

# Selecting Accommodations for Individual Classes in ARConnect

## Eligibility

You are eligible to select accommodations if you are enrolled in classes at the University of Wisconsin-Milwaukee and have a current accommodation plan with the Accessibility Resource Center.

## Getting Started/Login

- Log into ARConnect with your ePanther ID and password.
- Read e-forms and acknowledge consent by typing your name and pressing the "submit form" button.

## Selecting Accommodations

- Click on "**List Accommodations**"
- **Step 1 - Select Classes:** Select a class by clicking on the class box(es). A checkmark is displayed in the box for selected classes.
- **Step 2 - Continue to Customize Your Accommodations:** Click on this button to open a window and select accommodations for each class. Select your accommodation(s) by clicking on each accommodation box. A checkmark is displayed in the box for selected accommodations.
- **Step 3 - Submit Your Accommodation Requests:** Click on this button to submit your accommodation requests.

## What happens next?

Between one and four weeks before the semester begins, ARC will email a Faculty Notification Letter to the instructor(s) identified in PAWS. You will receive a copy of this email when it is sent.

Instructors will continue to receive notifications throughout the semester when there are changes to your classes and accommodation requests.

Please contact your ARC Access Specialist if you have any questions.
