

## Undergraduate Reentry Application Instructions

### USE THIS APPLICATION IF YOU:

- Previously attended UWM as an undergraduate degree candidate, and
- Have been out of classes for one academic year (fall and spring) or more, or
- Have been academically dropped from UWM, and
- Now want to return as an undergraduate degree candidate.

### SKIP THIS APPLICATION IF YOU:

- Stopped out for only one regular semester (i.e., one fall or one spring), and
- Left UWM in good academic standing (i.e., GPA at least 2.0 or above), and
- Now want to return as an undergraduate degree or nondegree candidate. Your UWM account has remained active while you were gone. A reentry application is not required. However, if you attended another college or university since you last attended UWM, you are required to submit an official transcript. Failure to disclose institution(s) attended may result in disciplinary action. Log onto PAWS to check for an enrollment appointment time and plan to schedule an appointment with your advisor. If you have problems logging into your PAWS account, contact UITTS at 414/229-4040.

### OTHER REQUIRED DOCUMENTATION:

- If you attended another college or university since you last attended UWM, you are required to list all institution(s) attended on your Undergraduate Reentry Application and submit an official transcript to UWM. Failure to disclose institution(s) attended may result in disciplinary action.
- If you are currently enrolled elsewhere, please submit a list of courses you are currently taking. Include department name, course number, course title, and the number of credits. (A copy of your current student schedule will suffice.)
- If you were academically dropped from UWM, you must obtain official permission to reenter from the academic dean of the school or college from which you were dropped. You must do this regardless of how long you have been out of school. Once the official permission is approved, it will be posted on your UWM record. The Office of Undergraduate Admissions will verify that official permission has been granted before proceeding with a review of your application.
