without a proper permit, a no-parking zone, loading zone, fire lanes or in a manner which obstructs traffic is strictly prohibited. This is enforced at all times.
2. Vehicles parked illegally are subject to tow-away at the owner’s expense.
3. Speed limit in driveways and all parking areas is 5 MPH.
4. Pedestrians shall be given the right-of-way at all crosswalks.
5. Overnight parking is permitted only for vehicles displaying resident overnight permits, third-shift permits or Library permits in the areas designated for their use: 2 AM - 5AM.
6. Unauthorized vehicles parked in excess of 24 hours are subject to tow-away at owner’s expense.
7. Vehicles must be parked within stall markings or between brackets.
8. The University Police will not honor calls requesting that vehicles parked without permit be exempt from parking citations.
9. Observe regulations posted on meters. All metered parking is limited to the maximum number of hours posted on the meter. Exceeding this time zone subjects the vehicle to multiple enforcement actions. If the meter is out-of-order, notify the Parking & Transit office (229-5644). Give location and number of the meter. If prior notification is given and meter is verified to be malfunctioning, a citation will be rescinded.
10. The right is reserved to close any parking area of facility for University purposes. Advanced notice will be given when practical. No refunds or special accommodations are guaranteed to permit holders.
11. The University assumes no liability for loss or damage to any vehicle or contents thereof, while parked in an authorized University area.
12. The regulations are enforced throughout the calendar year, including recesses.
13. The registered owner, and/or permit-holder, and/or operator is responsible for all violations attached to the vehicle and is thus subject to any and all forfeitures resulting from these violations.
14. All provisions of Chapter 346 Wisconsin Statutes (1975), entitled “Rules of the Road”, as applicable to highways and which are not inconsistent with specific provisions of these regulations, are hereby incorporated by reference and adopted for the regulation of all vehicular traffic, including bicycles, on all roads and driveways, including all off-street areas designated as parking facilities, under the control of the Board of Regents of the University of Wisconsin System. Said statutory provisions are intended to apply with the same force and effect. All traffic shall obey the posted signs approved by the Chancellor or his designee responsible for regulating such traffic.
15. Any person avoiding payment of required parking fee or in violation of University Parking Regulations is subject to penalties and forfeitures as described under Penalties.
VIOLATIONS OTHER THAN PARKING

Manipulation, with or without any instrument, gate card, object or device, of any parking meter or parking gate component which facilitates the avoidance of paying the appropriate fee or allows someone into a restricted area .............................................. $50.00

MOTRCYCLES, MOTORBIKES, SCOOTERS, ETC.

These must be parked in designated areas only. Parking in car stalls, bicycle racks or the Business School, Pavilion and Union garages is prohibited. Motorcycles cannot be parked on the grass or other landscaping which borders the posted areas. Motorized two-wheel vehicles must display a permit on the back of the rearview mirror (see fees). Mopeds are classified as bicycles by the State of Wisconsin and must follow the rules for bicycles.

One-day public visitor motorcycle parking is available for $9.00. There is no long-term public visitor motorcycle parking. Visitors should use the city streets surrounding the campus. Motorcycles are allowed to park at 30-minute meters. The meter must be paid.

PEDESTRIANS

Pedestrian safety is very important. Please remember pedestrians have the right of way in all crosswalks.

BICYCLES

These must be parked in designated areas only. Supporting UWM mission to be a “Greener Campus” there are legal indoor bike spaces under EMS and outdoor racks all over campus. There are bike repair stations on Spaights Plaza and by the Klotsche Center. Free air pumps have been added in EMS, the Pavilion, Union, and NWQ garages.

FUELING ELECTRIC VEHICLES ON CAMPUS

Electric vehicle charging stations are available for use in the North-west Quadrant and EMS lots. There are two “Quick Charge Stations”; near the entrance of the Pavilion and EMS garages. The price is currently $1.50/hour, four hour maximum.

ENFORCEMENT

Parking enforcement personnel and the University Police regularly patrol the campus to enforce regulations. Authority for these regulations and for the issuance of parking citations is derived from Chapter UWS 18.05 of the Wisconsin Administrative Code.

The Department of Transportation may refuse renewal of vehicle registration if tickets are not paid or appealed promptly. Vehicles which accumulate unpaid citations and are found illegally parked on the campus can be towed away and stored at owner’s expense. A vehicle remains on this enforcement list and an Academic Hold can be placed against the account until all outstanding citations and fees have been cleared from the Parking Department files.

PLAN #1

SANDBURG GARAGE - FALL/SPRING

Under this plan, a limited number of dorm residents may purchase a permit that allows them to park 24 hours per day at a reserved (unnumbered) space in the lower level of the Sandburg Parking Garage.

No parking at public spaces. No parking at 15-minute meters.

PLAN #2

SUMMER SESSIONS ONLY

Under this plan, dorm residents may purchase a permit that allows them to park 24 hours per day at a reserved (unnumbered) parking space in the lower level of the Sandburg Parking Garage.

Permits are sold on a per-need basis (greater than one month) during the summer. The Parking and Transit Department has a right to limit the number of permits available for sale.

Loading Docks/ Service Areas

ERRAND/SHORT TERM

Following are the rules for repair workers, contractors, service representatives, and members of the University community who need to load or unload material.

Dock areas are reserved for delivery vehicles with truck plates while loading or unloading. Short-term errand parking (picking up mail or delivering something to an office) is provided at the 30-minute meters or in public parking lots only. Personal vehicles are not allowed in loading docks. Parking in service areas requires authorization from the Parking Office. Parking elsewhere is prohibited.

Note: Parking at the job site is not an acceptable excuse to park illegally.

