
JENNIFER L. PICARD

Project Manager

University of Wisconsin-Milwaukee Cultural Resource Management Services
3413 N. Downer Avenue • Milwaukee, Wisconsin 53211 • 414.229.3078 • jlpicard@uwm.edu

Helping to Ensure the Future of the Past

PROFESSIONAL HISTORY

Project Manager, UWM-CRM, Milwaukee, Wisconsin (*June 2015 to Present*)
Staff Archaeologist, UWM-CRM, Milwaukee, Wisconsin. (*2013 to June 2015*)
Archaeological Technician, Historic Resource Management Services, UWM, Milwaukee, Wisconsin (*2013*)
Staff Archaeologist, Great Lakes Archaeological Research Center, Milwaukee, Wisconsin (*2012 to 2013*)
Archaeological Technician, Great Lakes Archaeological Research Center, Milwaukee, Wisconsin (*2010-2012*)

EDUCATION

Master of Science in Anthropology, University of Wisconsin-Milwaukee (2013)
Thesis Title: *Northern Flint, Southern Roots: A Diachronic Analysis of Paleoethnobotanical Remains and Maize Race at the Aztalan Site (47-JE-0001)*
Bachelor of Arts, University of Arizona (2007)
Advanced Archaeological Field School, Aztalan State Park, UW-Milwaukee (2011)
Archaeological Field School, University of Illinois at Urbana-Champaign (2009)

PROFESSIONAL QUALIFICATIONS AND MEMBERSHIPS

Meets Secretary of Interior's Professional Standards for **Archaeology** (Prehistoric and Historic Periods) (Code of Federal Regulations 36 CFR Part 61)
Qualified archaeologist to excavate human burials under Wisconsin's burial law and administrative rule.

Wisconsin Archaeological Survey (Since 2014)
Society for American Archaeology (Since 2011)
Midwest Archaeological Conference (Since 2011)
Wisconsin Archaeological Society (Since 2011)

PROFESSIONAL DEVELOPMENT

- 2017 Society for American Archaeology Online Seminar in Archaeological Curation.
- 2016 National Preservation Institute Section 106 Training. Madison, Wisconsin.
- 2016 Archaeological Consultants Training Workshop. Wisconsin Historical Society Madison, Wisconsin.
- 2015 Archaeological Consultants Training Workshop. Wisconsin Historical Society. Madison, Wisconsin.
- 2014 Light Microscopic Wood Identification Workshop. USDA Forest Products Laboratory. Madison, Wisconsin.

OTHER PROFESSIONAL EXPERIENCE

- 2013 Teaching Assistant. Advanced Archaeological Field School, Aztalan State Park, Jefferson County, Wisconsin. John D. Richards, Field Director.

RELEVANT EXPERIENCE

Documentation and research of prehistoric and historic cemeteries to assist federal agencies, state agencies, and private clients relative to compliance with Wisconsin Statute 157.70.

Burial Issues

Lower Yahara River Trail Project (Sites 47DA0464/BDA-0625 and 47DA1428/BDA-0622). Served as field director for project, and managed documentation and preservation in place of inadvertently discovered human remains, assisted in preparation of report of skeletal analysis for fulfillment of Wis. Stats. 157.70, monitored construction activities, attended regular meetings and prepared biweekly updates for project team.

City of Waukesha Water and Sewer. Project manager for two water, sewer, and road projects for the City of Waukesha affecting burial sites 47WK0224 (BWK-0222) Cutler Mounds, 47WK0610 (BWK-0290) Tcheegascoutak, and 47WK0218 (BWK-0216) Harding Mounds.

City of Oshkosh Water and Sewer. Project manager for water, sewer, and road project for the City of Oshkosh affecting burial site 47WN0222 (BWN-0195) McCauley.

Century Link Telephone Project, Prairie du Chien, Wisconsin (multiple sites). Served as project manager for Phase I survey of telecommunications project. Prepared report of investigations and conducted cemetery research which aided in project avoidance of burial sites. Mid-State Consultants.

