

IACUC Guidelines for PI Attendance during Protocol Reviews

Last Review: 2/2022

Revision History: 2/2022

- The PI is required to attend the protocol review session unless they have extenuating circumstances.
- The PI will contact the Chair/Veterinarian at the time of notification of when and where the protocol will be reviewed to explain any extenuating circumstances preventing them from attending the review.
- If the PI is excused from attending the review, they should send someone else in their place who is knowledgeable about the protocol.
- The PI may bring other knowledgeable individuals from their lab with them for the review.
