

ACN Meeting Minutes: October 17, 2017

- Welcome

- Developmental Math Updates: Dr. Kelly Kohlmetz
 - New changes are coming from system, including a “Common cut score”
 - New placement testing category – “MFUND” – to help determine developmental math placements
 - UWM is ahead of the curve, plans to continue to develop curriculum for new guidelines.
 - In the process of figuring out meta major pathways
 - System is asking to change pre-requisites for math courses.
 - Upcoming changes
 - Developmental math courses could be combined/corequisites with 100 level math courses (similar to the 98/108 sequence)
 - The department is in the processing of lining MATH 116 requirements and MATH 105 requirements
 - QLA course is now in a FLEX program for the RN/BSN program
 - Summer 18 will offer MATH 92/102
 - MATH 92/102 may only be offered as a joint class (based on demand). Tuition would be 6 credits (3 developmental and 3 credit bearing)

- Athletics updates: Clare Faurote and Jessica Kumke
 - NCAA Rules Update - Not a lot of changes, few updates
 - Rules designed for student to be students (5-year timeline)
 - 6 credits per semester
 - 18 for Fall and Spring combined
 - Winter can count
 - Summer can not
 - 1st Year 24 Credits (can include summer)
 - 2nd year 40%, 3rd 60%, 4th 80%
 - Major credits must be what is in course catalog
 - Starting 3rd year all credits must be degree applicable
 - NEW – Students can use credits toward minor or (6/18 rule as noted above) but not degree applicable. The minor must be declared before the start of the term
 - Double major in degree can be counted in rules. If in 2 degree programs they need to pick one.
 - Athletic forms will be sent after W, due at the end of the semester
 - Advisor social – Jan. 11th at 10a.m.
 - Brunch tailgate followed by game

- Student Union vote: Rick Thomas
 - Vote for renovation of union
 - Study in 2008 – failed referendum
 - 2012 – passed referendum (4,000 votes) tear down and replace union
 - Too much money -> system wanted more feedback
 - 2014 – Study done, system support for new referendum
 - Upcoming referendum would need about 20% of the student body or higher. A hold will be placed on students accounts.
 - Tied to course registration
 - Put in “to do list”
 - Will have a hold until referendum is voted on
 - Would go live November 6th (same as course catalog)
 - Checklist will also be a hold, new students will also have financial aid hold
 - New union could increase Seg Frees by about \$120 more
 - Fee only in place if all other proposals are approved
 - Emails/marketing is starting to students

- Title IX: Dr. Julie Bonner
 - Lots of new system requirements
 - Full time sexual violence/victim advocate was hired this summer
 - 75% of students who get counseling stay in school
 - System has increased required trainings
 - Students are reminded to completed
 - Student Employees get the same training as full time staff
 - New students get a different training focused on relationships in addition to Title IX
 - Checklist item no hold
 - Previous initiatives were focused freshman (was on drugs and alcohol and consent and respect)
 - Now campus wide
 - Suicide prevention training dates have been posted
 - Mental health programs site “Gatekeeper” training
 - No longer offer health insurance aside from internal students
 - Emergency Grants are through DOS, students should contact the DOS with questions
 - Will hold listening sessions before next trainings

- Announcements/Campus Community Reports
 - PAWS – B. Hinshaw
 - Attempted PAWS update, could not get all issues fixed
 - New updates will happen the last weekend of the month (27th) – withdraw deadline extended to 31st
 - Extension of W deadline passed by faculty to align with Financial Aid deadlines
 - Hope to be effective Spring 2018 (50% → 60%)