North Shore Mounds (47WS0006), Coloma, Waushara County, Wisconsin. Performed limited subsurface testing within Late Woodland mound site in order to ascertain presence or absence of human remains.

Skillet's Creek Mounds (47SK0020/BSK-0177). Assisted in assessing disturbance to site, monitoring of mechanical excavation. Conducted total station and GPS mapping.

Archaeological Monitoring. Archaeological monitoring of ground disturbance within burial sites for multiple utility, construction and road projects throughout Wisconsin. State compliance, Wisconsin Statutes 157.70.

Assembly Ground Mounds and Village (47WL0004/BWL-0092). Assisted in monitoring of ground disturbing activities within large prehistoric mound site, including identification of cultural features and monitoring of heavy equipment excavation.

Milwaukee County Grounds Cemetery (47MI0527/BMI-0076). Historic Resource Management Services, Phase III excavation of the MCIG cemetery, Milwaukee, Wisconsin. Assisted in excavation of human remains and in processing and stabilization of remains. Patricia B. Richards, Ph.D., principal investigator.

Finch Cemetery (47JE0902/BJE-0101), Jefferson County. Historic Euroamerican (ca. 1830-1850) family plot inadvertently disturbed during highway construction. Assisted in stabilization of human remains.

Olen Shores (47WN0716/BWN-0146), Winnebago County. Assisted in processing and stabilization of grave goods and human remains recovered when prehistoric (Oneota, Middle Woodland) American Indian burials were inadvertently disturbed during archaeological investigations.

Post secondary education included research, analysis, and teaching duties relative to the study of bioarchaeology

Teaching assistant for physical anthropology and forensic anthropology courses (September 2012-May 2013).

Stabilization of human remains excavated from the Milwaukee County Institutional Grounds during the 1990s. Patricia B. Richards, Ph.D., principal investigator (2008).

**Phase III
Archaeological
Mitigations**

Archaeological Data Recovery for the Lower Yahara River Trail Project, Dane County, Wisconsin (September 2014 through present)

Project Manager/Field Director. Archaeological data recovery operations at multiple sites in the Lake Farms Archaeological District and site 47DA1428 (BDA-0622), associated with the construction of the Lower Yahara River Trail, Dane County. Sites consist of large and extensive habitation areas, midden areas, and isolated human remains. Conducted extensive total station mapping. Deposits date from the Archaic through Historic time periods. Skeletal analysis report completed. Report of Investigations in progress. Dane County Parks and Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA). Compliance with Wisconsin State Statute 157.70. UWM-CRM, Jennifer R. Haas, Principal Investigator.

Archaeological Data Recovery for the McHugh Family Farmstead Site (47WP0294) (July 2014-Present)

Project Manager/Co-Field Director. Supervised hand and mechanical excavation of mid-nineteenth century Irish-American farmstead site in Waupaca County, Wisconsin, as well as subsequent processing and analysis of large historic artifact assemblage, historic research and report preparation.

Conducted total station mapping. Draft report in progress. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA). UWM-CRM, John D. Richards and Brian D. Nicholls, Principal Investigators.

Archaeological Data Recovery for the Skillet's Creek Mound Site (47SK0020/BSK-0177), USH 12 (May-July 2015)

Floral Analyst. Conducted floral analysis for data recovery operations within the Skillet's Creek Mound Site (47SK0020/BSK-0177), a Late Woodland Effigy Mound site in Sauk County, Wisconsin. Technical report submitted. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA). Compliance with Wisconsin State Statute 157.70. UWM-CRM, John D. Richards, Principal Investigator.

Archaeological Data Recovery for the STH 57 Project, Door County, Wisconsin (January 2014-March 2014)

Floral Analyst. Analyzed floral assemblages collected from multiple sites along the STH 57 Corridor in Dane County, Wisconsin. Sites ranged from Middle Woodland to Middle Historic time periods. Multiple technical reports submitted and in progress. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106/NHPA/NEPA). John D. Richards, Principal Investigator.

