# Adjustment Intentions

---

- Stakeholder feedback used to revise outcomes
  - Thank you for the awesome feedback!
- Prioritizing addressing enrollment barriers/taking care of business
- Provide more advising/academic information time during in-person programs
- Scale back time requested of as many campus partners as possible
- Needs/Concerns-based approach to program schedule and order of information delivery
- Consideration of ability to understand and retain information based on time of onboarding – *when can this info be applied?*

# Names/Terms to Know (Transfer and Adult Students)

- Transfer and Adult Student Orientation (TASO) **Step 1:**
    - Required **online** program hosted in Canvas for transfer and adult freshmen students
    - Adult students required to meet with academic advisor to enroll
    - All students encouraged to schedule academic advising appts as soon as possible upon completion.
  - Transfer and Adult Student Orientation (TASO) **Step 2:**
    - Optional in-person ½ day program
    - Advising available during programs (3 sessions hosted over summer)
- \*No Panther Transition Training required for Transfer/Adult students.*

# Transfer/Adult Process

# Transfer/Adult Outcomes by Phase

TASO Step 1 - Online  
After admit

Recall the opportunities available to engage with UWM's campus in-person before the 1<sup>st</sup> day of class.

Articulate that meeting early with an academic advisor is important in order to enroll in appropriate courses, to ensure timely graduation, and understand degree requirements.

Articulate the **mandatory steps** post-completion of TASO Step 1 to prepare for the 1<sup>st</sup> day of classes.

Plan as needed to utilize financial resources to support their financial well-being as a UWM student.

Apply campus technology knowledge to complete required trainings, participate in courses, and communicate with UWM staff.

TASO Step 2 – In-person  
Summer

If not completed already, enroll in courses and understand how to use PAWS to enroll in courses during future semesters until graduation

Address logistical questions and concerns to build confidence in attending UWM.

Learn about technology support resources to support their academic success.

Evaluate financial plan and take steps toward financial wellness. (Scholarships, apply for employment, budgeting, identify expenses)

Prepare for living arrangements and transportation (Commuter students/University Housing)

Panther Transition Day  
In-person before 1<sup>st</sup> day

Build skills to inform bystander intervention and consent to apply in social situations as a UWM student  
**SHAW, DOS, Title IX, Safety**

Visit and learn about resources to support holistic wellbeing.  
**Campus Partners!!!!**

Build academic skills and plan for academic success as a UWM student  
**Student Success Center, Tutoring, Writing Center, Academic Advising, etc.**

Explore campus and become more familiar with classroom locations, buildings, resource locations, etc.  
**Self - Exploration**

Affirm affiliation with UWM as an aspect of social identity.  
**Traditions – Class photo, coin toss, etc.**

# TASO Step 2 – Draft Program Schedule!

- 11:30am – 1:00pm | Rolling Check-In
- 11:30am – 4:00pm | Taking Care of Business Labs/Walk-In Support
  - Open advising
  - Financial Aid
  - eBooks
  - Housing Lab
  - Tech Lab
  - Student social w/ OLs
  - UWCU
  - UPASS/Transportation
  - Q&A table