If a motor vehicle of any type will be used in the conduct of a job or business at UWM, a vehicle left unattended for any length of time is considered parked. This applies even to vehicles that are unattended with their hazard lights on.
Dormitory Resident Parking

UNIVERSITY-ADMINISTERED 24-HOUR PARKING

24-hour parking is available both short and long-term and is sold on a limited basis.

SHORT-TERM PARKING FOR GUESTS AND RESIDENTS
(PERMIT AND NON-PERMIT)

Guests of dorm residents who do not need overnight parking may use any of the campus public parking facilities by simply paying the proper fees and abiding by the daily parking regulations. No special permit is required.

Dormitory residents or their invited guests who need overnight parking on a short-term basis may purchase a 24-hour permit for up to 6 days at a time for the Sandburg Parking Garage at the rate of $10.00 per day. Park only in public spaces. These permits are not valid in reserved sections.

These 24-hour short-term parking permits can be purchased at the Sandburg Halls Main Desk any day between 8:00 am and midnight. Parking in the Sandburg Garage is free at public meter spaces on Sundays only.

LONG-TERM PERMIT PARKING

A limited number of long-term parking permits are sold on a semesterly basis to residents on a first-come, first-served basis. After a regular semester or summer session begins and spaces are still available, dorm resident long-term parking permits are sold according to a prorated fee schedule which is based on the number of calendar days remaining on the permit sold. During the summer session only, permits may be purchased for periods less than a semester.

A refund will also be made for the unused portion of a long-term Fall or Spring semester parking permit. Refunds cannot be retroactive. The refund is prorated from the day the permit (or an identifiable portion thereof) is returned to the Parking and Transit Office. No refunds will be made after the Thanksgiving recess period for the Fall semester, or after the Good Friday period for the Spring semester. Except for special hardship cases, no refunds are made for summer session permits.

</table>

An additional fee of $10.00 is assessed for all unpaid tickets which are referred to the Department of Transportation.

Parking violation fees are payable at the Parking & Transit Office, Union WG 25, unless appealed within 10 days, or on-line at parking.uwm.edu.

APPEAL PROCEDURES FOR UWM PARKING CITATIONS

Within 10 days of the violation, Appeals are to be made in writing to the UWM Parking & Transit Office, P.O. Box 413, Milwaukee, WI 53201. If a Second Level Appeal is desired, consult the Parking & Transit Office.
Disabled (DA) Parking

ON-CAMPUS PARKING FOR PEOPLE WITH MOBILITY DIFFICULTIES

Specially reserved parking stalls are posted for use only by vehicles displaying a UWM DA permit, state-issued Disabled ID card or plates, or Disabled Veteran plates. A vehicle parked in a reserved parking space without proper identification is subject to immediate tow-away at the owner’s expense. A person who has the state-issued ID card or veteran plates need not display a UWM permit but they must pay the parking meter, pay station, or cashier.

ELIGIBILITY

For parking purposes, the Parking Dept. follows the ADA guidelines: “Persons with disabilities which limit or impair the ability to walk means a person who as determined by a licensed physician: 1) Cannot walk two hundred feet without stopping to rest; or 2) Cannot walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device.”

DRIVERS TRANSPORTING DISABLED PERSONS

Able-bodied drivers who transport disabled persons generally will not be considered eligible to obtain a UWM DA parking permit. In such cases, drivers may park at 30-minute meters to assist a disabled passenger.

SEMESTERLY PERMITS

UWM Student DA permits are sold on an as-needed basis – weekly, monthly, or semesterly.

If legal spaces are unavailable, you must seek alternative parking. Lack of legal space does not allow illegal parking.

UPARKS

The shuttle bus serving the UPark location at Capitol/Humboldt now accessible. These buses operate during the Fall and Spring semesters on school days only. This provides free parking and free transportation to campus. See timetables for details.

TEMPORARY PERMITS

Short-term UWM DA permits for people with mobility difficulties are available to eligible persons and other persons with an obvious temporary disability on a daily basis for a period not to exceed four consecutive weeks. Short-term permits are also available to persons in the process of obtaining the certified proof required to purchase a semester permit, or eligible persons who expect to be on campus two days a week or less.

The cost is $3.00 per weekday for students and $5.00 per weekday for faculty and staff. No refunds will be issued for any unused portion of time remaining on a short-term permit. Persons who purchase short-term permits and become eligible to purchase a long-term temporary or annual permit, will be given credit for the cost of the short-term permit toward the cost of a long-term temporary or annual permit.

Long-term temporary permits may be purchased by eligible persons on a monthly or semesterly basis. The cost of permits will be based upon the pro-rated semesterly fee for the term of the permit. Long-term temporary or semesterly permits may be returned for a prorated refund of the unused portion only if more than 20 days remain on the permit.

OBTAINING A UWM DA PERMIT

Permits are purchased from the UWM Parking and Transit Office, Room WG25 in the Student Union. Evidence of eligibility and arrangement for payment in full is required at the time of purchase. UWM Permits are valid in all lots on campus.

WHERE TO PARK

Spaces reserved for the physically challenged are located in most university parking lots (see map).

Qualified vehicles not displaying a UWM DA permit may park in all designated parking spaces for the physically challenged. However, payment of the normal parking fee is required. Pay the parking meter, pay station or cashier.

People with the prepaid UWM DA permit may also park at 30-minute meters (beyond the 30-minute limit) and any other regular space within the lot. These permits are not valid at special visitor reserved spaces, F/S Reserved spaces, or in spaces authorized by the UWM Parking Dept.

WHERE NOT TO PARK

Do not park at any bagged meter spaces. These are individually reserved spaces or special event spaces. Do not park in designated indoor reserved areas.

Do not park in cross-striped areas. These are walkways and must be kept clear.

Do not park in posted service areas marked "Authorized by Parking Department” or "No Parking Zone.”