Archaeological Data Recovery for the Milwaukee County Poor Farm Cemetery Project (47MI0527/BMI-0076) (June 2013-December 2013)

Archaeological Technician. Assisted in excavation of large historic Euro-American poor farm cemetery and monitoring for burials. Assisted in processing and stabilization of human remains. Patricia B. Richards, Principal Investigator.

Archaeological Data Recovery at 47JE902 (Finch), Jefferson County, Wisconsin (June 2010 through present)

Laboratory Manager/Archaeological Technician. Archaeological data recovery operations at site 47JE902, a large and extensive habitation site containing in situ deposits from the Middle Woodland and Late Woodland time periods. Field operations were conducted from 2009 to 2012. Managed laboratory efforts, including artifact inventory. Conducted artifact analysis. Draft report is in progress. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA). Jennifer R. Haas, Principal Investigator.

Archaeological Data Recovery at 32RY473 Ramsey County, North Dakota (August to December 2011)

Laboratory Technician. Archaeological data recovery operations at site 32RY473, containing Middle and Late Woodland occupations. The site defines a short term bison-processing locale. Tasks included inventory and analysis of artifacts, use of MHS Local Lexicon. United States Army Corps of Engineers-St. Paul District, Federal Compliance (Section 106 NHPA/NEPA)

U.S. Bureau of Mines Twin Cities Research Campus; National Park Service

Laboratory Technician. Tasks included artifact processing, inventory and

preliminary analysis. Use of MHS Local Lexicon. Work was conducted on behalf of the National Park Service to partially fulfill the stipulations set forth in the Memorandum of Agreement Regarding the Building Removal, Land Restoration, and property Disposition of the Twin Cities Research Center Main Campus as stipulated under Section 106 of the National Historic Preservation Act of 1966 (P.L. 89-665) as amended 36 CFR, Part 800, which serves to implement the Act.

Archaeological Data Recovery at 21RO039 (Strandlund), Roseau County, Minnesota (2010-2012)

Laboratory Technician. Archaeological data recovery operations at site 21RO039, a short term butchering site containing deposits from the Late Paleoindian and Woodland time periods. Tasks included processing, inventory and preliminary analysis of materials. United States Army Corps of Engineers-St. Paul District, Federal Compliance (Section 106 NHPA/NEPA). Great Lakes Archaeological Research Center, Inc. Jennifer R. Haas, Principal Investigator.

Phase II National Register Evaluation Studies (Archaeological Sites)

Conference Point/Williams Bay (47WL0068)

Crew Chief/Project Manager. Assisted field director in test excavations for compliance with Wis. Stats. 44.40 and 157.70 for house construction project. Lowell Management Services, Inc. Contributed to Report of Investigations.

Taylor House Mound Group (47RO0181) and the Hotel Drive Site (47RO0244)

Ceramic Analyst. Conducted ceramic analysis for Phase II evaluation of a Late Woodland mound site. Work was conducted on behalf of Orchard Lakeview Estates, LLC relative to potential future compliance requirements obtaining from Wisconsin Statute 44.40 and 157.70.

Site 47DA1428/BDA-0622, Lower Yahara River Trail, Dane County (2012)

Laboratory Technician. Artifact inventory and ceramic analysis associated with National Register evaluation for site 47DA1428, a multicomponent precontact site located on the northeast shore of Lake Waubesa, Dane County, Wisconsin. Lower Yahara River Trail project. Technical report submitted. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

USH 51, Dane County, Wisconsin - Bird Effigy Site 47DA0480/BDA-0339 (2012)

Laboratory Technician. Analysis and inventory of cultural materials recovered as part of major highway corridor study.

Site 21CP68, Alternate Gatewell 2 Outlet Alignment at the City of Montevideo, Chippewa County, Minnesota

Laboratory Technician. National Register evaluations for open-air sites containing Terminal Woodland and Plains Village occupations. Tasks included inventory and artifact analysis; use of MHS Local Lexicon. Technical report prepared. United States Army Corps of Engineers-St. Paul District (Section 106 NHPA/NEPA).

