Name and address of relative or close friend to be contacted in case of emergency if we are unable to reach parents/guardian.

Our programs and activities are designed to help you increase your academic and social abilities – helping you work toward a better future.

For this reason, all students have the responsibility to help maintain the best possible atmosphere for learning so that everyone will be able to

do his/her best. By paying attention, following directions, participating in activities and, most of all, by treating everyone with respect, you will

be helping to accomplish this goal.

Both parents and students are asked to read and sign this paper below. Thank you!

Student Responsibilities

1. To behave in a respectful manner to presenters, tutors, program staff, and other students.
2. To avoid abusive or loud language.
3. To ask questions if you do not understand what is being discussed.
4. To respect the property of other students, presenters, tutors, and the university.
5. To arrive on time and remain for the entire session.
6. To not bring radios, headphones, beepers, or cellular phones to workshops or tutoring sessions.
7. To not wear hats or caps during programs, except where a student may have a religious or closely held belief for doing so.
8. A student bringing any kind of weapon will automatically be dismissed from the program.
9. To not engage in any inappropriate conduct, including sexual activity, while participating in any aspect of the program.
10. To not engage in any illegal activity while participating in any aspect of the program, including possession or use of alcohol or

controlled substances without medical authorization.

Students not maintaining these standards will typically be warned and the parents will be contacted. Following a second warning, and upon

consultation with the staff, a student may be dismissed from the program. UWM, however, reserves the right to impose discipline as it deems

appropriate, including automatic dismissal from the program.

Parent/Guardian Responsibilities:

1. To encourage your student to participate and do his/her best – your interest and involvement are crucial to their success.
2. To participate in parent workshops as often as possible. They will provide you with information which will help you and your student.

Your involvement sends a strong message to your student that these programs are an important contributor to their success.
3. To provide transportation to and from the program – please be sure that the student arrives on time and is picked up promptly.
4. To communicate with the program in writing about any special needs or circumstances. For example, if a student attending alone needs

to leave early, please send a note.

Thanks to all parents and students for your understanding and cooperation in these matters!
