# Student Involvement's Mission:

We work with students to create  
memorable experiences and  
connections beyond the classroom that  
enrich their lives.

# Student Involvement's Vision:

We aspire to get every student at UWM  
involved in ways that enhance their  
college experience.

# Six Dimensions of Involvement

CONNECT • • • LEAD • • • CREATE • • • LEARN • • • EXPLORE • • • CELEBRATE

# New Students

---

- Questions to Ask:

- Where are you making connections with fellow students?
- How are you exploring campus and Milwaukee?

- Action Items:

- Get out, explore and do stuff!
- Join one student org connected to major/career interests. Find one involvement opportunity that will help you relax/rejuvenate or pursue a personal interest.

# Continuing Students

---

- Questions to Ask:
  - How do you hope to grow as a leader this year?  
What skills do you want to develop?
  - What is something brand new you are hoping to learn?
- Action Items:
  - Participate in a leadership development program each year.
  - Push yourself beyond your comfort zone to learn something new.

# Students Approaching Graduation

---

- Questions to Ask:
  - What involvement experiences haven't you pursued yet that you want to make happen this year?
  - How are you making time to reflect on the involvement experiences you have had during your time at UWM?