Phase I Identification Surveys

Post Road (Portage County) We Energies

Project Manager/Crew Chief. Conducted Phase I archaeological survey of proposed underground gas installation within site 47PT0029 (BPT-0110) for We Energies. Prepared Archaeological Sites Inventory update.

UPRR Underground We Energies

Crew Chief. Conducted Phase I archaeological survey of proposed underground electric service within site 47MI0027, Milwaukee County for We Energies.

Century Link Telephone Project, Prairie du Chien, Wisconsin (multiple sites) (September-November 2016)

Project Manager. Served as project manager for Phase I survey of telecommunications project. Prepared report of investigations and conducted cemetery research which aided in project avoidance of burial sites. Mid-State Consultants.

City of Milwaukee Bike Share/BublR Bikes (March-May 2016)

Project Manager. Coordinated archaeological survey of 32 bike share locations for the City of Milwaukee, including locations within archaeological and burial sites. Authored short form (ASFR), provided recommendations. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA), Wisconsin Statute 157.70.

Richland-Grant Telephone Project (May 2016)

Crew Chief. Phase I archaeological survey of portion of site 47VE1315 (Parsonage Road), Vernon County, Wisconsin coincident with a proposed utility project. No cultural resources were identified. Mid-State Consultants, Inc., state compliance Wisconsin Statute 44.40.

Neenah Conversion Project, Winnebago County, Wisconsin (May 2016)

Project Manager, Crew Chief. Phase I archaeological survey of portions of four prehistoric archaeological sites coincident with a proposed utility project, including village and burial sites. Authored short form (ASFR). State Compliance, Wisconsin DNR, Wisconsin Statutes 44.40 and 157.70.

Phase I Archaeological Investigations for Croell/USH 12 Baraboo Bridge Project (August 2015)

Crew Chief. Phase I archaeological survey of borrow area associated with the USH 12 Baraboo Bridge Project, Sauk County, including a portion of site 47SK0388. Directed and conducted archaeological survey. Prepared short form (ASFR). Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

I-39/90/94 Corridor Study (2015)

Crew Chief. Directed and conducted archaeological survey associated with a major highway corridor study.

STH 42/57; Old Highway Rd, Door County, Wisconsin (April 2015)

Crew Chief. Directed and conducted archaeological survey. No significant cultural materials encountered. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

STH 23 Project, Multiple Locations, Sheboygan County, Wisconsin (April 2015)

Crew Chief. Directed and conducted archaeological survey of numerous borrow areas associated with the STH 23 project, Sheboygan County, Wisconsin. Multiple archaeological resources identified. Conducted GPS mapping. Authored short forms (ASFRs), draft technical report in progress. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA)..

USH 45, Burleigh to Good Hope, Waukesha County, Wisconsin (March 2015)

Crew Chief. Directed and conducted archaeological survey of small borrow areas associated with the USH 45 project in Waukesha County, Wisconsin. Authored short forms (ASFRs). Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

USH 45 Project, Kenosha County, Wisconsin (September-November 2013)

Field Technician. Assisted in conducting archaeological survey for extensive corridor study in Kenosha and Racine Counties, Wisconsin. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

I-94 Project, St. Croix County, Wisconsin (July 2012)

Field Technician. Participated in Phase I archaeological survey for highway corridor study. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA).

North Country Trail, Ashland County, Wisconsin (May 2012).

Field Technician. Participated in Phase I archaeological survey for the North Country Trail project.

USH 51, Dane County, Wisconsin (2012-Present)

Archaeological Technician and Crew Chief. Tasks included serving as crew chief for Phase I archaeological survey and analysis of cultural materials for technical reports. Prehistoric and historic period archaeological sites identified. Several technical reports prepared. Wisconsin Department of Transportation/Federal Highway Administration, Federal Compliance (Section 106 NHPA/NEPA). Great Lakes Archaeological Research Center, Inc. and UWM-CRM, Jennifer R. Haas, Principal Investigator.

