Navigate Updates

- UWM and EAB leadership changes

- Rollout at Waukesha and Washington County campuses

- Updated Navigate website: www.uwm.edu/navigate

- Weekly office hours on Wednesday at Noon, or by appointment

- Created a video tutorial demonstrating the three ways instructors can utilize Progress Reports

- Revised content students receive from instructors, with action language

Navigate goals for academic year

1. Conduct **environmental scan** involving conversations with all schools and colleges and support offices included in the Coordinated Care Network.

2. Increase **progress report** usage and develop reporting metrics for stakeholders.

3. Support **academic advising unit** usage of Navigate through requiring two campaigns per school/college per year, and developing common naming, reporting, and tracking conventions.

4. Develop **faculty advising** functions and capacities, including appointment scheduling and note-taking.

5. Enhance **training infrastructure** using Navigate website to support user onboarding and offboarding.
