NOW!

The fourth annual M³ Professional Development Workshop is scheduled for February 16, 2021 invites **MPS Teachers** together with **MATC and UWM Faculty** to participate in:

General Session: Teaching for Equity and Inclusion in a Virtual Environment

Led by, Dr. Sarah MacDonald, Teaching, Learning and Technology Consultant, UWM Center for Excellence in Teaching & Learning

Interactive sessions in English Language Arts, Math and Science:

Led by content specialists from MPS, MATC and UWM to advance strategies that increase curricular alignment and student success

Register in advance for this webinar:

https://milwaukeemps.zoom.us/webinar/register/WN_BmtGSLfyRHa3A027AvzsSQ

After registering, you will receive a confirmation email containing information about joining the webinar.

NOTE: **MPS registration:** Due to platform limitations, only *high school teachers* are invited to attend the breakout sessions.
MATC and UWM registration: MATC and UWM faculty and academic staff can register and attend by registering with your MATC or UWM e-mail address.

Goals of the M³ professional development day are to:

- Improve teaching practices, better understand our students, grow capacity across multiple modes of learning and address institutional racism
- Create curriculum connections in English, math, and science from high school through college

For questions or more information, please contact Vicki Turner, turner@uwm.edu
For MPS specific questions, please contact Dr. Felicia Saffold: saffolf1@milwaukee.k12.wi.us
or content specialists: English Language Arts, Nuntiata Buck: bucknp@milwaukee.k12.wi.us
Math, Dr. Jose Garcia Joven: garciaje@milwaukee.k12.wi.us
Science, Rochelle Sandrin: sandrirr@milwaukee.k12.wi.us

M³ seeks to **transform the future of Milwaukee through education**. Through collaboration, coordination and partnership, MPS, MATC, and UWM will increase the retention, graduation, and career success of our students and provide a prepared workforce and citizenry for the Wisconsin economy.