PUBLICATIONS AND PRESENTATIONS

Papers Presented

Jennifer L. Picard, John D. Richards, and Alexander W. Anthony

2017 Forward and *Faug a Balac*: An Irish Immigrant Family Dugout in Wisconsin. Paper presented at the 82nd Annual Meeting of the Society for American Archaeology, Vancouver, British Columbia, Canada.

Jennifer L. Picard and Rachel C. McTavish

2015 Ecology, Culture, Conflict and Diet: Comparison of Two Late Prehistoric Sites in Southeastern Wisconsin. Paper presented at the 80th Annual Meeting of the Society for American Archaeology.

Jennifer L. Picard

2015 Floral Remains and Feature Function at Aztalan: Gathering New Data from 48 Years of Flotation Samples. Paper presented at the 59th Annual Midwest Archaeological Conference, Milwaukee, WI.

Jennifer L. Picard and Brooke L. Drew

2014 Flat Glass and Family Treasures: A Preliminary Analysis of the Artifact Assemblage from the McHugh Site (47WP294), a Nineteenth Century Irish Farmstead in Waupaca County, Wisconsin. Paper presented at the 58th Annual Midwest Archaeological Conference, Champaign, IL.

William M. Balco and Jennifer L. Picard

2014 Exploring the Pioneer Experience: Preliminary Report of 2014 Excavations at 47WP294 (McHugh), Waupaca County, Wisconsin. Paper presented at the 58th Annual Midwest Archaeological Conference, Champaign, IL.

Jennifer L. Picard

2014 A Diachronic Analysis of Floral Remains at Aztalan, a Multicomponent Late Prehistoric Site in Jefferson County, Wisconsin. Paper presented at the 79th Annual Meeting of the Society for American Archaeology, Austin, Texas.

John D. Richards, Michael Kolb, Thomas J. Zych and Jennifer L. Picard

2014 The Core of the Problem: Soil Geomorphic Studies at the Aztalan Site. Poster presented at the 79th Annual Meeting of the Society for American Archaeology, Austin, Texas.

John D. Richards and Jennifer L. Picard

2013 Mounds and Middens at Aztalan: The 2013 UW-Milwaukee Aztalan Project Excavations. Paper presented at the 59th Annual Midwest Archaeological Conference, Columbus, Ohio.

Jennifer L. Picard, Jennifer R. Haas and Richard H. Kubicek

2013 Sourcing Late Woodland Collared Ware and Madison Ware Vessels from the Finch Site, Southeast Wisconsin. Paper presented at the 78th Annual Meeting of the Society for American Archaeology, Honolulu, Hawaii.

Jennifer L. Picard, Jennifer R. Haas and Richard H. Kubicek

2012 A Preliminary Analysis of Late Woodland Ceramics from the Finch Site, a Multicomponent Habitation in the Lake Koshkonong Area. Paper presented at the 58th Annual Midwest Archaeological Conference, East Lansing, Michigan.

Jennifer Picard

2012 Excavations in Aztalan's Riverbank Midden: A Record of Material Culture. Poster presented at the 77th Annual Meeting of the Society for American Archaeology, Memphis, Tennessee.

Invited Speaker

2016 Paleoethnobotanical Remains at Aztalan (47JE0001). Invited speaker for the Three Rivers Archaeological Society, Kenosha, Wisconsin.

2015 Beyond Subsistence: Analysis of Floral Remains at the Aztalan Site (47JE0001). Invited speaker for the Charles E. Brown Chapter, Wisconsin Archaeological Society (Madison, WI)

2014 Paleoethnobotany of the Aztalan Site, Jefferson County, Wisconsin. Invited speaker for the Aztalan: City of Mystery Session, Wisconsin Historical Society Local History and Historic Preservation Conference, Elkhart Lake, Wisconsin.

2014 Diet and Culture at the Late Prehistoric Aztalan Site in Jefferson County, Wisconsin. Invited speaker for the Kenosha County Archaeological Society, Kenosha, Wisconsin.

