University of Wisconsin-Milwaukee
A World-Class University
Welcome to UWM

Established in 1956, the University of Wisconsin-Milwaukee (UWM) is a large, public research university located in the city of Milwaukee in the US state of Wisconsin. UWM is composed of fourteen schools and colleges and numerous institutes, laboratories and other facilities that encompass nearly all areas of learning, research and innovation, including the arts, architecture, humanities, engineering, business, and natural, social, health, and freshwater sciences. UWM offers nearly two hundred programs of study at the bachelor’s, master’s and doctoral level in a wide variety of disciplinary, interdisciplinary and professional fields. UWM is committed to global engagement through its curriculum, research activities, and student and faculty mobility, and through partnerships with universities and corporations around the world.

School of Information Studies

The School of Information Studies is a pioneer of online delivery, offering a master of Library & Information Science (M.L.I.S.) degree fully online. The school’s M.L.I.S. program is ranked no. 15 in the nation according to U.S. News and World Report.

College of Nursing

Wisconsin’s largest nursing school including a graduate program consistently ranked among the top 10% nationally by U.S. News & World Report.

School of Architecture & Urban Planning

The world-renowned school offers one of the the nation’s best architecture program Ph.D program according to the National Research Council. SARUP offers Bachelor’s (B.S., Architectural Studies), Master’s (M.Arch and M.S. Arch) and Doctoral (Ph.D.) degrees in Architecture, a Master of Urban Planning (MUP) and a Coordinated Master’s degree in Architecture and Urban Planning (M.Arch/MUP). SARUP has graduates in 35 countries.

Peck School of the Arts

UWM’s Peck School of the Arts is the only dedicated arts school in Wisconsin, and its film program ranked in the top 20 in the world by Hollywood Reporter in 2011. The School also has the world’s only finger-style guitar program (American tradition).

Lubar School of Business

Accredited by the Association to Advance Collegiate Schools of Business (AACSB), a distinction given to less than five percent of business schools worldwide. Part-time MBA program is ranked 17th in the Midwest and 71st nationwide by Bloomberg Businessweek. The school’s graduate program in taxation is among the top ten such programs nationwide, according to TaxTalent.

College of Letters & Science

Is the powerhouse of research on campus, bringing in 50% of all incoming research dollars. Many of our 60+ programs in the natural sciences, the humanities, and the social sciences are nationally ranked for their excellence. The College offers master’s and doctoral degrees, post-baccalaureate certificates, and joint interdisciplinary degrees.

School of Architecture & Urban Planning

The world-renowned school offers one of the the nation’s best architecture program Ph.D program according to the National Research Council. SARUP offers Bachelor’s (B.S., Architectural Studies), Master’s (M.Arch and M.S. Arch) and Doctoral (Ph.D.) degrees in Architecture, a Master of Urban Planning (MUP) and a Coordinated Master’s degree in Architecture and Urban Planning (M.Arch/MUP). SARUP has graduates in 35 countries.

5,000 DEGREES AWARDED ANNUALLY

145,000 ALUMNI INCLUDING:

SATYA NADELLA, CEO, Microsoft
LUIS ARREAGA, US Ambassador
JIM RYDBEL, Academy Award Winner, Lord of the Rings

College of Engineering & Applied Science

One of only two public universities in Wisconsin offering engineering degrees through the doctoral level, hosts state-of-the-art on-site and satellite campuses with the most advanced technology and equipment essential for scientific discovery such as Wisconsin’s only dry lab for energy storage research, funded by Fortune 500 company, Johnson Controls, Inc.

School of Freshwater Sciences

Milwaukee has an international reputation as a center for water technology, business and research. UWM’s School of Freshwater Sciences, the only school of its type in the U.S., is central to these activities, addressing water issues on a local and a global scale.
UWM is Milwaukee’s University

UWM is committed to creating dynamic research relationships throughout the region and beyond that engage the world’s most far-reaching issues including, technology, health, economics, environment, culture, and education.

Six Fortune 500 companies are located in Milwaukee.

Milwaukee and UWM

Living and learning in Milwaukee makes your university experience exceptional and memorable. Milwaukee is the largest city in Wisconsin and the center of business, industry and culture. The city surprises its visitors with a beautiful lakeshore, friendly people, convenience, diverse dining, entertainment and cultural opportunities.

UWM is located in Milwaukee, a city in the south-eastern part of the US State of Wisconsin, with a regional population of 1 million people. Milwaukee is a diverse and dynamic community with a breadth of activities, including cultural and sporting events, international restaurants, numerous shopping opportunities, and a vibrant nightlife.

Milwaukee is known for its year-round festivals, many of which honor music, art, food and culture; and its biggest festival, Summerfest, is considered the world’s largest music celebration. Milwaukee is built on the shores of Lake Michigan (the fifth largest lake on earth), providing opportunities for a wide variety of beach activities and water sports.

English for Academic Purposes

Two programs are available to help you be successful in your academic work:
- Pre-academic Intensive English Program (noncredit)*
- Academic English: writing, speaking, listening (credit)

Students who do not meet the English proficiency requirements for regular admission are eligible to be considered for dual or conditional admission. Dual admission permits part-time academic study in addition to part-time English language instruction. Conditional admission allows for full academic admission but requires full-time English language study in UWM’s ESL program until English proficiency requirements are met.
