Early Adolescence-Adolescence Special Education Program

About UW-Milwaukee

UWM's 104-acre campus is located just blocks from the shoreline of Lake Michigan, in the economic and industrial center of Wisconsin. More than 25,000 students, 180 degree programs and a world-class faculty drive UWM's progress as a major public research university and engine of development for Southeastern Wisconsin and beyond. Underscoring all the advantages of a large urban institution, the university's Access to Success initiatives ensure that first-year and transfer students establish a network of friends and support, and achieve success through academic opportunities and personal connections with experienced students, faculty and resource centers campus wide.

The School of Education

The UW-Milwaukee School of Education prepares you for a career as a teacher, counselor or principal, or as an educator working in non-school settings such as child care centers, social service agencies, business, government and industry.

You will learn from distinguished faculty who are recognized internationally for their scholarship, leadership and research. We work closely with more than 200 area schools and agencies, giving you the opportunity to have hands-on field experience. You will also learn by interacting with over 2,000 classmates, with varied backgrounds and experience. At the heart of our program is an urban mission, preparing you to meet the unique social and economic challenges facing

urban schools. With an education degree from UWM's School of Education, you'll take your place among skilled and motivated professional educators who are sought after by schools and agencies in metropolitan Milwaukee and across the country.

The UWM School of Education is preparing tomorrow's educators with a commitment to diversity, equity and excellence. If you're ready to make a difference, we invite you to explore the many opportunities here at UWM's School of Education.

About Early Adolescence-Adolescence Special Education Program

The EAA Special Education major leads to a Bachelor of Science in Exceptional Education. Upon completion, students will be eligible to apply for a Cross-Categorical Special Education Teaching License from the Wisconsin Department of Public Instruction for ages 10-21, in 6th through 12th grade. If you already hold a Bachelor's Degree, you can gain EAA Special Education Teach Certification as a Post-Baccalaureate student.

Our faculty are recognized leaders in the field of Special Education with expertise in urban teaching, inclusive education, language and literacy, curriculum and assistive technology. Additionally, with our focus on urban education, you'll learn culturally responsive teaching methods to reach students from diverse backgrounds. This will help best prepare you as an educator for an area where teachers are consistently in high demand.

Get CONNECTED

The program is a part of the array of programs offered in the Department of Exceptional Education located in Enderis Hall.