2014 More than Maize: Native Cultigens and the Development of Complex Societies in Ancient Eastern North America. Invited speaker at annual meeting of the Prairie Enthusiasts, Pewaukee, Wisconsin.

2013 Northern Flint, Southern Roots: A Diachronic Analysis of Paleoethnobotanical Remains and Maize Race at the Aztalan Site (47JE01). Invited speaker at fundraiser for the Friends of Aztalan State Park, Lake Mills, Wisconsin.

Other Authored Works

Jennifer L. Picard, William M. Balco, Brooke L. Drew, and John D. Richards

2015 Archaeology Around Wisconsin, University of Wisconsin-Milwaukee Cultural Resource Management Services: Summary of Phase III Excavations at the McHugh Site (47WP294), Waupaca County, Wisconsin. *The Wisconsin Archeologist* 96(1):118-123.

Jennifer L. Picard and John D. Richards

2014 Archaeology Around Wisconsin: University of Wisconsin-Milwaukee: Investigations at Aztalan by the 2013 Archaeological Field School. *The Wisconsin Archaeologist* 95(1):138-142.

Katherine E. Shillinglaw, Jennifer Picard and Carolyn Freiwald

2012 Archaeology around Wisconsin: Analysis of Two Burials from 47WN716 – The Olen Site (BWN146), Winnebago County, Wisconsin. *The Wisconsin Archeologist* 93(1):77-78.

- 2015 *Interim Update (December 2015) - Archaeological Data Recovery at the Lake Farms Archaeological District and Site 47DA1428*. Technical document, prepared for WisDOT Cultural Resources.

Jennifer L. Picard and Jennifer R. Haas

- 2016 *Interim Update: Archaeological Data Recovery within Lake Farms Archaeological District Site 47DA0464 (BDA-0625)*. July 29, 2016. Technical document, prepared for WisDOT Cultural Resources.

Jennifer L. Picard, Gail R. Klein, and Jennifer R. Haas

- 2017 *Cultural Resource Assessment for the Muskego Bridge Project, City of Muskego, Waukesha County*. UWM-ARL ROI #448.

Jennifer R. Haas, Jennifer L. Picard, and Catherine R. Jones

- 2017 *Skeletal Analysis for Sites 47DA0464 (BDA-0625) and 47DA1428 (BDA-0622) for the Lower Yahara River Trail Phase One Improvements, Dane County, Wisconsin*. UWM ARL ROI #444.

Jennifer L. Picard and Richard H. Kubicek

- 2016 *Archaeological Monitoring and Investigations for sites 47WS0006 and 47WS0186, Waushara County, Wisconsin*. UWM-ARL ROI #425.

Jennifer L. Picard, Jennifer R. Haas and Richard H. Kubicek

- 2016 *Archaeological Investigations at 47WL0068 (BWL-0108) Williams Bay, Walworth County, Wisconsin*. UWM ARL ROI #432
- 2016 *Phase I Archaeological Survey of the Proposed CenturyLink Telephone Corridor, Prairie du Chien, Crawford County, WI*. UWM ARL ROI #440.

Jennifer R. Haas, Catherine R. Jones, Brianne E. Charles, and Jennifer L. Picard

2016 *Archaeological Investigations at 47DA0530 (BDA-0727) Woodward Shores, Dane County, Wisconsin.* UWM-ARL ROI #362.

Jennifer R. Haas, Seth Schneider, Ethan Epstein, and Jennifer Picard

2015 *Archaeological Investigations for the USH 51 Environmental Assessment, Dane County, Wisconsin.* UWM-ARL ROI #390.

Richard H. Kubicek, Jennifer L. Picard, Marcus H. Schulenburg, Alexander W. Anthony, Jennifer R. Haas and John D. Richards

2015 *Phase I Archaeological Investigations of the Kohler Property, Sheboygan County, Wisconsin.* UWM-ARL ROI #343.