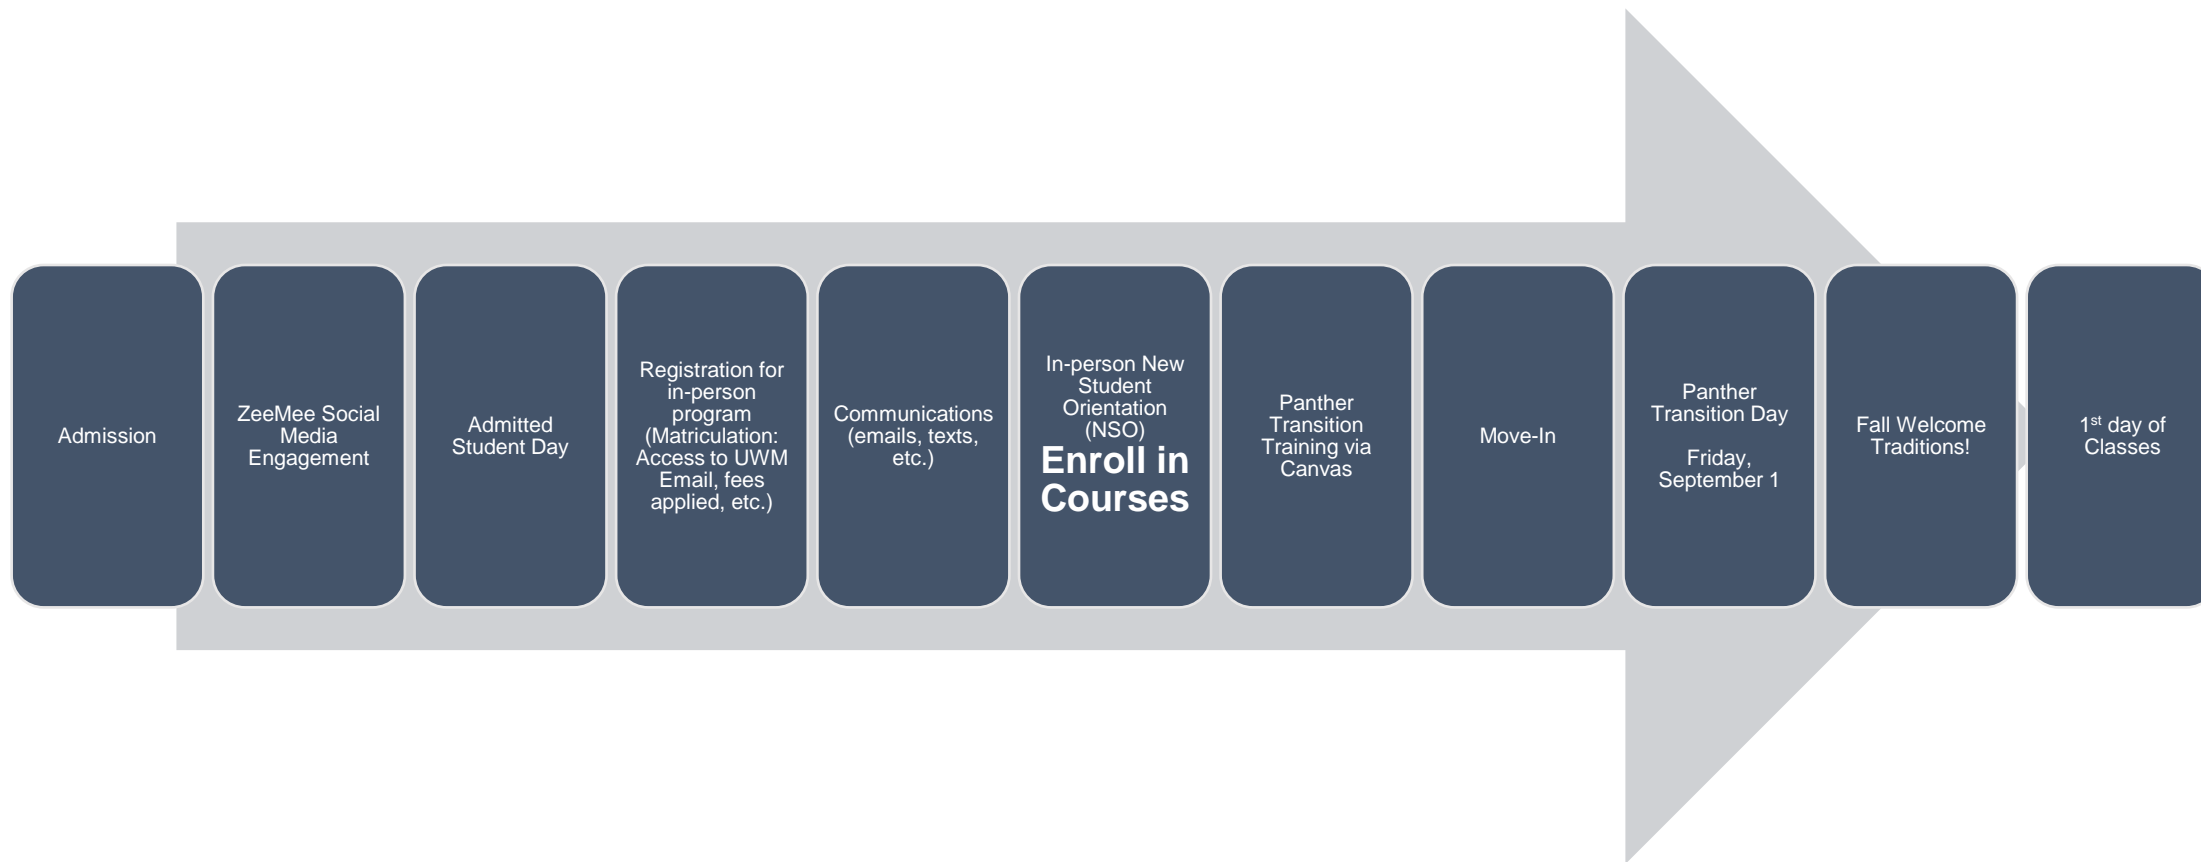

# TASO Step 2 – Draft Program Schedule!

- 1:00pm-4:00pm | Facilitated Sessions
  - Welcome
  - Living and learning panel featuring Health, Safety, Academic Support resources
  - Financial Aid, Scholarships, and Employment Session
  - Technology and Off-Campus Resource sessions
  - Closing

# Names/Terms to Know (Freshmen)

- New Student Orientation (NSO):
  - Required in-person program for traditional new freshmen
  - Enroll in courses on day 2 of overnight program (note 2 one-day August programs)
  - 17 sessions hosted throughout the summer
  - Only June sessions are currently available
  - Online NSO available for students unable to attend in-person NSO (note: Online NSO is not open registration, reach out to NSP if student needs online)
- Panther Transition Training:
  - Required online component of Orientation hosted in Canvas
  - Students will receive invitation to enroll once completed NSO
  - Must complete by Aug. 28
  - Will trigger a checklist item in Slate and a PAWS positive service indicator
  - This contains mandatory federal, state, and UW System compliance information on Free Speech, FERPA, Title IX, etc. that must be delivered during the orientation process.

# Traditional New Freshmen Process

# New Freshmen Outcomes by Phase

**New Student Orientation**  
*In-person early summer*

Enroll in courses and understand how to use PAWS to enroll in courses during future semesters until graduation

Develop awareness of support resources and understanding of how to utilize resources to support holistic success as a UWM student

Address logistical questions and concerns to build confidence in attending UWM

Develop realistic expectations for their student experience at UWM

Know how to log-in and utilize campus technology, specifically Office 365, and Canvas allowing them to complete required trainings, participate in courses, and communicate with UWM staff and support systems.

**Panther Transition Training**  
*Online in Canvas – late summer*

Receive and understand Title IX, FERPA, Free Speech, etc. federal, state, UW System compliance information

Appraise need and plan for utilization of resources to support holistic success as a UWM student.

Learn about technology support resources to support their academic success.

Evaluate financial plan and take steps toward financial wellness. (Scholarships, apply for employment, budgeting, identify expenses)

Plan for living arrangements and transportation (Commuter students/University Housing)

**Panther Transition Day**  
*In-person before 1<sup>st</sup> day*

Build skills to inform bystander intervention and consent to apply in social situations as a UWM student