John D. Richards, Richard H. Kubicek, Jennifer L. Picard, Rachel C. McTavish, and Marcus A. Schulenberg

2015 *Archaeology at the Skillet's Creek Mound Site: Investigations within the Reconstructed USH 12 Right-of-Way, Sauk County, Wisconsin.* UWM-ARL ROI #398.

John D. Richards and Jennifer L. Picard

2015 *Summary Report of Archaeological Assessment Efforts at the Skillet's Creek Mounds Site (47SK0020/BSK-0177).* UWM-ARL ROI #364.

Marcus A. Schulenburg, John D. Richards, Thomas J. Zych, Brian D. Nicholls, Jennifer L. Picard, Peter W. Fantle, Robert E. Ahlrichs, and Ralph Koziarski

2015 *Data Recovery at the Christoff Site (47DR251): STH 57 Highway Corridor Project, Door County, Wisconsin.* UWM-ARL ROI #217.

Christina L. Zweig, Jennifer R. Haas and Jennifer L. Picard

2015 *Phase I Archaeological Investigations for the Riverview Corporate Park, Kenosha County, Wisconsin.* UWM-ARL ROI #340.

Thomas J. Zych, Robert E. Ahlrichs, Rachel Davies, Kim Harrison, Jennifer L. Picard, John D. Richards, Marcus Schulenburg, Jon Stroik

2015 *The Delfosse-Allard Site: Archaeology and History at a Multicomponent Site on the Door Peninsula.* UWM-ARL ROI #218.

Jennifer R. Haas, Richard H. Kubicek, Jennifer Picard and Jeremy Doyle

2014 *Archaeological Investigations at the Taylor House Mound Group (47RO0181) and the Hotel Drive Site (47RO0244), Rock County, Wisconsin.* UWM-ARL ROI 240.

Thomas J. Zych, Christina L. Zweig, Jennifer L. Picard, and Patricia B. Richards

2014 *Archaeological Investigations of Uncatalogued Burial Site: 47WL0004/BWL0092, Delavan Lake, Walworth County, Wisconsin.* UWM-ARL ROI 227.

Richard H. Kubicek and Jennifer L. Picard

2013 *Cultural Resource Survey of Wildlife Opening in the Tell City Ranger District and a Lost River Karst Area in the Brownstown Ranger District.* Great Lakes Archaeological Research Center Inc., Report of Investigations No. 801.

Richard H. Kubicek, Jennifer R. Haas and Jennifer L. Picard

2013 *Addendum: Additional Phase I Archaeological Investigations for the USH 50 EIS Study Corridor, Dane County, Wisconsin.* Great Lakes Archaeological Research Center Report of Investigations No. 809.

Jennifer R. Haas, Rhiannon M. Jones and Jennifer L. Picard

2013 *Phase I and II Archaeological Investigations for the Lower Yahara River Trail, Dane County, Wisconsin.* Great Lakes Archaeological Research Center, Inc., Report of Investigations No. 808.

Jennifer R. Haas, C. Friewald, W. J. Eichmann and Jennifer L. Picard

2012 *Phase II Evaluations of 21CP68, Alternative Gatewell 2 Outlet Alignment at the City of Montevideo, Chippewa County, Minnesota.* Great Lakes Archaeological Research Center, Inc., Report of Investigations No. 777. Milwaukee, WI.

Jennifer R. Haas, Richard H. Kubicek and Jennifer L. Picard

2012 *Archaeological Investigations at Site 47WN0716 (BWN-0146), Winnebago County, Wisconsin.* Great Lakes Archaeological Research Center, Inc., Report of Investigations No. 797.

Jennifer R. Haas, R. Mandel, P. Goldberg, C. Friewald, R. Kubicek, R. Jones, N. Weber, J. Bennett, W. J. Eichmann, and Jennifer L. Picard

2011 *Phase III Mitigation for Archaeological Site 32RY473, Ramsey County, North Dakota.* Great Lakes Archaeological Research Center Inc., Report of Investigations No. 774.
